**LCH.CLEARNET LIMITED SELF-CERTIFICATION OF AMENDMENTS TO RULES TO
IMPLEMENT FCM CLEARING FOR NON-DELIVERABLE FORWARDS**

LCH.Clearnet Limited (“LCH.Clearnet”), a derivatives clearing organization registered with the Commodity Futures Trading Commission (the “CFTC”), is submitting for self-certification, pursuant to CFTC Regulation §40.6, amendments to LCH.Clearnet’s Rulebook. The amended Rulebook will be implemented and become effective on June 22, 2012.

Part I: Explanation and Analysis

The operation, purpose and effect of the amendments to the Rulebook is to introduce a client clearing service for the US market to further expand LCH.Clearnet’s coverage and services in OTC FX clearing. The ForexClear client clearing service has been designed to allow clients of Futures Commission Merchants (FCMs) to have access to the ForexClear service. ForexClear’s decision to launch client clearing has been driven by expected buy-side demand and impending regulatory rules for mandatory clearing of ‘swap’ contracts. The ForexClear client clearing model described in this document is based on SwapClear’s current FCM model adopted for US-based client clearing.

In light of new US Dodd-Frank rules due to take effect on 8th November 2012, which will require amendments to LCH.Clearnet’s existing US FCM model in relation to segregation of client assets, ForexClear (and SwapClear) will be required to further amend its US FCM model prior to November 2012 to ensure regulatory compliance. These amendments will be self certified to the CFTC in due course.

The ForexClear client clearing service will share the same operational infrastructure, operating hours and product/tenor coverage of the existing ForexClear inter-dealer service. The terms of all cleared contracts replicate those defined by the Emerging Markets Trade Association (EMTA) with respect to OTC NDF contracts.

Participation by FCMs as clearing members in LCH.Clearnet is governed by a set of New York law governed FCM Regulations and FCM Procedures, separate to the English law governed UK General Regulations.

Differences to the existing SwapClear FCM service

The client clearing aspects of the proposed ForexClear FCM service are designed to follow the existing SwapClear FCM service closely. The only significant difference is that contributions to the ForexClear default fund will be allocated between members based on the relative size of total House and Client initial margin, in contrast to SwapClear where the allocation is based on the relative size of House account initial margin. (However, the overall sizing of the default fund is determined in the same way – see ‘Size and composition of default fund’ below.)

Membership criteria

The membership criteria for ForexClear FCMs will follow the membership criteria for SwapClear FCMs, which are set out at FCM Regulation 3. In summary, an applicant for ForexClear FCM membership status must:

- be registered with the CFTC as an FCM;
- be incorporated in a US state;
- have a net capital of US\$50 million or more;
- have evidenced the operational and technical capabilities required by LCH.Clearnet;
- successfully participate, or demonstrate that it has (i) an affiliated ForexClear Clearing Member that can successfully participate in a ForexClear firedrill, or (ii) an LCH.Clearnet Approved Outsourcing Party that can successfully participate in a ForexClear firedrill;
- be able to participate, or demonstrate that it has (i) an affiliated ForexClear Clearing Member that can successfully participate in the ForexClear Default Management Process (DMP), or (ii) an LCH.Clearnet Approved Outsourcing Party that can successfully participate in the ForexClear DMP;
- have, within its corporate group, at least one banking, credit or investment institution licensed in the US or an EU member state, or an equivalent in another jurisdiction;
- in the event of a default, be able to receive and process relevant contracts;
- complete all relevant documentation; and
- complete all necessary testing and training as required by LCH.Clearnet.

ForexClear places no access criteria upon clients of FCMs. FCMs are free to take on the business of clients based on their own due diligence and analysis and become responsible for the performance of the trades upon registration.

LCH.Clearnet will record each client trade received in an FCM's Client account in the name of the underlying counterparty to the trade. However, LCH.Clearnet will have no direct relationship with the clients of FCMs.

Arrangements for holding client business

ForexClear FCMs are set up with two main account types:

- **House Account (H)** – holds proprietary business. Under the FCM Regulations, an FCM is permitted to clear for affiliates through its proprietary accounts.
- **Client Account (C)** – holds client business. Each Client account can have multiple sub-client accounts whose liabilities will be aggregated and reported at the level of the Client account, and will be a separate obligation from the House Account liability. Client positions will be registered in the name of the underlying client. A client can have relationships with more than one ForexClear FCM.

ForexClear records trade positions held by clients, and the assets and liabilities associated with these portfolios, and provides for efficient portfolio porting in the event of an FCM default.

Currently, the US FCM regulations allow for a Gross Omnibus client account structure, with an LSOC (Legally Segregated, Operationally Comingled) account structure to be mandatory by 8th November 2012. The ForexClear client clearing service will initially offer a Gross Omnibus account structure to FCMs, in line with SwapClear's existing client clearing service.

The key distinguishing attributes of the Gross Omnibus structure are:

- **Margin Calculation** – Each individual sub-client account is treated separately for the purposes of margin calculations.
- **Liabilities** – The FCM’s client liability is calculated as a single aggregated figure, comprised of all of the gross client account liabilities.
- **Collateral** – All client collateral (including excess collateral) is pooled in an omnibus account and can be used to cover the loss of any client in the same Business Category in the event of an FCM default. Client collateral cannot be used to cover losses in the House Account, and can only be used to cover the Client account losses in another Business Category (ie FCM SwapClear or FCM ForexClear) where caused by the failure of the same client – see below.
- **Default Portability** – Portability of client positions and margins in the event of an FCM default is subject to CFTC approval.

Client portfolio porting can be executed either as a ‘business-as-usual’ request or where required during a default management process.

In the case of a ‘business-as-usual’ client porting, clients will initiate a portfolio transfer via a manual instruction to ForexClear. ForexClear will manage the co-ordination of the portfolio transfer between both involved FCMs. The transfer will have the same effect as an unwind against the outgoing account and new trade positions against the incoming account. Both activities will be processed within a single margin run and will only register as cleared when sufficient margin has been pledged. Collateral may either be released to the outgoing FCM once sufficient collateral has been provided by the incoming FCM, or may be transferred from the outgoing FCM to the incoming FCM.

LCH.Clearnet’s FCM client clearing model is intended to allow clients to port their positions and collateral upon the insolvency of the FCM. LCH.Clearnet will act upon a default (in the case of insolvency) in accordance with the relevant US regulatory requirements and the applicable bankruptcy laws. The rules are intended to ensure that the porting provisions do not prejudice the administration of the estate.

The existing rules for the FCM SwapClear service envisage all client positions and collateral porting upon insolvency, if this is possible. With the introduction of the ForexClear service (a different “Business Category”), an FCM insolvency may result in a default where, in respect of one Business Category, LCH.Clearnet must access client collateral held in respect of that Business Category to manage the default, whilst client collateral held in respect of the other Business Category has a balance that is not required for the managing of the default.

LCH.Clearnet discussed the issue with users and there was strong feedback against allowing LCH.Clearnet to use the “spare” collateral – i.e. clients in the “solvent” Business Category should be allowed to port.

This is reflected at FCM Regulation 9(k). There is an exception in respect of client positions where a client has defaulted, in which case, that client’s excess collateral in one Business Category can be used to offset the shortfall in another. (Please note this only refers to client positions – for house positions Default Rule 16(1) allows LCH.Clearnet to use house collateral across services).

Risk management

Risk management for ForexClear FCM does not present novel risk issues.

There is no change to the NDF valuation model. The ForexClear valuation model for NDF contracts is based on industry standard pricing methodology using Murex's standard 'FX Forward Model'.

Nor is there any change to the Variation Margin (VM) model. VM and Price Alignment Interest (PAI) are calculated every day through a trade's life up to settlement day, for all House and Client trades. For client clearing, VM amounts across an FCM's individual sub-client accounts are aggregated and reflected at the FCM Client Account level as a single VM liability.

Initial Margin (IM) for client portfolios will be calculated on the basis of a seven-day holding period and a confidence level of 99.76%. The increase in the holding period from five days (for house portfolio) to seven days (for client portfolios) reflects the additional time allowed for porting of client portfolios in the event of a clearing member default. This is in line with the approach taken to SwapClear FCM client portfolios.

IM is calculated for each sub-client portfolio separately at every margin run. Each separate sub-client IM is then summed and reflected at the FCM Client Account level as a single IM liability.

Under CFTC regulations, FCMs are required to collect initial margin from their customers, for non-hedge positions, at a level that is greater than 100 percent of LCH.Clearnet's usual initial margin requirements. The initial published rate will be 10% above the usual requirement. FCMs will not be required to pay this additional margin to LCH.Clearnet but rather use it as a cushion in relation to future adverse market movements.

ForexClear calculates and applies additional margin add-ons in relation to Credit Risk, Liquidity Risk and Sovereign Risk at each margin run. There are no changes to the methodology underlying each add-on calculation.

Size and composition of default fund

A segregated default fund was set up under the original launch of ForexClear. The ForexClear Supplement to LCH.Clearnet's Default Fund Rules (rules F1-F12) sets out rules for determining the size of the "ForexClear Fund Amount", and how it should be funded by members.

The size of the segregated ForexClear Default Fund will continue to be calculated as the sum of the two largest member excess losses (ie. stress testing loss over IM) within the same stress scenario, plus 10%. With the introduction of client clearing, a member's excess stress loss for a given scenario is calculated as the aggregate of its House Account excess loss, plus the sum of excess losses in any of its sub-Client Accounts (ie. excluding those sub-client portfolios with excess profits). Surpluses on the House Account can be used to offset Client Account losses, but not vice versa. This is the same as for the SwapClear Default Fund.

Individual FXCCM/FCM contributions will be weighted based on relative Total Initial Margin (ie House Account IM and Client Account IM) across the membership over the preceding 30

business days, subject to a minimum contribution of US\$5m. Please note that this is a different approach to that currently taken for the SwapClear default fund, where default fund weightings are based on House Account IM only and subject to a minimum level of GBP10m.

ForexClear default fund contributions are made in USD cash and accounted for separately, but are managed and invested alongside other USD cash in LCH.Clearnet's liquidity portfolio.

Description of changes to rules

In summary, the following changes have been made to legal documentation.

FCM Regulations

The original FCM Regulations were SwapClear specific. To facilitate the addition of ForexClear (and any future services), the structure of the FCM Regulations has been changed to mirror more closely the structure of the UK General Regulations. That is, there is a set of generic regulations (FCM Regulations 1 to 26) that are applicable to all services, followed by a series of chapters applicable to SwapClear (FCM Regulations 30 to 33) and ForexClear (FCM Regulations 40 to 43). Any future services can then be added as further chapters.

The ForexClear FCM Regulations largely mirror the ForexClear Regulations in the UK General Regulations, save for FCM-specific provisions. The FCM-specific provisions follow the pre-existing SwapClear FCM Regulations, save that:

- amendments have been made to acknowledge that since there are now two "Business Categories", SwapClear Contracts and ForexClear Contracts will be recorded in separate position-keeping accounts (see, in particular, FCM Regulation 4); and
- FCM Regulation 9(k) has been amended to provide that in the event of an FCM's default:
 - generally, margin held in the client account in respect of one Business Category cannot be used to cover a shortfall in another Business Category; except that
 - if a client participates in both Business Categories, and has an "excess" balance in respect of one Business Category, that excess can be utilised if there is a shortfall in the other Business Category.

FCM Procedures

As with the FCM Regulations, the FCM Procedures have been amended to enable the insertion of procedures for ForexClear, primarily in Section 1 (Membership), the addition of a new Section 2B (ForexClear), and the relabeling of old Section 2 to Section 2A (SwapClear). The new FCM Procedures Section 2B largely mirrors Section 2K of the UK Procedures, except for FCM specific amendments (particularly relating to accounts and client transfers) that have been imported from SwapClear.

Default Rules

There are minor amendments to the body of the Default Rules. The ForexClear DMP Annex has been amended to insert FCM and US-specific provisions, which mirror the text that appears in the SwapClear DMP Annex.

Default Fund Rules

There are two minor amendments to the Default Fund Rules: in Rule F9(a), the definition of "Margin Account" has been updated to include FCM Omnibus Client Accounts; and Rule F12(b) has been amended to tie the ballot process for FCMs into the FCM Default Fund Agreement.

UK General Regulations

There are consequential amendments to the UK General Regulations to amend the definitions and cross-references. New Regulations 104(k) and (l) have been inserted, which mirror the equivalent SwapClear provisions at Regulations 47(g) and 47(h).

Part II: Certification by LCH.Clearnet

LCH.Clearnet certifies to the CFTC, in accordance with CFTC Regulation §40.6, that the amendments to its rules comply with the Commodity Exchange Act and the CFTC Regulations promulgated thereunder. In addition, LCH.Clearnet certifies that LCH.Clearnet has posted a notice of pending certification with the CFTC and a copy of the submission on LCH.Clearnet's website at

http://www.lchclearnet.com/rules_and_regulations/ltd/proposed_rules.asp

A signed certification is attached to this submission as Exhibit B.

Part III: Compliance with Core Principles

LCH.Clearnet complies, and will continue to comply, with all of the Core Principles.

Part IV: Opposing Views

There were no opposing views expressed to LCH.Clearnet by governing board or committee members, members of LCH.Clearnet or market participants that were not incorporated into the rule.

- ~~(c)~~ — Without prejudice to the Clearing House's rights under paragraph (f) of this **FCM Regulation 5**, an FCM Clearing Member shall be bound by an FCM SwapClear Contract registered in its name on behalf of an FCM Client or an Affiliate pursuant to the presentation of particulars of an FCM SwapClear Transaction by it, and by the other FCM Clearing Member or **SwapClear Clearing Member**, as applicable.
- ~~(d)~~ — Without prejudice to the Clearing House's rights under paragraph (f) of this **FCM Regulation 5**, an FCM SwapClear Transaction, particulars of which are submitted for registration as **FCM SwapClear Contracts**, must meet the eligibility criteria prescribed in these FCM Regulations and the FCM Procedures at the time the particulars of the FCM SwapClear Transaction are presented to the Clearing House and must continue to meet such criteria at the Registration Time in order to be registered as **FCM SwapClear Contracts**, at which time the FCM SwapClear Contracts shall replace and supersede such corresponding FCM SwapClear Transaction.
- ~~(e)~~ — The Clearing House shall be deemed to register an FCM SwapClear Contract, in accordance with this **FCM Regulation 5** in the name of an FCM Clearing Member on behalf of an FCM Client or an Affiliate (or, if applicable, on the FCM Clearing Member's own behalf), at the time prescribed in the **FCM Procedures ("Registration Time")**. At the Registration Time, the FCM Clearing Member, and the FCM Client or Affiliate if applicable, will be deemed to be bound by the

~~relevant FCM SwapClear Contract on the terms entered into between the FCM Clearing Member and the Clearing House automatically and without any further action by such FCM Clearing Member or FCM Client or Affiliate, which such terms shall, without limitation, incorporate all applicable terms of these FCM Regulations and Schedule A hereto.~~

- ~~(f) If at any time after registration of FCM SwapClear Contracts, the Clearing House determines that the corresponding FCM SwapClear Transaction of which details were submitted for registration did not, at the Registration Time, meet the eligibility criteria for registration as FCM SwapClear Contracts pursuant to the FCM Rulebook, the Clearing House shall, as soon as practicable thereafter, set aside such FCM SwapClear Contracts. Upon the FCM SwapClear Contracts being set aside under this FCM Regulation 5, the particulars of the corresponding FCM SwapClear Transaction in question shall be deemed never to have been submitted to the Clearing House. Any payment made under, or in respect of, an FCM SwapClear Contract set aside under this paragraph shall be repayable to the person who made the payment. Without prejudice to FCM Regulation 26 and its obligations under this FCM Regulation 5, the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of an FCM SwapClear Contract in respect of a transaction which did not meet the eligibility criteria at the Registration Time to enable it to be registered as an FCM SwapClear Contract.~~
- ~~(g) Where the FCM Procedures so provide, the Clearing House may require the FCM Clearing Members in whose names one or more FCM SwapClear Transactions are to be registered to furnish it with cover as a condition of registration of such FCM SwapClear Transaction(s), and such cover shall be furnished to the Clearing House in accordance with FCM Regulation 10 and such other applicable provisions in the FCM Rulebook.~~
- ~~(h) The Clearing House may decline to register an FCM SwapClear Transaction in the name of an FCM Clearing Member where it considers such action advisable for its own protection or the protection of the relevant market, provided that the Clearing House shall (subject to the provisions of the FCM Rulebook) register any FCM SwapClear Contract which reduces the risk exposure of the Clearing House and the applicable FCM Clearing Member, as determined in the discretion of the Clearing House. The Clearing House may, without assigning any reason, make the registration of any FCM SwapClear Transaction subject to any conditions stipulated by the Clearing House including, without limitation, the furnishing of additional cover by any FCM Clearing Member in whose name any such FCM SwapClear Transaction is to be registered.~~
- ~~(i) An FCM SwapClear Transaction presented for registration to, and accepted by, the Clearing House shall be registered by the Clearing House in one of the following ways:~~
- ~~(i) in the case where one Executing Party clears its side of such FCM SwapClear Transaction, either through a SwapClear Clearing Member or directly with the Clearing House in its capacity as a SwapClear Clearing Member, and the other Executing Party clears its side of such FCM SwapClear Transaction as or through an FCM Clearing Member, as one SCM SwapClear Contract pursuant to the UK General Regulations applicable to SwapClear Clearing Members and one FCM SwapClear Contract pursuant to these FCM Regulations, where the FCM SwapClear~~

~~Contract shall be registered between the FCM Clearing Member, as the party paying Rate X, and the Clearing House as the party paying Rate Y, and the **SCM** SwapClear Contract shall be registered between the Clearing House, as the party paying Rate X, and the **SwapClear** Clearing Member, as the party paying Rate Y; or~~

- ~~(ii) in the case where each Executing Party will clear its respective side of such FCM SwapClear Transaction either through an FCM Clearing Member or directly itself as an FCM Clearing Member, as two FCM SwapClear Contracts pursuant to these FCM Regulations where each relevant FCM SwapClear Contract is registered between the relevant FCM Clearing Member and the Clearing House, with one such FCM Clearing Member as the party paying Rate X, and the Clearing House as the party paying Rate Y, and the other FCM Clearing Member as the party paying Rate Y and the Clearing House as the party paying Rate X.~~

~~In each of the foregoing cases, to the extent the FCM SwapClear Contract has been entered into by an FCM Clearing Member on behalf of an FCM Client or Affiliate, each FCM Clearing Member will be the agent of its FCM Client or Affiliate, but will nevertheless remain fully liable to the Clearing House for any and all amounts due to the Clearing House in connection with any FCM SwapClear Contract cleared on behalf of its FCM Client or Affiliate.~~

- ~~(j) With effect from the registration of an FCM SwapClear Transaction in accordance with FCM Regulation 5(i) above:~~

~~(i) such FCM SwapClear Transaction shall be extinguished and replaced by the corresponding FCM SwapClear Contracts (or if applicable, the corresponding FCM SwapClear Contract and **SCM** SwapClear Contract), and the parties to such FCM SwapClear Transaction shall be released and discharged from all rights and obligations under such FCM SwapClear Transaction which fall due for performance on or after the Registration Time;~~

~~(ii) each FCM SwapClear Contract registered under FCM Regulation 5(i) above shall be governed by the FCM SwapClear Contract Terms as applicable to that FCM SwapClear Contract;~~

~~(iii) subject to sub-paragraph (2) above, in respect of the Economic Terms, the FCM Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the FCM SwapClear Contract as the party paying Rate X had and owed in respect of its counterparty under the corresponding FCM SwapClear Transaction; and~~

~~(iv) subject to sub-paragraph (2) above, in respect of the Economic Terms, the FCM Clearing Member shall have the same rights against, and owe the same obligations to, the Clearing House under the FCM SwapClear Contract to which it is party as the party paying Rate Y had and owed in respect of its counterparty under the corresponding FCM SwapClear Transaction.~~

~~In subparagraphs (3) and (4) above, a reference to the “same” rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the Economic Terms of the corresponding FCM~~

~~SwapClear Transaction (it being assumed, for this purpose, that such FCM SwapClear Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them, and subject to any change thereto as a result of the operation of the Standard Terms.~~

- ~~(k) If an FCM SwapClear Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any FCM SwapClear Contract arising under this FCM Regulation 5 or any other applicable provision of the FCM Rulebook.~~
- ~~(l) In the case of an FCM SwapClear Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this FCM Regulation 5 shall take effect.~~
- ~~(m) An FCM Clearing Member may provide FCM SwapClear Clearing Services in connection with FCM SwapClear Contracts or FCM SwapClear Transactions to any of its Affiliates. Such FCM SwapClear Clearing Services shall be provided in the same manner as set forth under these FCM Regulations with respect to FCM Clients, as applicable, except that all transactions for Affiliates shall be cleared through the Proprietary Account of the applicable FCM Clearing Member.~~
- ~~(n) Notwithstanding any other provision of these FCM Regulations, if one or more FCM SwapClear Contracts registered by an FCM Clearing Member in accordance with these FCM Regulations and the FCM Procedures has substantially the same Economic Terms as one or more other FCM SwapClear Contracts previously registered for the account of such FCM Clearing Member, and all such FCM SwapClear Contracts are either (i) registered on the FCM Clearing Member's own behalf, (ii) registered on behalf of the same FCM Client or (iii) registered on behalf of the same Affiliate, the FCM Clearing Member may request that the Clearing House compress and combine all such FCM SwapClear Contracts by terminating the relevant existing FCM SwapClear Contracts and compressing them into one FCM SwapClear Contract reflecting the aggregate economic terms, or the net economic terms, as the case may be, of the original FCM SwapClear Contracts. For purposes of this FCM Regulation 5(n), two or more FCM SwapClear Contracts may be deemed by the Clearing House to have "substantially the same Economic Terms" if they are based on the same underlying currencies and the Clearing House considers them, in its sole discretion, to have substantially the same fundamental economic attributes which influence the amount, value date and direction of all coupon cash flows. Two or more FCM SwapClear Contracts that are compressed under the terms of this FCM Regulation 5(n) shall be aggregated if the position of the FCM Clearing Member (on its own behalf) or the relevant FCM Client or Affiliate is in the same direction on each such FCM SwapClear Contract (i.e., obligations to make payment aggregated and rights to receive payment aggregated), such that the FCM SwapClear Contract that replaces the compressed FCM SwapClear Contracts shall have a notional amount equal to the total notional amount of the compressed FCM SwapClear Contracts. Two or more FCM SwapClear Contracts that are compressed under the terms of this Regulation 5(n) shall be netted if the position of the FCM Clearing Member (on its own behalf) or the relevant FCM Client or Affiliate is in the opposite direction on two or more of each such FCM SwapClear Contracts (i.e., obligations to make payment netted against rights to receive payment), such that the FCM SwapClear~~

~~Contract (if any) that replaces the compressed FCM SwapClear Contracts shall have a notional amount equal to the net notional amount of the compressed FCM SwapClear Contracts, and provided that in the event that the net notional amount is equal to zero such compression shall result in no replacement FCM SwapClear Contracts. The Clearing House shall determine (in its sole discretion) whether FCM SwapClear Contracts that are the subject of a request for compression from the FCM Clearing Member may be compressed and, if such FCM SwapClear Contracts are compressed, the Clearing House shall determine the resulting notional amount of the FCM SwapClear Contract(s) (if any) that replaces the compressed FCM SwapClear Contracts, and such determination shall be binding on the FCM Clearing Member, absent manifest error. It is a condition for compression of FCM SwapClear Contracts that the amount of cover that the Clearing House requires in respect of the original FCM SwapClear Contracts is equal to that which is required by the Clearing House in respect of the replacement FCM SwapClear Contract(s).~~

Regulation 5 ~~Regulation 6~~ Treatment of Accounts at LCH

- (a) Accounts shall be opened between each FCM Clearing Member and the Clearing House in accordance with the FCM Procedures. An FCM Clearing Member shall be responsible to LCH for all obligations owed to the Clearing House in respect of every account opened in respect of such FCM Clearing Member.
- (b) This paragraph applies to an FCM Clearing Member's Proprietary Accounts. In the event that more than one Proprietary Account is opened in respect of an FCM Clearing Member, the Clearing House shall have the right to combine or consolidate the balances on any or all of the FCM Clearing Member's Proprietary Accounts, treat all such accounts as a single account and set off any amount or amounts standing from time to time to the credit of any one or more of such accounts in or towards payment or satisfaction of all or any of the FCM Clearing Member's liabilities to the Clearing House on any one or more of such accounts, or in or towards payment or satisfaction of any other obligations of the FCM Clearing Member to the Clearing House, including but not limited to, obligations arising in connection with FCM Client Business.
- (c) This paragraph applies to an FCM Clearing Member's FCM Omnibus OTC Clearing Product Client Accounts with LCH. ~~Unless the FCM Rulebook provides otherwise, in the event that more than one FCM Omnibus OTC Client Account with LCH is opened in respect of an FCM Clearing Member, the Clearing House shall have the right to combine or consolidate the balances on any or all of such FCM Omnibus OTC Client Accounts (within the same account class for purposes of Part 190 of the CFTC Regulations) with LCH of an FCM Clearing Member, treat all such accounts as a single account and set off any amount or amounts standing to the credit of any one or more of such FCM Omnibus OTC Client Accounts with LCH of an FCM Clearing Member in or towards payment or satisfaction of all or any of the FCM Clearing Member's liabilities to the Clearing House on any one or more of such FCM Omnibus OTC Client Accounts with LCH. Each FCM Clearing Member shall establish and maintain an FCM Omnibus OTC Clearing Product Client Account with LCH for each Business Category of FCM Contract it clears on behalf of its FCM Clients; provided that the Account Assets held in respect of each FCM Clearing Member's FCM Omnibus OTC Clearing Product Accounts with LCH may be physically held and commingled in a single FCM OTC Client Segregated Depository Account. FCM Omnibus OTC Clearing Product Client Accounts with~~

LCH shall be held and administered with in accordance with the CEA and all applicable CFTC Regulations, including but not limited to Part 1 and Part 190 of such regulations (but excluding Part 22 until compliance therewith becomes mandatory under the CFTC Regulations), including as set forth in FCM Regulation 25.

- (d) Amounts standing to the credit of an FCM Clearing Member's account relating to Contributions made under the Default Fund Rules may be applied as provided for in the Default Fund Rules.
- (e) Any rights of set-off, combination of accounts or appropriation which the Clearing House may have under these FCM Regulations or otherwise shall apply whether or not accounts are denominated in the same currency.
- (f) Interest calculated on a basis determined from time to time by the Clearing House in accordance with the FCM Procedures may at the Clearing House's discretion (but subject to the provisions of the Default Fund Rules) be paid on amounts standing to the credit of any of the FCM Clearing Member's accounts.
- (g) Debit balances due to the Clearing House on any account opened in respect of an FCM Clearing Member are payable by such FCM Clearing Member on demand and interest may at the Clearing House's discretion be charged on debit balances remaining unpaid (whether or not demand for payment is made) on a basis and at a rate determined from time to time by the Clearing House in accordance with the FCM Procedures.
- (h) Subject to the provisions of the Default Fund Rules, the Clearing House may at its absolute discretion alter the basis of calculating interest rates and such alteration shall be effective in respect of all current and future business on the date notified to FCM Clearing Members in accordance with the FCM Procedures.
- (i) If an FCM Clearing Member specifies a Termination Date under FCM Regulation ~~26~~24A, the FCM Clearing Member shall be entitled to set off any or all amounts (whether present or future, liquidated or unliquidated, actual or contingent) due as between the Clearing House and the FCM Clearing Member, provided that, in accordance with these FCM Regulations, including without limitation FCM Regulation ~~29~~25, an FCM Clearing Member's obligations to the Clearing House (other than solely in respect of the obligations of its FCM Clients) may never be set off with amounts in FCM OTC Client Segregated Depository Accounts.

Regulation 6 ~~Regulation 7~~ Designation

An FCM Clearing Member shall designate the account of the FCM Clearing Member in which a prospective FCM ~~SwapClear~~ Contract shall be registered in the manner and form and by the time prescribed by the FCM Procedures. If the FCM Clearing Member fails to so designate an account, the Clearing House may, at its discretion and in accordance with the FCM Procedures, determine in which account of the FCM Clearing Member the FCM ~~SwapClear~~ Contract shall be entered.

[Regulation 7](#) ~~Regulation 8~~ Trading Information

The Clearing House shall make available to an FCM Clearing Member in the manner and by the time prescribed by the FCM Procedures, such details of original contracts presented for registration in the name of that FCM Clearing Member, Open Contracts registered in that FCM Clearing Member's name, and cover furnished by that FCM Clearing Member as may be prescribed in the FCM Procedures.

Regulation 8 ~~Regulation 9~~ Transfer

- (a) Other than in the event that an FCM Clearing Member is a defaulter, Open Contracts in such FCM Clearing Member's name shall not be allocated or transferred except as provided in this FCM Regulation ~~9-8~~. The FCM Procedures shall specify the categories of FCM Contracts that can be transferred in accordance with this FCM Regulation 8.
- (b) Upon the instruction or at the request of an FCM Client, via a Receiving FCM Clearing Member (as set out in the FCM Procedures), to transfer that FCM Client's entire portfolio (and not less than an entire portfolio) of a Business Category of FCM ~~SwapClear~~ Contracts from a Carrying FCM Clearing Member, the Clearing House shall transfer: (x) all of such Business Category of FCM ~~SwapClear~~ Contracts entered into by the Carrying FCM Clearing Member on behalf of such FCM Client, as identified to the Clearing House by the Carrying FCM Clearing Member, the Clearing House being entitled to rely conclusively on the instructions of the Carrying FCM Clearing Member with respect to the FCM ~~SwapClear~~ Contracts to be transferred (such transfer to occur by novation of such FCM ~~SwapClear~~ Contracts rather than by closeout and rebooking of new FCM ~~SwapClear~~ Contracts); and (y) upon request, if any, of the Receiving FCM Clearing Member on behalf of the relevant FCM Client, all Account Assets deposited with or transferred to the Clearing House by a Carrying FCM Clearing Member and held by the Clearing House in respect of the FCM ~~SwapClear~~ Contracts that are being transferred to a Receiving FCM Clearing Member designated by the FCM Client as set out in the FCM Procedures (the Clearing House being entitled to rely conclusively on the instructions of the Carrying FCM Clearing Member with respect to such Account Assets); provided that:
- (i) such FCM Client has not become insolvent (such FCM Client to be presumed to be solvent by the Clearing House unless evidenced to the contrary by the Carrying FCM Clearing Member in the manner set forth in the FCM Procedures or as otherwise reasonably determined by the Clearing House);
 - (ii) neither the Carrying FCM Clearing Member nor the Receiving FCM Clearing Member is a defaulter;
 - (iii) the Receiving FCM Clearing Member has consented to such transfer;
 - (iv) the Clearing House considers that it has received sufficient cover from the Receiving FCM Clearing Member in order to enable the transfer; and
 - (v) the FCM Client has satisfied (such satisfaction to be presumed by the Clearing House unless evidenced to the contrary by the Carrying FCM Clearing Member in the manner set forth in the FCM Procedures or as otherwise reasonably determined by the Clearing House) all outstanding obligations that are due and payable to the Carrying FCM Clearing Member and its Affiliates, including any increased margin due and payable that may result from the proposed transfer, unless the Carrying FCM Clearing Member otherwise consents.

For purposes of (v) above, with respect to obligations owed to Affiliates of the Carrying FCM Clearing Member by an FCM Client, "obligations" shall consist only of those obligations that arise as a result of cross-margining, cross-netting or other

similar arrangements with respect to the FCM ~~SwapClear~~ Contracts being transferred or the FCM Client's related collateral.

- (c) Upon the instruction or at the request of an FCM Client via a Receiving FCM Clearing Member (as set out in the FCM Procedures) to transfer a portion of that FCM Client's portfolio of FCM ~~SwapClear~~ Contracts from a Carrying FCM Clearing Member, (the "*Porting FCM ~~SwapClear~~ Contracts*"), the Clearing House shall transfer (such transfer to occur by novation of such Porting FCM ~~SwapClear~~ Contracts rather than by closeout and rebooking of new FCM ~~SwapClear~~ Contracts) the Porting FCM ~~SwapClear~~ Contracts entered into by the Carrying FCM Clearing Member on behalf of such FCM Client to a Receiving FCM Clearing Member, designated by the FCM Client as set out in the FCM Procedures, provided that:
- (i) such FCM Client has not become insolvent (such FCM Client to be presumed to be solvent by the Clearing House unless evidenced to the contrary by the Carrying FCM Clearing Member in the manner set forth in the FCM Procedures or as otherwise reasonably determined by the Clearing House);
 - (ii) neither the Carrying FCM Clearing Member nor the Receiving FCM Clearing Member is a defaulter;
 - (iii) the Receiving FCM Clearing Member has consented to such transfer;
 - (iv) the Receiving FCM Clearing Member has provided sufficient cover to the Clearing House in respect of its current FCM ~~SwapClear~~ Contracts and the Porting FCM ~~SwapClear~~ Contracts in order to enable the transfer;
 - (v) the FCM Client has satisfied (such satisfaction to be presumed by the Clearing House unless evidenced to the contrary by the Carrying FCM Clearing Member in the manner set forth in the FCM Procedures or as otherwise reasonably determined by the Clearing House) all outstanding obligations that are due and payable to the Carrying FCM Clearing Member and its Affiliates, including any increased margin due and payable that may result from the proposed transfer, unless the Carrying FCM Clearing Member otherwise consents; and
 - (vi) in the event that the transfer will lead to an increased cover requirement from the Carrying FCM Clearing Member to the Clearing House, the Carrying FCM Clearing Member provides sufficient cover to the Clearing House in respect of such increased cover requirement.

For purposes of (v) above, with respect to obligations owed to Affiliates of the Carrying FCM Clearing Member by an FCM Client, "obligations" shall consist only of those obligations that arise as a result of cross-margining, cross-netting or other similar arrangements with respect to the FCM ~~SwapClear~~ Contracts being transferred or the FCM Client's related collateral.

- (d) Upon request from the Clearing House, and in order to facilitate a transfer pursuant to FCM Regulation 98(b), the Carrying FCM Clearing Member shall notify the Clearing House of the Account Assets which are attributable to the transferring FCM Client and, along with the Receiving FCM Clearing Member, shall take such actions and provide such information in connection with the transfer as may be required under the FCM Procedures. In the event that the Carrying FCM Clearing

Member fails to notify the Clearing House of the Account Assets that are attributable to the relevant FCM Client, the Clearing House shall transfer such collateral as it deems appropriate and as set out in the FCM Procedures.

- (e) (i) By notifying the Clearing House of a request to accept a transfer of FCM ~~SwapClear~~ Contracts of an FCM Client, and the related Account Assets if applicable, pursuant to FCM Regulation 98(b) or 98(c), the Receiving FCM Clearing Member shall be deemed to have represented to the Clearing House that all of the conditions set forth herein and in the FCM Procedures to the transfer of the account of the FCM Client have been satisfied. Upon receipt of such transfer instructions, and provided that it does not determine, in its sole discretion, that the transfer cannot be effected under these FCM Regulations or the FCM Procedures, the Clearing House shall transfer the FCM ~~SwapClear~~ Contract(s) into the name of the Receiving FCM Clearing Member as agent for the relevant FCM Client.
- (ii) In the case where a transfer pursuant to FCM Regulation 98(b) will include the transfer of the related Account Assets in addition to the transfer of FCM ~~SwapClear~~ Contracts:
- (A) Upon completion of the transfer, the Account Assets deposited with or transferred to the Clearing House by the Carrying FCM Clearing Member and held by the Clearing House in respect of the FCM ~~SwapClear~~ Contracts that are being transferred shall, without limitation, be deemed to have been delivered by the Receiving FCM Clearing Member to the Clearing House and subject to the security interest granted by the Receiving FCM Clearing Member pursuant to FCM Regulation 109(n). Furthermore, and for the avoidance of doubt, the Carrying FCM Clearing Member shall have no right or entitlement to assert any claim over, or right with respect to, the Account Assets transferred.
- (B) The transfer of the FCM ~~SwapClear~~ Contracts and related Account Assets shall be deemed to occur simultaneously, and the transfer of the FCM ~~SwapClear~~ Contracts shall be conditioned on the transfer of the related Account Assets, and vice versa.
- (C) If the transfer of all such FCM ~~SwapClear~~ Contracts and related Account Assets is not completed for any reason, then any actual transfer of Account Assets or FCM ~~SwapClear~~ Contracts that has occurred, as the case may be, shall be deemed not to have occurred, and any actual transfer of Account Assets or FCM ~~SwapClear~~ Contracts that has occurred shall be immediately unwound.
- (f) Rights under an Open Contract shall not be capable of assignment by an FCM Clearing Member. Any such purported assignment by an FCM Clearing Member, or any purported transfer that is not in compliance with this FCM Regulation 9.8, shall be void.
- (g) If an FCM Clearing Member is a defaulter, the Clearing House shall take such actions, subject to and in accordance with the Default Rules ~~(including the SwapClear DMP Annex)~~, and as may be required by the CEA, CFTC Regulations and applicable bankruptcy laws regarding the liquidation or transfer of FCM

~~SwapClear~~ Contracts carried by such FCM Clearing Member on behalf of its FCM Clients. If possible under such applicable laws and regulations and the Default Rules, the Clearing House shall undertake to dispose of open FCM ~~SwapClear~~ Contracts held by FCM Clients of the defaulter in accordance with the instructions of such FCM Clients, either by liquidating such FCM ~~SwapClear~~ Contracts or by transferring such FCM ~~SwapClear~~ Contracts to the FCM Clearing Member designated by such FCM Clients; provided that the Clearing House shall at all times act in accordance with the Default Rules, the requirements of the CEA, CFTC Regulations and applicable bankruptcy laws regarding the liquidation or transfer of FCM ~~SwapClear~~ Contracts ~~and;~~ provided further, that the Clearing House shall have no responsibility or liability whatsoever for any action taken or not taken with respect to the accounts and FCM ~~SwapClear~~ Contracts of FCM Clients of the defaulter in accordance with such laws or regulations or the directions of any Regulatory Body or bankruptcy trustee. In the event that the Clearing House does not receive instructions from FCM Clients in a timely manner, or the Clearing House for any reason deems it necessary or appropriate for its protection, or the protection of market participants, the Clearing House may take any action with respect to the Open Contracts of FCM Clients of the defaulter that it determines to be appropriate in its sole discretion, which may include (i) as part of the SwapClear DMP, including an FCM SwapClear Contract in respect of FCM Client Business in an Auction Portfolio if determined to be appropriate by the Clearing House, provided that the relevant Auction Portfolio does not include any type of positions of the defaulting FCM Clearing Member other than FCM SwapClear Contracts in respect of FCM Client Business, and/or (ii) as part of the ForexClear DMP, including an FCM ForexClear Contract in respect of FCM Client Business in an Auction Portfolio if determined to be appropriate by the Clearing House, provided that the relevant Auction Portfolio does not include any type of positions of the defaulting FCM Clearing Member other than FCM ForexClear Contracts in respect of FCM Client Business. Risk Neutralisation in relation to such FCM SwapClear Contracts or ForexClear Contracts, as applicable, and the auction process in relation to an Auction Portfolio of such FCM SwapClear Contracts, or FCM ForexClear Contracts, as applicable, shall be conducted in accordance with the provisions of the SwapClear DMP Annex or the ForexClear DMP Annex, respectively.

- (h) If and to the extent permitted under the FCM Procedures, an FCM Clearing Member may transfer Open Contracts between its Proprietary Account and accounts of its FCM Clients, and vice versa, upon a client default or otherwise as permitted under and subject to applicable provisions of the CEA and CFTC Regulations regarding segregation of assets, and in accordance with the FCM Procedures.
- (i) Notwithstanding anything to the contrary in these FCM Regulations, in making any transfer of an FCM Client account (and the related FCM ~~SwapClear~~ Contracts and Account Assets) pursuant to this FCM Regulation 9,8, the Clearing House shall be authorized and entitled to rely conclusively on the instructions of and information provided by the relevant FCM Clearing Member(s), which shall be solely responsible for all such instructions and information, including ensuring that the transfer is properly authorized, and that the appropriate account, FCM ~~SwapClear~~ Contracts and Account Assets have been identified, and the Clearing House shall have no responsibility or liability therefor.

Regulation 9 ~~Regulation 10~~ Margin and Cover for Margin; Other Obligations

- (a) The Clearing House may in accordance with the FCM Procedures require an FCM Clearing Member to furnish it with cover, and to keep the Clearing House furnished with sufficient cover at all times, in an amount determined by the Clearing House in accordance with these FCM Regulations and the FCM Procedures, as security for the performance by such FCM Clearing Member of its obligations to the Clearing House in respect of all FCM-~~SwapClear~~ Contracts from time to time to be registered in its name as Open Contracts pursuant to these FCM Regulations. The obligation upon an FCM Clearing Member to furnish cover to the Clearing House pursuant to this paragraph shall be in addition to any other obligation of the FCM Clearing Member to furnish cover to the Clearing House pursuant to these FCM Regulations.
- (b) If insufficient monies are standing to the credit of an FCM Clearing Member's account, or if any security deposited by an FCM Clearing Member as cover is determined by the Clearing House in accordance with the FCM Procedures to be insufficient, such cover as the Clearing House requires an FCM Clearing Member to furnish to it pursuant to paragraph (a) above, FCM ~~Regulation 5~~ Regulations 30 or 40 or any other FCM Regulation shall be furnished by the FCM Clearing Member in such form and manner and by such time or times as may be prescribed by the FCM Procedures.
- (c) (i) The Clearing House shall be entitled to assume that all securities and other assets furnished or deposited by an FCM Clearing Member to or with the Clearing House as cover pursuant to these FCM Regulations or under the terms of any agreement made with the FCM Clearing Member are the sole legal and beneficial property of the FCM Clearing Member or are furnished or deposited for the purposes of these FCM Regulations with the legal and beneficial owner's unconditional consent and with the authority granted to the FCM Clearing Member to repledge such property to the Clearing House. An FCM Clearing Member may not furnish or deposit securities or other assets to or with the Clearing House as cover otherwise than in conformity to this paragraph. It shall be accepted by every person dealing on the terms of these FCM Regulations that an FCM Clearing Member has such person's unconditional consent to furnish or deposit to or with the Clearing House as cover for the purposes of these FCM Regulations any securities or other assets of such person in the FCM Clearing Member's possession.
- (ii) Each FCM Clearing Member represents and warrants to the Clearing House as at each date on which such FCM Clearing Member furnishes or deposits securities or other assets to or with the Clearing House as cover pursuant to these FCM Regulations (A) that such FCM Clearing Member is the sole legal and beneficial owner of those securities or other assets or, as the case may be, those securities or other assets are so furnished or deposited with the legal and beneficial owner's unconditional consent and with the authority granted to the FCM Clearing Member to repledge such property to the Clearing House, and (B) that the provision to the Clearing House of such securities or other assets pursuant to these FCM Regulations will not constitute or result in a breach of any trust, agreement or undertaking whatsoever.
- (iii) The Clearing House may, in its absolute discretion and at any time, require an FCM Clearing Member to furnish or deposit other securities or assets to or with the Clearing House in substitution of any securities or

assets deposited with the Clearing House pursuant to this FCM Regulation ~~10.9.~~9.

- (d) Notwithstanding paragraph (c) above, the Clearing House shall be entitled at its absolute discretion, without assigning any reason and without prior notice to an FCM Clearing Member, to modify the amount of Initial Margin applicable to an FCM ~~SwapClear~~ Contract or to call for larger or additional amounts of cover for Initial Margin to be furnished to it by an FCM Clearing Member, either before registration of a contract or at any time after registration. Any cover called by the Clearing House pursuant to this paragraph shall be furnished by the FCM Clearing Member on demand and in such form as the Clearing House may require.
- (e) The Clearing House shall be entitled at any time to demand immediate provision of cover from an FCM Clearing Member in an amount deemed necessary by the Clearing House without reference to Official Quotations or Reference Prices in respect of any Open Contract in the FCM Clearing Member's name, if, in the opinion of the Clearing House, the furnishing of such cover by the FCM Clearing Member is necessary in the circumstances then prevailing which may be affecting or may in the Clearing House's opinion be likely to affect market conditions or the FCM Clearing Member's performance of its obligations under the terms of such contracts or under the terms of any original or confirmed contract to which the member is party. In this paragraph, "immediate provision" means payment to the Clearing House within one hour of demand.
- (f) The Clearing House shall be entitled to make an accommodation charge at a rate determined by the Clearing House and specified in the FCM Procedures, in respect of any security furnished to it as cover in a form prescribed by the FCM Procedures. Any alteration in the basis of calculating the rates of accommodation charge shall become effective in respect of all current and future business by the time specified in the FCM Procedures.
- (g) Without prejudice to the requirements of paragraph (c) above or any other applicable requirements contained in the FCM Rulebook, the Clearing House may at its absolute discretion accept cover in an agreed amount and in a form other than those specified in the FCM Procedures, subject always to the Clearing House's prior assessment as to the appropriateness of such form of cover in accordance with its standard risk management procedures and with any special arrangements which the Clearing House may prescribe in each case (including as to valuation and haircut). The Clearing House may at its discretion make an accommodation charge at a special rate.

- (i) in the case where one Executing Party clears its side of such FCM SwapClear Transaction either through a Non-FCM Clearing Member or directly with the Clearing House in its capacity as a Non-FCM Clearing

Member, and the other Executing Party clears its side of such FCM SwapClear Transaction as or through an FCM Clearing Member, as one Non-FCM SwapClear Contract pursuant to the UK General Regulations applicable to Non-FCM Clearing Members and one FCM SwapClear Contract pursuant to these FCM Regulations, where the FCM SwapClear Contract shall be registered between the FCM Clearing Member, as the party paying Rate X, and the Clearing House as the party paying Rate Y, and the Non-FCM SwapClear Contract shall be registered between the Clearing House, as the party paying Rate X, and the Non-FCM Clearing Member, as the party paying Rate Y; or

(ii) in the case where each Executing Party will clear its respective side of such FCM SwapClear Transaction either through an FCM Clearing Member or directly itself as an FCM Clearing Member, as two FCM SwapClear Contracts pursuant to these FCM Regulations where each relevant FCM SwapClear Contract is registered between the relevant FCM Clearing Member and the Clearing House, with one such FCM Clearing Member as the party paying Rate X, and the Clearing House as the party paying Rate Y, and the other FCM Clearing Member as the party paying Rate Y and the Clearing House as the party paying Rate X.

(iii) In each of the foregoing cases in clauses (i) and (ii) above, to the extent the FCM SwapClear Contract has been entered into by an FCM Clearing Member on behalf of an FCM Client or Affiliate, each FCM Clearing Member will be the agent of its FCM Client or Affiliate, but will nevertheless remain fully liable to the Clearing House for any and all amounts due to the Clearing House in connection with any FCM SwapClear Contract cleared on behalf of its FCM Client or Affiliate.

(i) Effect of Registration of FCM SwapClear Transactions. With effect from the registration of an FCM SwapClear Transaction in accordance with FCM Regulation 30(i) above:

(1) Such FCM SwapClear Transaction shall be extinguished and replaced by the corresponding FCM SwapClear Contracts (or if applicable, the corresponding FCM SwapClear Contract and Non-FCM SwapClear Contract), and the parties to such FCM SwapClear Transaction shall be released and discharged from all rights and obligations under such FCM SwapClear Transaction which fall due for performance on or after the Registration Time.

(2) Each FCM SwapClear Contract registered under FCM Regulation 30(i) shall be governed by the FCM SwapClear Contract Terms as applicable to that FCM SwapClear Contract.

(3) Subject to sub-paragraph (2) above, in respect of the Economic Terms, an FCM Clearing Member paying (or clearing on behalf of a person paying) Rate X under an FCM SwapClear Transaction shall have the same rights against, and owe the same obligations to, the Clearing House under the corresponding FCM SwapClear Contract registered by it in respect of such FCM SwapClear Transaction; and

(4) Subject to sub-paragraph (2) above, in respect of the Economic Terms, an FCM Clearing Member paying (or clearing on behalf of a person paying) Rate Y under an FCM SwapClear Transaction shall

have the same rights against, and owe the same obligations to, the Clearing House under the corresponding FCM SwapClear Contract registered by it in respect of such FCM SwapClear Transaction.

In subsections (3) and (4) above, a reference to the “same” rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the Economic Terms of the corresponding FCM SwapClear Transaction (it being assumed, for this purpose, that such FCM SwapClear Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them, and subject to any change thereto as a result of the operation of the Standard Terms.

- (k) If an FCM SwapClear Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any FCM SwapClear Contract arising under this FCM Regulation 30 or any other applicable provision of the FCM Rulebook.
- (l) In the case of an FCM SwapClear Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this FCM Regulation 30 shall take effect.
- (m) An FCM Clearing Member may provide any of its approved FCM Clearing Services in connection with FCM SwapClear Contracts or FCM SwapClear Transactions to any of its Affiliates. Such FCM Clearing Services shall be provided in the same manner as set forth under these FCM Regulations with respect to FCM Clients, as applicable, except that all transactions for Affiliates shall be cleared through the Proprietary Account of the applicable FCM Clearing Member.
- (n) Compression. Notwithstanding any other provision of these FCM Regulations, if one or more FCM SwapClear Contracts registered by an FCM Clearing Member in accordance with these FCM Regulations and the FCM Procedures has substantially the same Economic Terms as one or more other FCM SwapClear Contracts previously registered for the account of such FCM Clearing Member, and all such FCM SwapClear Contracts are either (i) registered on the FCM Clearing Member’s own behalf, (ii) registered on behalf of the same FCM Client or (iii) registered on behalf of the same Affiliate, then, to the extent permitted in the FCM Procedures with respect to a category of FCM SwapClear Contract, the FCM Clearing Member may request that the Clearing House compress and combine all such FCM SwapClear Contracts by terminating the relevant existing FCM SwapClear Contracts and compressing them into one FCM SwapClear Contract reflecting the aggregate economic terms, or the net economic terms, as the case may be, of the original FCM SwapClear Contracts. For purposes of this FCM Regulation 30(n), two or more FCM SwapClear Contracts may be deemed by the Clearing House to have “substantially the same Economic Terms” if they are based on the same underlying currencies and the Clearing House considers them, in its sole discretion, to have substantially the same fundamental economic attributes which influence the amount, value date and direction of all coupon cash flows. Two or more FCM SwapClear Contracts that are compressed under the terms of this FCM Regulation 30(n) shall be aggregated if the position of the FCM

Clearing Member (on its own behalf) or the relevant FCM Client or Affiliate is in the same direction on each such FCM SwapClear Contract (i.e., obligations to make payment aggregated and rights to receive payment aggregated), such that the FCM SwapClear Contract that replaces the compressed FCM SwapClear Contracts shall have a notional amount equal to the total notional amount of the compressed FCM SwapClear Contracts. Two or more FCM SwapClear Contracts that are compressed under the terms of this Regulation 30(n) shall be netted if the position of the FCM Clearing Member (on its own behalf) or the relevant FCM Client or Affiliate is in the opposite direction on two or more of each such FCM SwapClear Contracts (i.e., obligations to make payment netted against rights to receive payment), such that the FCM SwapClear Contract (if any) that replaces the compressed FCM SwapClear Contracts shall have a notional amount equal to the net notional amount of the compressed FCM SwapClear Contracts and provided that in the event that the net notional amount is equal to zero such compression shall result in no replacement FCM SwapClear Contracts. The Clearing House shall determine (in its sole discretion) whether FCM SwapClear Contracts that are the subject of a request for compression from the FCM Clearing Member may be compressed and, if such FCM SwapClear Contracts are compressed, the Clearing House shall determine the resulting notional amount of the FCM SwapClear Contract(s) (if any) that replaces the compressed FCM SwapClear Contracts, and such determination shall be binding on the FCM Clearing Member, absent manifest error. It is a condition for compression of FCM SwapClear Contracts that the amount of cover that the Clearing House requires in respect of the original FCM SwapClear Contracts is equal to that which is required by the Clearing House in respect of the replacement FCM SwapClear Contract(s).

- (o) SwapClear Accounts. All FCM Omnibus OTC SC Client Accounts with LCH shall not be permitted to contain any FCM Contracts other than FCM SwapClear Contracts or associated cover and other payments and deliveries other than in connection with FCM SwapClear Contracts. Furthermore, the LCH OTC SwapClear Client Segregated Depository Account shall not contain any FCM Contracts other than FCM SwapClear Contracts or associated cover and other payments and deliveries other than in connection with FCM SwapClear Contracts.

Regulation 31 **Daily Marking to Market**

- (a) The Clearing House shall, in accordance with the FCM Procedures, in respect of each FCM SwapClear Contract in an FCM Clearing Member's name, mark each such Open Contract against the price determined by the Clearing House to be the current Settlement Price of such contract to be used for marking to market purposes.
- (b) The Clearing House shall, upon completion of the procedure set out in paragraph (a) above, calculate the daily mark-to-market amounts in accordance with the FCM Procedures and shall thereafter determine the status of the FCM Clearing Member's accounts.
- (c) For the avoidance of doubt, the completion of the calculation and settlement of daily marked-to-market amounts pursuant to paragraph (b) above by the Clearing House shall not affect the validity of any Open Contracts, which shall remain in effect as Open Contracts in all respects.
- (d) The net present value of each FCM SwapClear Contract shall be calculated by the Clearing House in accordance with paragraphs (a) and (b) of this FCM Regulation 31, in such manner and at such times as may be provided in the FCM Procedures. Except as prescribed in the FCM Procedures, the net present value calculated by the Clearing House may in no circumstances be called in question. The Clearing House shall, at least daily, receive payment from, or pay to, the FCM Clearing Member cash cover for Variation Margin, representing the change in the net present value of such FCM Clearing Member's portfolio of FCM SwapClear Contracts from the preceding Business Day, in accordance with the FCM Procedures.
- (e) Netting of Coupon Payments with respect to FCM SwapClear Contracts. In respect of a portfolio of FCM SwapClear Contracts and each payment date for Coupon Payments (in accordance with the FCM Procedures), the Clearing House shall net:
- (i) the sums which would otherwise have been payable by the FCM Clearing Member to the Clearing House as cash cover (in respect of Variation Margin) on such date and the Coupon Payments due on that date; and
 - (ii) the sums which would otherwise have been payable by the Clearing House to the FCM Clearing Member as cash cover (in respect of Variation Margin) on such date and the Coupon Payments due on that date.

and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party then the obligations of each party under this FCM Regulation 31 shall be automatically satisfied and discharged on payment by the applicable party of the excess. All netting in respect of a portfolio of FCM SwapClear Contracts shall be calculated separately with respect to FCM SwapClear Contracts held in an FCM Clearing Member's Proprietary Account and with respect to FCM SwapClear Contracts held on behalf of FCM Clients.

Regulation 32 The reset rate for, and the net present value of, an FCM SwapClear Contract

The Clearing House may determine the reset rate for, and the net present value of, an FCM SwapClear Contract for the purposes of these FCM Regulations and the FCM Procedures in such manner and at such times as may be prescribed in the FCM Procedures. Except as prescribed in the FCM Procedures, neither the reset rate nor the net present value determined by the Clearing House may in any circumstances be challenged.

Regulation 33 **Withdrawal of the FCM SwapClear Service by the Clearing House**

- (a) If at any time the Clearing House decides to withdraw the FCM SwapClear Service it shall give not less than six months' notice in accordance with the FCM Procedures to all FCM Clearing Members (approved to clear FCM SwapClear Contracts) of the applicable Withdrawal Date. The accidental omission by the Clearing House to give notice under this FCM Regulation 33 to, or the non-receipt of notice under this FCM Regulation 33 by, one or more FCM Clearing Members shall not invalidate the Withdrawal Date.
- (b) Without prejudice to its rights under the Default Rules, the Clearing House will not, other than pursuant to action under the Default Rules or pursuant to the entering of offsetting/compressing trades in accordance with FCM Regulation 30(n), register an FCM SwapClear Contract (other than a Closing-out Contract) after notice to withdraw the applicable service(s) has been given under FCM Regulation 33(a).
- (c) If, with respect to FCM SwapClear Clearing Services, at the Withdrawal Date an FCM Clearing Member or Non-FCM Clearing Member has not closed out all of the applicable open FCM SwapClear Contracts registered in its name, the Clearing House may, in its sole discretion:
- (i) liquidate any or all of such FCM SwapClear Contracts and require such FCM SwapClear Contracts to be cash settled at a price determined by the Clearing House; or
 - (ii) postpone the Withdrawal Date until such time as the Clearing House determines.

PART III – REGULATIONS APPLICABLE TO FCM FOREXCLEAR CONTRACTS**Regulation 40 Registration of FCM ForexClear Contracts; ForexClear Accounts**

- (a) In order for an FCM to submit an FCM ForexClear Transaction for registration as an FCM ForexClear Contract, the FCM must be currently approved as an FCM Clearing Member pursuant to these FCM Regulations. The Executing Parties to such FCM ForexClear Transaction shall be responsible for any give-up or other agreement mutually agreed to among the parties with respect to such transactions, as applicable. An FCM Clearing Member must submit the particulars of an FCM ForexClear Transaction for registration as an FCM ForexClear Contract in accordance with the FCM Rulebook. Each FCM ForexClear Transaction involving an FCM Client shall be presented to the Clearing House for registration on behalf of such FCM Client by its FCM Clearing Member. It is a condition for registration as an FCM ForexClear Contract that both sides of the underlying FCM ForexClear Transaction be presented for clearing (as one FCM ForexClear Contract and one Non-FCM ForexClear Contract, or as two FCM ForexClear Contracts, as the case may be).
- (b) Where an Executing Party enters into an FCM ForexClear Transaction on an FCM Approved Trade Source and such FCM ForexClear Transaction is to be cleared through an FCM Clearing Member, the Clearing House shall notify the FCM Clearing Member of such FCM ForexClear Transaction and request acceptance for registration in accordance with the FCM Procedures. Upon receipt of acceptance for registration by the Clearing House from the FCM Clearing Member, (i) the FCM Clearing Member shall be deemed to have presented the FCM ForexClear Transaction to the Clearing House (and such presentation may not be withdrawn by the FCM Clearing Member unless otherwise provided in the FCM Rulebook) and the Clearing House shall register the FCM ForexClear Transaction subject to, and in accordance, with these FCM Regulations and the FCM Procedures and (ii) such FCM Clearing Member shall be obligated to pay, upon request of the Clearing House, all cover required by the Clearing House in connection with the registration of the FCM ForexClear Transaction.
- (c) Without prejudice to the Clearing House's rights under paragraph (f) of this FCM Regulation 40, an FCM Clearing Member shall be bound by an FCM ForexClear Contract registered in its name on behalf of an FCM Client or an Affiliate pursuant to the presentation of particulars of an FCM ForexClear Transaction by it, and by the other FCM Clearing Member or Non-FCM Clearing Member, as applicable.
- (d) Without prejudice to the Clearing House's rights under paragraph (f) of this FCM Regulation 40, an FCM ForexClear Transaction, particulars of which are submitted for registration as an FCM ForexClear Contract, must meet the eligibility criteria prescribed in these FCM Regulations and the FCM Procedures at the time the particulars of the FCM ForexClear Transaction are presented to the Clearing House and must continue to meet such criteria at the Registration Time in order to be registered as an FCM ForexClear Contract, at which time the FCM ForexClear Contracts (or the FCM ForexClear Contract and the Non-FCM ForexClear Contract, as the case may be) shall replace and supersede such corresponding FCM ForexClear Transaction.
- (e) The Clearing House shall be deemed to register an FCM ForexClear Contract, in accordance with this FCM Regulation 40 in the name of an FCM Clearing Member on behalf of an FCM Client or an Affiliate (or, if applicable, on the FCM Clearing Member's own behalf), at the Registration Time. At the Registration Time, the

FCM Clearing Member, and the FCM Client or Affiliate if applicable, will be deemed to be bound by the relevant FCM ForexClear Contract on the terms entered into between the FCM Clearing Member and the Clearing House automatically and without any further action by such FCM Clearing Member or FCM Client or Affiliate, which such terms shall, without limitation, incorporate all applicable terms of these FCM Regulations and Schedule B hereto.

(f) Ineligible Registered FCM ForexClear Transactions.

(i) If at any time after registration of an FCM ForexClear Contract, the Clearing House determines that the corresponding FCM ForexClear Transaction of which details were submitted for registration did not, at the Registration Time, meet the eligibility criteria for registration as an FCM ForexClear Contract pursuant to the FCM Rulebook in existence at the Registration Time (such an FCM ForexClear Transaction, an “Ineligible FCM ForexClear Transaction”), the Clearing House shall, as soon as practicable thereafter set aside such FCM ForexClear Contracts (or the FCM ForexClear Contract and the Non-FCM ForexClear Contract, as the case may be).

(ii) Ineligible FCM ForexClear Transactions. Upon an FCM ForexClear Contract being set aside under subsection (i) above (such set aside contract, an “Ineligible FCM ForexClear Contract”), the Clearing House will notify the FCM Clearing Member party to such Ineligible FCM ForexClear Contract via the ForexClear Matcher that such Ineligible FCM ForexClear Contract has been set aside. The following shall take effect immediately upon the delivery of such notice: (A) such Ineligible FCM ForexClear Contract shall be deemed to be terminated at the time of the notification and shall thereafter have no force or effect; (B) all Variation Margin (if any) paid by the Clearing House or by an FCM Clearing Member in respect of such Ineligible FCM ForexClear Contract shall be retained by the receiving party upon termination; (C) where there is a difference between the value of the Ineligible FCM ForexClear Contract as at the last margin run and the value (as determined by the Clearing House) of that Ineligible FCM ForexClear Contract at the time of the next official settlement rate for the relevant currency pair, then a payment shall be made between the FCM Clearing Members (or one FCM Clearing Member and one Non-FCM Clearing Member, as the case may be) to the original Ineligible FCM ForexClear Transaction equal to such difference; and (D) these payments shall be deemed to satisfy in full the relevant party’s obligations under the Ineligible FCM ForexClear Contract and shall be retained by the receiving party upon termination in accordance with clause (A) of this paragraph as a termination payment.

The Clearing House may not determine an FCM ForexClear Transaction to be an Ineligible FCM ForexClear Transaction after the Valuation Date (as defined in Part A of Schedule B to these FCM Regulations) in respect of the FCM ForexClear Contracts arising from the registration of such FCM ForexClear Transaction has occurred.

The Clearing House shall provide no less than 10 business days’ prior notice (including by email) to FCM Clearing Members providing FCM ForexClear Clearing Services of an amendment to the eligibility criteria for the registration of FCM ForexClear Contracts.

- (iii) Without prejudice to FCM Regulation 24 and its obligations under this FCM Regulation 40, the Clearing House (and each other member of the LCH.Clearent Group and their respective officers, employees and agents) shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of an FCM ForexClear Contract in respect of a transaction which did not meet the eligibility criteria at the Registration Time to enable it to be registered as an FCM ForexClear Contract.
- (g) Where the FCM Procedures so provide, the Clearing House may require the FCM Clearing Members in whose names one or more FCM ForexClear Transactions are to be registered to furnish it with cover as a condition of registration of such FCM Transaction(s), and such cover shall be furnished to the Clearing House in accordance with FCM Regulation 9 and such other applicable provisions in the FCM Rulebook.
- (h) The Clearing House may decline to register an FCM ForexClear Transaction in the name of an FCM Clearing Member where it considers such action advisable for its own protection or the protection of the relevant market; provided, that the Clearing House shall (subject to the provisions of the FCM Rulebook) register any FCM ForexClear Contract which reduces the risk exposure of the Clearing House and the applicable FCM Clearing Member, as determined in the discretion of the Clearing House. The Clearing House may, without assigning any reason, make the registration of any FCM Transaction subject to any conditions stipulated by the Clearing House including, without limitation, the furnishing of additional cover by any FCM Clearing Member in whose name any such FCM ForexClear Transaction is to be registered.
- (i) Registration of FCM ForexClear Transactions. An FCM ForexClear Transaction presented for registration to, and accepted by, the Clearing House shall be registered by the Clearing House in one of the following ways:
- (i) in the case where one Executing Party clears its side of such FCM ForexClear Transaction either through a Non-FCM Clearing Member or directly with the Clearing House in its capacity as a Non-FCM Clearing Member, and the other Executing Party clears its side of such FCM ForexClear Transaction as or through an FCM Clearing Member, as one Non-FCM ForexClear Contract pursuant to the UK General Regulations applicable to Non-FCM Clearing Members and one FCM ForexClear Contract pursuant to these FCM Regulations, where (i) the FCM ForexClear Contract shall be registered between the FCM Clearing Member as the Reference Currency Buyer and the Clearing House as the Reference Currency Seller (or vice versa as applicable), and (ii) the Non-FCM ForexClear Contract shall be registered between the Clearing House as the Reference Currency Buyer and the Non-FCM Clearing Member as the Reference Currency Seller (or vice versa as applicable);
or
- (ii) in the case where each Executing Party will clear its respective side of such FCM ForexClear Transaction either through an FCM Clearing Member or directly itself as an FCM Clearing Member, as two FCM ForexClear Contracts pursuant to these FCM Regulations where each relevant FCM ForexClear Contract is registered between the relevant FCM Clearing Member and the Clearing House, with one such FCM Clearing Member as the Reference Currency Buyer, and the Clearing

House as the Reference Currency Seller, and the other FCM Clearing Member as the Reference Currency Seller and the Clearing House as the Reference Currency Buyer.

- (iii) In each of the foregoing cases in clauses (i) and (ii) above, to the extent the FCM ForexClear Contract has been entered into by an FCM Clearing Member on behalf of an FCM Client or Affiliate, each FCM Clearing Member will be the agent of its FCM Client or Affiliate, but will nevertheless remain fully liable to the Clearing House for any and all amounts due to the Clearing House in connection with any FCM ForexClear Contract cleared on behalf of its FCM Client or Affiliate.
- (j) Effect of Registration of FCM ForexClear Transactions. With effect from the registration of an FCM ForexClear Transaction in accordance with FCM Regulation 40(i):
- (i) Such FCM ForexClear Transaction shall be extinguished and replaced by the corresponding FCM ForexClear Contracts (or if applicable, the corresponding FCM ForexClear Contract and Non-FCM ForexClear Contract), and the parties to such FCM ForexClear Transaction shall be released and discharged from all rights and obligations under such FCM ForexClear Transaction which fall due for performance on or after the Registration Time.
- (ii) Each FCM ForexClear Contract registered under FCM Regulation 40(i) shall be governed by the FCM ForexClear Contract Terms as applicable to that FCM ForexClear Contract.
- (iii) Subject to sub-paragraph (ii) above, in respect of the Economic Terms, an FCM Clearing Member (or clearing on behalf of a person) that is the Reference Currency Buyer under an FCM ForexClear Transaction shall have the same rights against, and owe the same obligations to, the Clearing House under the corresponding FCM ForexClear Contract registered by it in respect of such FCM ForexClear Transaction; and
- (iv) Subject to sub-paragraph (ii) above, in respect of the Economic Terms, an FCM Clearing Member (or clearing on behalf of a person) that is the Reference Currency Seller under an FCM ForexClear Transaction shall have the same rights against, and owe the same obligations to, the Clearing House under the corresponding FCM ForexClear Contract registered by it in respect of such FCM ForexClear Transaction.
- In subsections (iii) and (iv) above, a reference to the “same” rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the Economic Terms of the corresponding FCM ForexClear Transaction (it being assumed, for this purpose, that such FCM ForexClear Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them, and subject to any change thereto as a result of the operation of the Standard Terms.
- (k) If an FCM ForexClear Transaction is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing

House for registration that revocation, avoidance or invalidity shall not affect any FCM ForexClear Contract arising under this FCM Regulation 40 or any other applicable provision of the FCM Rulebook.

- (l) In the case of an FCM ForexClear Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this FCM Regulation 40 shall take effect.
- (m) An FCM Clearing Member may provide any of its approved FCM Clearing Services in connection with FCM ForexClear Contracts or FCM ForexClear Transactions to any of its Affiliates. Such FCM Clearing Services shall be provided in the same manner as set forth under these FCM Regulations with respect to FCM Clients, as applicable, except that all transactions for Affiliates shall be cleared through the Proprietary Account of the applicable FCM Clearing Member.
- (n) ForexClear Accounts. All FCM Omnibus OTC FX Client Accounts with LCH shall not be permitted to contain any FCM Contracts other than FCM ForexClear Contracts or associated cover and other payments and deliveries other than in connection with FCM ForexClear Contracts. Furthermore, the LCH OTC FX Client Segregated Depository Account shall not contain any FCM Contracts other than FCM ForexClear Contracts or associated cover and other payments and deliveries other than in connection with FCM ForexClear Contracts.

Regulation 41 Cancellation of FCM ForexClear Contracts

- (a) An FCM Clearing Member may, in accordance with this FCM Regulation 41 and the FCM Procedures, cancel an FCM ForexClear Contract to which it is a party.
- (b) The Clearing House shall have no obligation to inform, notify or seek the consent of any FCM Clearing Member (or Non-FCM Clearing Member) prior to cancelling an FCM ForexClear Contract in accordance with this FCM Regulation 41.
- (c) The cancellation of an FCM ForexClear Contract to which an FCM Clearing Member is a party (referred to in this FCM Regulation 41 as the "First ForexClear Contract") is contingent upon, *inter alia*, the cancellation of the corresponding FCM ForexClear Contract (or Non-FCM ForexClear Contract, if applicable) that arose from the same underlying FCM ForexClear Transaction (referred to in this FCM Regulation 41 as the "Second ForexClear Contract"), and vice versa.
- (d) The date and time of the cancellation of an FCM ForexClear Contract shall be as reported by the Clearing House in accordance with the FCM Procedures and shall be binding on FCM Clearing Members (and Non-FCM Clearing Members, as applicable).
- (e) The Clearing House may decline to cancel an FCM ForexClear Contract if:
- (i) in the opinion of the Clearing House acting in its sole discretion, the cancellation of that FCM ForexClear Contract is not consistent with the FCM Rulebook (and if applicable the UK General Regulations) and any policies of the clearing house concerning risk management; or
 - (ii) there is insufficient margin standing to the credit of an FCM Clearing Member's account to accommodate the cancellation of the First ForexClear Contract and/or the Second ForexClear Contract.
- (f) With effect from the time of the cancellation of an FCM ForexClear Contract in accordance with this FCM Regulation 41, neither the FCM Clearing Member nor the Clearing House shall have any obligations under the terms of that FCM ForexClear Contract and liability in respect thereof.

A

Regulation 42 **Variation Margin**

- (a) The Clearing House shall, at least daily and in accordance with and at the times stated in the Procedures, pay to, or require payment from, an FCM Clearing Member cash cover for variation margin in respect of any FCM ForexClear Contracts registered on behalf of such FCM Clearing Member. The amount paid represents the change from the preceding business day in the net present value of all FCM ForexClear Contracts registered in such FCM Clearing Member's name.
- (b) The net present value of each FCM ForexClear Contract shall be calculated by the Clearing House in such manner and at such times as may be provided in the Procedures. Except as prescribed in the Procedures, the net present value calculated by the Clearing House may in no circumstances be challenged.
- (c) The Clearing House pays to (or receives from) each applicable FCM Clearing Member interest on cash cover received (or paid) by the Clearing House, calculated in accordance with the Procedures, in respect of open FCM ForexClear Contracts.
- (d) All payments by an FCM ForexClear Clearing Member made pursuant to this FCM Regulation 42 to the Clearing House shall be reflected in the relevant FCM Omnibus OTC FX Client Account with LCH.
- (e) This FCM Regulation 42 is without prejudice to the Clearing House's right to require cover to be provided to it under FCM Regulation 9.

Regulation 43 Withdrawal of the FCM ForexClear Service by the Clearing House

- (a) If at any time the Clearing House decides to withdraw the FCM ForexClear Service it shall give not less than six months' notice in accordance with the FCM Procedures to all FCM Clearing Members (approved to clear FCM ForexClear Contracts) of the applicable Withdrawal Date. The accidental omission by the Clearing House to give notice under this FCM Regulation 43 to, or the non-receipt of notice under this FCM Regulation 43 by, one or more FCM Clearing Members shall not invalidate the Withdrawal Date.
- (b) Without prejudice to its rights under the Default Rules, the Clearing House will not, other than pursuant to action under the Default Rules, register an FCM ForexClear Contract (other than a Closing-out Contract) after notice to withdraw the applicable service(s) has been given under FCM Regulation 43(a).
- (c) If, five Business days prior to the Withdrawal Date, an FCM Clearing Member or Non-FCM Clearing Member has not closed out all of the applicable open FCM ForexClear Contracts registered in its name, the Clearing House may, in its sole discretion and upon five Business Days' notice to the FCM Clearing Members providing FCM ForexClear Clearing Services:
- (i) liquidate any or all of such FCM ForexClear Contracts and require such FCM ForexClear Contracts to be cash settled at a price determined by the Clearing House; or
 - (ii) postpone the Withdrawal Date until such time as the Clearing House determines.

FCM SwapClear Contract Terms

The terms of a registered FCM SwapClear Contract shall include these FCM SwapClear Contract Terms which shall comprise:

In the event of any inconsistency between the Economic Terms and the Standard Terms, the Standard Terms will prevail.

Subject to the FCM Regulations and the FCM Procedures, the Clearing House will use the FCM SwapClear Contract Terms applicable to an FCM SwapClear Contract to calculate the amounts due under the FCM SwapClear Contract to, or from, the Clearing House in accordance with the FCM Procedures.

1. Interpretation

1.1 ~~4.1.~~ “ISDA 2000 Definitions” means the 2000 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. (“ISDA”), and the same are incorporated by reference herein and “ISDA 2006 Definitions” means the 2006 ISDA Definitions as published by ISDA, and the same are incorporated by reference herein.

For the avoidance of doubt where the FCM SwapClear Contract identifies the ISDA 2000 Definitions as being applicable to that FCM SwapClear Contract then those definitions will apply and where the FCM SwapClear Contract identifies the ISDA 2006 Definitions as being applicable to that FCM SwapClear Contract then those definitions will apply.

1.3 ~~4.3.~~ In the event of an inconsistency between the FCM Regulations and the FCM Procedures and either the ISDA 2000 Definitions or the ISDA 2006 Definitions, the FCM Regulations and FCM Procedures will prevail.

- (a) in relation to any amendments to either the ISDA 2000 Definitions and the ISDA 2006 Definitions, the Clearing House may from time to time, by notice delivered to the FCM Clearing Members and the SwapClear Clearing Members, give directions as to whether such amendment shall apply to FCM SwapClear Contracts with immediate effect or with such deferred effect as the Clearing House shall determine;
- (b) any such notice may provide that the amendment to the ISDA 2000 Definitions and the ISDA 2006 Definitions may take effect so as to apply to FCM SwapClear Contracts registered in an FCM Clearing Member's name at the time such amendment comes into effect if the Clearing House so determines;
- (c) the accidental omission to give notice under this provision to, or the non-receipt of notice under this provision by, an FCM Clearing Member or a SwapClear Clearing Member shall not invalidate the amendment with which the notice is concerned.

The Business Day Convention specified in the Economic Terms must be one of the following:

Following (see Article 4.12 (i) of the ISDA 2000 Definitions and Article 4.12 (i) of the ISDA 2006 Definitions for definition)

Clearing House: FCM Regulations

Modified Following (see Article 4.12 (ii) of the ISDA 2000 Definitions and Article 4.12(ii) of the ISDA 2006 Definitions for definition)

Preceding (see Article 4.12 (iii) of the ISDA 2000 Definitions and Article 4.12 (iii) of the ISDA 2006 Definitions for definition)

For vanilla interest rate swaps with constant notional principal SwapClear does not support trades where a different business day convention is used for:

- (i) fixed period end dates and the termination date
- (ii) float period end dates and the termination date
- (c) Minimum and Maximum Residual Term of the Trade (Termination date – Today)

Trades in respect of vanilla interest rate swaps with constant notional principal and variable notional swaps are subject to a minimum and maximum Residual Term on the day they are received by SwapClear.

Minimum Residual Term of trade:

Termination date - Today \geq 1 + currency settlement lag

where currency settlement lag is:

2 days for JPY, CHF, AUD, DKK, HKD, NZD, SEK, NOK, PLN, ZAR, SAD, HUF & CZK denominated trades

For vanilla interest rate swaps with constant notional principal and variable notional swaps the Clearing House will only accept non-standard Calculation Periods (“stub periods”) at either the start or end of the contract. Transactions with stub periods at both the start and end of the transaction will not be eligible as FCM SwapClear Transactions.

For variable notional swaps the stub rate should be detailed either as a percentage (i.e. 5.5%), an interpolation (i.e. 1 month/3months) or as a designated maturity (i.e. 1 month). Stub Rates within the Final Stub are calculated via interpolation or as a designated maturity.

Clearing House: FCM Regulations

For interpolated coupons, payment dates must fall between the rolled dates, according to the Modified Following business day convention, of the specified designated maturities. Where this does not occur and extrapolation would be required, SwapClear will reject the trade.

The minimum stub period of a variable notional swap accepted by SwapClear is 1 + Currency Settlement Lag. The minimum stub rate tenor must be ≥ 1 week for IRS and basis swap and ≥ 1 month for zero coupon swaps.

SwapClear also calculates floating periods subject to 'IMM settlement dates as per ISDA definitions.

- 1.4 References in the ISDA Definitions to an “FX Transaction” shall be deemed to be references to an “FCM ForexClear Transaction” for the purposes of the FCM ForexClear Service.
- 1.5 Except where expressly stated otherwise, all reference to “Sections” means Sections in the ISDA Definitions.
- 1.6 In relation to any amendment to the ISDA Definitions published from time to time by ISDA, EMTA and FXC, the Clearing House may from time to time, by notice delivered to the FCM ForexClear Clearing Members, give directions as to whether such amendment shall apply to FCM ForexClear Contracts with immediate effect or

with such deferred effect as the Clearing House shall determine (provided that in any event any such amendment shall only apply in relation to FCM ForexClear Contracts that have a Trade Date that falls on or after the effective date of such amendment).

1.7 Any such notice may provide that despite the application of any such amendment to the ISDA Definitions to FCM ForexClear Contracts going forward, these FCM ForexClear Contracts shall continue, for the purpose of margining, valuation, set-off or otherwise, to be regarded as fully fungible with FCM ForexClear Contracts registered in a FCM ForexClear Clearing Member's name prior to the time such amendment comes into effect.

1.8 The accidental omission to give notice under this provision to, or the non-receipt of notice under 1.6 or 1.7 above by, any FCM ForexClear Clearing Member shall not invalidate the amendment with which the notice is concerned.

2. Economic Terms

2.1 The Economic Terms of an FCM ForexClear Contract shall be derived from the information presented to the Clearing House by the parties to the corresponding FCM ForexClear Transaction.

2.2 The particulars of an FCM ForexClear Transaction presented to the Clearing House must include matched information in respect of the following Economic Terms which are not predetermined in the EMTA Templates:

- (1) Trade Date (Section 1.25)
- (2) Forward Rate (Section 2.1(a))

(1) Date of Annex A (Section 4.2):

Annex A to the ISDA Definitions is incorporated as amended as at the Trade Date.

(2) Reference Currency (Section 1.19):

To be determined by using the EMTA Template appropriate to the particular Currency Pair.

Calculation Agent (Section 1.3):

(3) The Clearing House is the Calculation Agent.

3.4 If the terms of an EMTA Template conflict with these FCM ForexClear Contract Terms, these FCM ForexClear Contract Terms shall prevail. If the terms of an EMTA Template conflict with the ISDA Definitions, the terms of the EMTA Template shall prevail.

4. General Standard Terms (“General Standard Terms”)

The following terms are designated as General Standard Terms of a registered FCM ForexClear Contract:

4.1 Business Days

For the purposes of determining the Settlement Date only, in addition to the Business Days for the Principal Financial Centers for the Currency Pair specified in the relevant Economic Terms, the Business Days specified in the SwapsMonitor Financial Calendar as published by Swaps Monitor Publications, Inc. (as further detailed in the FCM Procedures) from time to time, will apply to an FCM ForexClear Contract.

4.2 Withholding Tax Provisions

4.2.1 All payments due under an FCM ForexClear Contract shall be made by the FCM ForexClear Clearing Member free and clear and without deduction or withholding for or on account of any tax. Payments in respect of which such deduction or withholding is required to be made, by the FCM ForexClear Clearing Member, shall be increased to the extent necessary to ensure that, after the making of the required deduction or withholding, the Clearing House receives and retains (free from any liability in respect of such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.

4.2.2 All payments due under an FCM ForexClear Contract shall be made by the Clearing House free and clear and without deduction or withholding for or on account of any tax. Payments in respect of which such deduction or withholding is required to be made, by the Clearing House, shall be increased to the extent necessary to ensure that, after the making of the required deduction or withholding, the FCM ForexClear Clearing Member receives and retains (free from any liability in respect of such deduction or withholding) a net sum equal to the sum which it would have received and so retained had no such deduction or withholding been made or required to be made.

4.3 Payment of Stamp Tax

Each FCM ForexClear Clearing Member will pay any Stamp Tax or duty levied or imposed upon it in respect of any FCM ForexClear Contract to which it is a party by a jurisdiction in which it is incorporated, organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting is located or by any other jurisdiction, and will indemnify the Clearing House against any stamp tax or duty levied or imposed upon the Clearing House by any such jurisdiction in respect of any FCM ForexClear Contract registered by the Clearing House and to which that FCM ForexClear Clearing Member is a party.

4.4 Payments under an FCM ForexClear Contract

Payments under, and in respect of, an FCM ForexClear Contract shall be calculated by the Clearing House and shall be made by, or to, the FCM ForexClear Clearing Member in accordance with the provisions of the FCM Procedures.

4.5 FCM Regulations

An FCM ForexClear Contract shall be subject to the FCM Regulations and the FCM Procedures, which shall form a part of its terms. In the event of any inconsistency between these FCM ForexClear Contract Terms and the FCM Regulations and/or the FCM Procedures, the FCM Regulations and the FCM Procedures will prevail.

4.6 Governing Law

Each FCM ForexClear Contract, and any non-contractual obligations arising out of or in connection with it, shall be governed by and construed in accordance with the laws of the State of New York in the United States of America without regard to principles of conflicts of laws and the parties hereby irrevocably agree for the benefit of the Clearing House that (i) the courts of the State of New York, Borough of Manhattan in the United States of Americas, (ii) the United States District Court for the Southern District of New York, or (iii) the courts of England and Wales shall have exclusive jurisdiction to hear and determine any action or dispute which may arise herefrom. The FCM ForexClear Clearing Member party hereto irrevocably submits to such jurisdiction and agrees to waive any objection it might otherwise have to such jurisdiction, save that this submission to the exclusivie jurisdiction of the courts of the State of New York, Borough of Manhattan in the Untied States of Americas, the United states District Court for the Southern District of New York or the courts of England and Wales shall not (and shall not be construed so as to) limit the right of the Clearing House to take proceedings in any other court of competent jurisdiction, nor shall the taking of action in one or more jurisdictions preclude the Clearing House from taking action in any other jurisdiction, whether concurrently or not.

4.7 Third Party Rights

A person who is not a party to this FCM ForexClear Contract shall have no rights under or in respect of it. Rights of third parties to enforce any terms of this FCM ForexClear Contract are expressly excluded.

FCM PROCEDURES

Except where the context otherwise requires, defined terms used herein have the meaning ascribed to them in the FCM Regulations or in other portions of the FCM Rulebook.

1. FCM CLEARING MEMBER STATUS

1.1 FCM Clearing Member Application Procedure

- (a) Application Procedure: An application for FCM Clearing Member status of the Clearing House must be made on the appropriate form which can be obtained from the Clearing House's Membership Department. Additional information (including legal documents) must be supplied where required and submitted to the Clearing House with the completed form.

Applicants approved by the Clearing House for FCM Clearing Member status ("**Approved Applicants**") must, within three months of notification of their approval as an applicant, fulfil all conditions attached to their approval. -If an Approved Applicant does not fulfil all such conditions within these three months, the Clearing House may, at its sole discretion, require that an Approved Applicant re-apply for FCM Clearing Member status.

Approved Applicants will become FCM Clearing Members with the right to clear ~~FCM-SwapClear Contracts~~one or more categories of FCM Contracts. Separate approval from the Clearing House is required in order to clear each Business Category of FCM Contract. Existing FCM Clearing Members may apply to clear additional Business Categories of FCM Contract that they do not currently clear. Please note that FCM Clearing Member status does not provide membership of the company LCH.Clearnet Limited or any right to a shareholding therein, nor does it provide the right to any shareholding in LCH.Clearnet Group Limited or any entitlement or right to participate in any way in LCH.Clearnet SA or the clearing services it offers. -LCH.Clearnet SA has its own arrangements and admission criteria for Clearing Member status – see the LCH.Clearnet SA sections of the LCH.Clearnet website for further details.

- (b) FCM Clearing Member Status: The terms and conditions binding on each FCM Clearing Member are set out in the FCM Rulebook (which includes these FCM Procedures), the FCM Clearing Membership Agreement, the FCM Default Management Process Agreement and the FCM Default Fund Agreement, each as amended from time to time. -Two copies of the FCM Clearing Membership Agreement and the FCM Default Fund Agreement will be provided to the applicant who must sign both copies of each (but not date them) and return them to the Clearing House's Membership Department along with the application documentation.

The applicant must pay the stipulated application fee to the Clearing House. This fee must accompany the application for FCM Clearing Member status and is non-refundable.

If and when FCM Clearing Member status is granted, new FCM Clearing Members will receive a duly executed (and dated) copy of the FCM Clearing Membership Agreement and the FCM Default Fund Agreement together with the notification of acceptance and details of any condition(s) attached to FCM Clearing Member status. -If granted, FCM Clearing Member status is subject

to a Contribution to the Default Fund of the Clearing House (DF), as determined by the Clearing House under the Default Fund Rules.

- (c) Conditions of Application: An applicant for FCM Clearing Member status must accept that the Clearing House:
- (i) is entitled to make enquiries of any nature about the applicant and any person connected or associated with the applicant;
 - (ii) is entitled to ask the applicant to supply additional information and take whatever steps are necessary to verify information;
 - (iii) is entitled to provide and/or disclose information to an exchange, governmental department, regulatory organization, other authority, or to the Clearing ~~House's~~House's insurers in connection with any form of insurance, or to any person pursuant to the provisions of the CEA, any rules made thereunder, or in accordance with any other statutory requirement, and in accordance with the terms of the FCM Clearing Membership Agreement;
 - (iv) may disclose to any other party the name, address, registered number and details of any exchange or clearing memberships held or applied for; and
 - (v) will endeavour to process, consider and decide upon an application in a timely fashion, but owes no duty or obligation to the applicant to do so.

General

An applicant must, in accordance with the FCM Regulations satisfy the criteria set out in the FCM Regulations and these FCM Procedures in order to be considered for FCM Clearing Member status. –These requirements are without prejudice to the provisions of the FCM Clearing Membership Agreement and the FCM Default Fund Agreement which must be executed by the applicant, and must equally be met by FCM Clearing Members.

The Clearing House may, in its sole discretion, refuse an application for membership where it considers it appropriate to do so in accordance with its internal risk management policies and procedures as amended from time to time.

The applicant and those of its staff who exercise an executive or managerial role, must have a high standard of integrity and a level of knowledge, as determined by and acceptable to the Clearing House, of the nature, risks and obligations of trading in the market they wish to clear.

The applicant must satisfy the minimum Net Capital requirements, as set out in the FCM Regulations or such greater amounts as may be required by the Clearing House.

The applicant must open Protected Payments System (PPS) bank account(s) at one or more of the bank branches participating in the PPS system:

- (i) in London in each currency including in US dollars and GBP;

(ii) in the USA in US dollars,

and must execute all necessary PPS mandates for House and Client accounts.

The applicant must maintain a back office:

(i) remote from the trading desk;

(ii) with adequate systems (including but not limited to computer and communications systems) and records;

(iii) with an adequate number of administrative staff fully conversant with procedures for the management of business transacted in the contracts cleared by the Clearing House in which the applicant participates; and

(iv) with such technology and connectivity as may be stipulated by the Clearing House.

Applicants for FCM Clearing Member status and FCM Clearing Members must at all times respond promptly to enquiries or requests for information made by the Clearing House. –Such enquiries may require FCM Clearing Members to demonstrate compliance with the applicable FCM clearing membership criteria and/or applicable laws and regulations.

- (d) Termination of FCM Clearing Member Status: In the event that an FCM Clearing Member wishes to terminate its FCM Clearing Member status, it may do so by giving notice of not less than three months ahead of its proposed termination date. By the close of business on the termination date, the FCM Clearing Member shall ensure that all registered FCM ~~SwapClear~~ Contracts in its name have been closed-out or transferred so as to ensure that there are no Open Contracts to which it is party to at the termination date. A resigning FCM Clearing Member should note that any and all Executing Parties for which it clears FCM ~~SwapClear~~ Transactions will be required to find alternative clearing arrangements by this date or will be unable to enter into FCM ~~SwapClear~~ Transactions unless such Executing Party already has other clearing arrangements in place. For further information on the resignation process, FCM Clearing Members should contact the Clearing House's Membership Department.

If an FCM Clearing Member has not been active in a market for a continuous period of three months, it will be asked to confirm that they intend to utilize their FCM Clearing Member status and, failing a satisfactory response, they may be required to resign their FCM Clearing Member status.

FCM Clearing Members are required to notify promptly or pre-notify the Clearing House of any changes which may result in non-compliance with the FCM Clearing Member status criteria as stated in the FCM Regulations and these FCM Procedures.

1.2 **Net Capital**

1.2.1 **Net Capital Requirements**

FCM Clearing Members are required to maintain a minimum level of net capital as set out in the FCM Regulations.

1.2.2 **Additional Net Capital Requirements**

Additional resources will be required when, in the Clearing ~~House's~~House's assessment, an FCM Clearing ~~Member's~~Member's Net Capital is not commensurate with its level of business.

The Clearing House shall, on a daily basis, compare the market risk associated with each FCM Clearing Member's FCM ~~SwapClear~~ Contracts with their level of net capital as reported to the Clearing House in order to ascertain whether, in the Clearing House's opinion, such FCM Clearing Member is sufficiently capitalised to support the level of risk associated with the FCM ~~SwapClear~~ Contracts to which they are counterparty. In determining whether an FCM Clearing Member is sufficiently capitalised, the Clearing House may also consider:

1. the ratio of FCM ~~SwapClear~~ Contracts entered into on behalf of an FCM Client compared to those entered for its own account or that of an Affiliate;
2. the FCM Clearing Member's aggregate exposure to other clearing providers and other entities; and
3. the total amount of cover deposited with, transferred to or otherwise delivered to the Clearing House by the FCM Clearing Member.

~~(e)~~(b) if “Actual/365 (Fixed)” is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 365;

~~(e)~~(c) if “Actual/360” is specified, the actual number of days in the Calculation Period in respect of which payment is being made divided by 360;

~~(f)~~(d) if “30/360”, “360/360”, “Bond Basis”, “30E/360” or “Eurobond Basis” is specified the actual number of days in the Calculation Period in respect of which payment is being made will be determined in accordance with the following formula:

$$((Y2 - Y1) * 360) + ((M2 - M1) * 30) + (D2 - D1)$$

where D1, M1 and Y1 are the day, month and year respectively on which the period begins and D2, M2 and Y2 are the day, month and year respectively on which the period ends (coupon payment date).

if D1 is 31 amend it to 30,

if D2 is 31 amend it to 30 only if D1 is 30 or 31; or

~~(f)~~(ii) if “30E/360” or “Eurobond Basis” is specified the Clearing House will

if D1 is 31 then amend it to 30

if D2 is 31 then amend it to 30.

~~(g)~~(e) For Actual/Actual (ISMA): “The [Fixed/Floating] Amount will be calculated in accordance with Rule 251 of the statutes, by-laws, rules and recommendations of the International Securities Market Association, as published in April 1999, as applied to straight and convertible bonds issued after December 31, 1998, as though the [Fixed/Floating] Amount were the interest coupon on such a bond”.

Day count fractions will be applied to deal legs independently as they are communicated via the matched format message.

$$\text{Day Count Fraction} = \frac{((360 \times (Y2 - Y1)) + (30 \times (M2 - M1)) + (D2 - D1))}{360}$$

where:

“Y1” is the year, expressed as a number, in which the first day of the Calculation or Compounding Period falls;

$$\text{Day Count Fraction} = \frac{((360 \times (Y2 - Y1)) + (30 \times (M2 - M1)) + (D2 - D1))}{360}$$

where: “Y1” is the year, expressed as a number, in which the first day of the Calculation or Compounding Period falls;

Separate initial margin calculations are performed for an FCM Clearing Member’s house “H” and client “C” accounts.

The Clearing House reserves the right to require additional amounts of cover from a specific FCM Clearing Member or from all FCM Clearing Members in accordance with FCM Regulation ~~10.9~~ 9.

The PAIRS document and further information relating to Initial Margin calculations can -be obtained from the Rates team at +44 (020) 7426 6325 or +44 (020) 7426 7428.

Sometimes FCM Clearing Members wish to change their own trade reference numbers/codes by which they identify trades registered in the FCM SwapClear Service. -Subject to any such FCM Clearing Member meeting all the Clearing House's requirements including under these FCM Procedures, the Clearing House will, as part of its service to FCM Clearing Members, amend its records in order to reflect any such change. -Such change has no effect whatsoever on the terms of any registered FCM SwapClear Contract or any other obligations of the FCM Clearing Member party to such contract.

2A.14.1 **Trade Reference Amendment Request Form**

The Clearing House requires a completed Trade Amendment Request Form (in the form prescribed by the Clearing House) to be submitted by any FCM Clearing Member wishing to amend a trade reference. -The form must be signed by two persons from within the FCM Clearing Member with appropriate signing authority

and must set out the required full details of each registered trade in respect of which the FCM Clearing Member wishes to change its trade reference. -Evidence of such signing authority may be required by the Clearing House. -All parts of the form must be properly and fully completed, including the requested date for trade reference amendment, and, in respect of each trade identified therein, details of the current trade reference and the new trade reference and the Clearing House trade reference number.

The requested date for trade reference amendment must be no earlier than two Business Days (the "**Trade Reference Amendment Notice Period**") after the date upon which the form is received by the Clearing House. -While the Clearing House will do what it reasonably can to meet the requested date for the amendment it is under no obligation to do so. -The date for the amendment in the Clearing House's records and FCM SwapClear clearing system is a matter entirely within the discretion of the Clearing House and the FCM Clearing Member will be advised in due course of the date set by the Clearing House.

2A.14.2 Multi-trade Amendments

If an FCM Clearing Member requests amendment to several trades it must (in addition to providing the hard copy Trade Reference Amendment Request Form) provide to the Clearing House an electronic text file containing all the relevant details required by the Trade Reference Amendment Request Form. -Detail of the required formats of the file can be obtained from SwapClear Operations (Tel: +44 (0) 20 7426 7697). -If the file is not submitted in the correct format and containing all the required details, the request for deletion will be rejected by the Clearing House and the FCM Clearing Member will be advised accordingly.

2A.14.3 Processing

The Clearing House will usually agree to process any request for amendment of trade reference properly submitted; however the Clearing House will reject any such request if:

- it is not made in accordance with these FCM Procedures;
- any trade reference notified to the Clearing House in the Trade Reference Amendment Request Form does not match the FCM Clearing Member's trade reference which the Clearing House has recorded;
- the Clearing House trade reference number notified in the Trade Reference Amendment Request Form does not refer to a trade registered in the FCM SwapClear clearing system;
- any trade referred to in the Trade Reference Amendment Request Form is not already registered in the FCM SwapClear clearing system or is not recorded by the Clearing House against the BIC code of the FCM Clearing Member requesting the amendment; or
- it would not be practical in all the circumstances or would subject the Clearing House to unacceptable cost if the Clearing House were to make the requested amendments or the Clearing House forms the view that to do so would adversely affect its risk.

Following notification of agreement to make the requested amendments, the Clearing House will use its reasonable endeavours to process the amendments on the anticipated date of amendments; if, for whatever reason the Clearing House is unable to do so, it will notify the FCM Clearing Member and process the amendment as soon as reasonably practicable thereafter.

After close of business of the day of processing, the Clearing House will produce a report setting out details of the time and date that it has amended its records in accordance with the request, details of the old and new FCM Clearing Member trade references and the status of the amendment in respect of each trade set out in the Trade Reference Amendment Request – namely “amended” or “rejected”. -All records of the Clearing House and data held in the FCM SwapClear clearing system will then be updated overnight following the close of business on that day.

2A.14.4 Legal Documentation

The Clearing House will provide the requesting FCM Clearing Member with legal documentation in Clearing House standard form for that FCM Clearing Member to sign. -No trade reference will be amended unless such documentation is completed and signed.- The documentation must be signed by a person within the FCM Clearing Member with appropriate signing authority. -Evidence of such authority may be required by the Clearing House.- No amendment to such documentation will be accepted by the Clearing House.

2A.14.5 Notification

Subject to the requesting FCM Clearing Member meeting all the Clearing House’s requirements (including completion and submission of all documentation and such other additional requirements as the Clearing House may be set by the Clearing House in its discretion), the Clearing House will notify the FCM Clearing Member of its agreement to the amendment of its records of the FCM Clearing Member trade reference in respect of the trades identified in the Trade Reference Amendment Request Form, and advise of the anticipated date of amendment (“the **“anticipated date of amendment”**”).

~~2.15~~2A.15 Default Management

2A.15.1 Portfolio Splitting:

As part of the SwapClear DMP, the Clearing House may divide an Auction portfolio into two or more individual Auction Portfolios. In circumstances where such portfolio splitting is adopted, the Clearing house will, in consultation with the SwapClear DMG, (which, as defined in the Default Rules, refers to the advisory Default Management Group established by the Clearing House pursuant to the terms of the SwapClear DMP Annex to the Default Rules), seek to create:

- (a) one or more individual Sub-portfolios which have comparatively greater levels of risk associated with them, thereby isolating such Sub portfolios from those which are more risk neutral; and
- (b) one or more individual Sub portfolios which are more risk neutral.

2A.15.2 Acceptance of Bids

In deciding whether to accept a bid, the Clearing House will generally accept the best bid in respect of any individual Auction. However, the Clearing House is entitled to reject a bid in the event that it considers, in its reasonable discretion that accepting the bid may:

- (e)(a) cause the Clearing House to breach any legal or regulatory requirement applicable to it by virtue of its being a Recognised Clearing House or a Derivatives Clearing ~~Organisation~~Organization;
- (e)(b) cause the Clearing House or its membership any reputational harm;
- (e)(c) cause legal action or proceedings to be taken against the Clearing House;
- (f)(d) endanger the Clearing House, any of its clearing members or the financial markets in which the Clearing House operates.

Where the Clearing House receives more than one bid from the same SwapClear Clearing Member and in respect of the same Auction the Clearing House is entitled to accept the last bid received by it in respect of that Auction. Where the Clearing House does not receive a bid that was made by a SwapClear Clearing Member for operational, technological or other similar reasons and as a result of which a bid does not reach the Clearing House, the Clearing House will be unable to accept a bid and shall not be liable for any failure to accept such bid.

2A.15.3 Affiliate Bidding

SwapClear Clearing Members are entitled to bid for an Auction Portfolio on behalf of an affiliated SwapClear Clearing Member or affiliated FCM Clearing Member. Where a SwapClear Clearing Member makes a bid and that SwapClear Clearing Member has an affiliated SwapClear Clearing Member or FCM Clearing Member that does not make a bid, the Clearing House shall not (unless instructed otherwise in accordance with the paragraph below) assume that the bidding SwapClear Clearing Member has made the relevant bid on behalf of a non-bidding, affiliated SwapClear Clearing Member or affiliated FCM Clearing Member.

A SwapClear Clearing Member may notify the Clearing House, in advance of an Auction, that it wishes to bid on behalf of an affiliated SwapClear Clearing Member or affiliated FCM Clearing Member. Where it wishes to do so, the SwapClear Clearing Member should contact the Clearing House's Membership Department [insert details].

2A.15.4 Outsourcing

Pursuant to FCM Regulation 3(c)(vi) and 3(c)(vii), an FCM Clearing Member may appoint a third party to fulfil one or both of the the Clearing House's Membership requirements to: (i) participate in a SwapClear "fire drill" run by the Clearing House; and (ii) participate in the SwapClear DMP operated by the Clearing House. Where an FCM Clearing Member chooses to outsource one or both of these functions it must appoint and maintain at least three LCH Approved Outsourcing Agents.

The following entities are eligible for appointment as an LCH Approved Outsourcing Agent:

- A SwapClear Clearing Member
- An FCM Clearing Member
- An FCM Client
- ~~any~~Any other entity that the Clearing House deems appropriate in its sole discretion.

Where an FCM Clearing Member wishes to appoint a third party to carry out any obligation on its behalf, it should contact the Clearing House's Membership Department with the:

- ~~1.~~ 1. details of the third party entity that the FCM Clearing Member wishes to appoint as an LCH Approved Outsourcing Agent. Such information should include details of the applicant's regulatory status;
- ~~2.~~ 2. evidence of the existence of a legally binding agreement between the FCM Clearing Member and the third party; and
- ~~3.~~ 3. such other information that the Clearing House reasonably considers necessary for the purposes of determining whether an entity should be approved as an LCH Approved Outsourcing Agent.

Following the receipt of all of the information above, the Clearing House shall determine in its sole discretion, whether to approve the third party as an LCH Approved Outsourcing Agent. In making its determination, the Clearing House shall consider the third party's ability to demonstrate that it has the necessary operational infrastructure and appropriate asset class expertise.

Where an FCM Clearing Member successfully appoints an LCH Approved outsourcing Agent, that FCM Clearing Member may be subject to increased margin requirements to cater for the additional time required to invoke an outsourcing process in the event of a default

FCM Clearing Members should note that LCH Approved Outsourcing Agents may be subject to a more rigorous driving test and fire-drill than FCM Clearing Members (~~i.e.~~required to demonstrate an ability to price and bid a greater number of trades at tighter pricing tolerances and within more onerous timeframes). In addition, the Clearing House may require an FCM Clearing Member, that has appointed an LCH Approved Outsourcing Agent, to participate in an ad-hoc fire-drill or driving test with such notice as the Clearing House deems appropriate in its sole discretion.

The Clearing House reserves the right to revoke an entity's status as an LCH Approved Outsourcing Agent, in its sole discretion and without notice. In the event of such a revocation, the relevant FCM Clearing Member shall be required to assume those responsibilities that were previously outsourced. Such revocation may occur where the Clearing House considers that there is an insufficient number of third party entities that are providing outsourced default management services (usually a minimum of five providers at any one time).

Other than in exceptional circumstances and in the Clearing House's sole discretion, an LCH Approved Outsourcing Agent may not act on behalf of more than three clearing members.

The appointment of an LCH Approved Outsourcing Agent does not absolve an FCM Clearing Member of its obligations under the SwapClear DMP (including its obligation to participate in an Auction) and an LCH Approved Outsourcing Agent's participation in ~~the~~ SwapClear DMP on behalf of an FCM Clearing Member, in the event of a default, shall not extend beyond the provision of operational and other ancillary support to that FCM Clearing Member.

2A.15.4 SwapClear DMG

The necessary involvement of FCM Clearing Members and the SwapClear DMG in the SwapClear DMP entails the assessment and dissemination of information that could give rise to conflicts of interest. To ensure that such potential conflicts are demonstrably contained, Appendix ~~2E~~2A.E establishes binding obligations of confidentiality, anonymity and the extent of dissemination of information on FCM Clearing Members (and their executives or directors who participate from time to time in the SwapClear DMG) and on the Clearing House.

Each FCM Clearing Member who makes available a representative to serve on the SwapClear DMG agrees, and shall procure that, to the extent applicable, its representatives agree to be bound by and to ensure that it and any of its executives or directors serving on the SwapClear DMG complies with ~~Schedule F~~ Appendix 2A.E covering confidentiality, non-disclosure and other terms.

2.462A.16 **Payment of Stamp Tax**

Each FCM Clearing Member shall pay any stamp tax or duty levied or imposed upon it or in respect of its execution or performance of the FCM Clearing Membership Agreement, the FCM Default Fund Agreement, the FCM Regulations and the FCM Procedures (including any registration of an FCM SwapClear Contract) by a jurisdiction in which it is incorporated, organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting is located or by any other jurisdiction and shall indemnify the Clearing House against any stamp tax or duty levied or imposed upon the Clearing House or in respect of the Clearing House's execution or performance of the FCM Clearing Membership Agreement, the FCM Regulations and the FCM Procedures (including any registration of an FCM SwapClear Contract) by any such jurisdiction.

2.472A.17 **Section 168, Finance Act 1994**

~~U~~nder section 696 Corporation Tax Act 2009 ("**CTA 2009**"), net payments in relation to certain derivative contracts (as defined in ~~Section~~section 576 CTA 2009) by any company (company "A") to a non-UK resident are denied UK tax relief unless one or more of the following conditions in section 697 CTA 2009 are met:

Company A is a bank, building society, financial trader or recognised clearing house acting as principal who has entered into the qualifying contract for the purposes of a UK trade.

The non-UK resident holds the qualifying contract (as principal) for the purposes of its UK trade.

A double tax treaty, that makes provision for interest, is in force between the UK and the country of residence of the non-UK resident (or, if different, the country of residence of the beneficial counterparty to the contract).

The Clearing House is considered a "recognised clearing house" as defined in section 285 of FSMA 2000.

Any contract must not be submitted to the Clearing House by FCM Clearing Members for clearing where one or more of the conditions in section 697 CTA 2009 are not satisfied, thereby bringing the contract within section 696 CTA 2009, nor should any FCM Clearing Member knowingly permit any such contract to be submitted by a SwapClear Participant. Should this occur the SwapClear FCM Clearing Member in whose name the contract is to be or has been registered must promptly notify the Clearing House and, in any event, within 30 days of that FCM Clearing Member becoming aware of the situation. Having investigated the circumstances, the Clearing House has an obligation to notify the HM Revenue & Customs of the event and the Clearing House may, in its absolute discretion suspend any Executing [Dealer][Party] submitting such a contract for registration from the Register of Executing [Dealers][Parties]. The Clearing House may also, in its absolute discretion take such action in respect of the SwapClear FCM Clearing Member as it deems fit in accordance with the Regulations. The SwapClear FCM Clearing Member shall indemnify the Clearing House against any Corporation Tax or any other tax levied or imposed upon the Clearing House in respect of any such contract, and any other costs and expenses incurred by the Clearing House in connection therewith.

If in doubt, FCM Clearing Members should consult their professional advisers as to the potential application of sections 696 and 697 CTA 2009 to their transaction.↓

THE DEFAULT MANAGEMENT GROUP~~1.~~1. Definitions

- | ~~2.1.2~~2.1.2 the FCM Clearing Member is expressly obliged to do so by order of a court of competent jurisdiction upon the application of a third party, or as a result of any request to disclose such part or parts of the Confidential Material in connection with any inquiry or other request by a regulatory authority or self-regulatory authority asserting jurisdiction over the FCM Clearing Member.

~~3.23.2~~ The Clearing House undertakes to ensure that the FCM Clearing Member is fully appraised of information on the SwapClear DMP that it makes public and which is accordingly of relevance to the FCM Clearing Member's obligations.

~~4.4.~~ **Property**

~~4.4.1~~ The parties acknowledge that the property in the Confidential Material (or any part of it) shall not pass to the FCM Clearing Member or any FCM Clearing Member, and the property in the media on which it is conveyed to the receiving party shall not pass to the FCM Clearing Member or any FCM Clearing Member unless expressly so agreed by the Clearing House in writing.

~~5.5.~~ **Return of Confidential Material**

~~5.15.1~~ Upon request by the Clearing House, and in any event upon fulfilment of the Permitted Purpose, the FCM Clearing Member shall promptly return to the Clearing House by a secure method of transportation all or any part of the Confidential Material and all copies thereof in its possession or control or that of its employees or representatives, including all other papers, programs and records incorporating any of that Confidential Material, or shall destroy such information and shall certify to the Clearing House in writing that it has done so provided that the FCM Clearing Member is permitted to retain copies of any Confidential Material which it requires as part of its portfolio management or otherwise for legal or regulatory reasons.

2B FOREXCLEAR

2B.1 Introduction and Interpretation

This Section 2B of the FCM Procedures governs the FCM ForexClear Service and must be read in conjunction with the other parts of the FCM Rulebook.

A reference to an "FXCCM" is generic and encompasses both ForexClear Clearing Members (as defined in the UK General Regulations) and FCM ForexClear Clearing Members.

Unless otherwise specified, all times are in local London time.

2B.2 Users of FCM ForexClear

The FCM ForexClear Service is an interface that processes and stores all FCM ForexClear Transactions. Those authorised by the Clearing House to submit trades (as defined below) for clearing in the FCM ForexClear Service fall into three categories – FCM Clearing Members approved by the Clearing House to clear in the FCM ForexClear Service ("FX FCMs"), FCM Clients of FX FCMs and Affiliates of FX FCMs. FX FCMs, FCM Clients of FX FCMs and Affiliates of FX FCMs are collectively known as ForexClear Participants ("FXPs"). For membership procedures, please see Section 1 of the FCM Procedures. At least one party to each FCM ForexClear Transaction will be an FX FCM, acting through a client or house account; the other party may be another FX FCM or may be a ForexClear Clearing Member.

For identification purposes each FX FCM is assigned a unique three-character mnemonic for purposes of the FCM ForexClear Service.

2B.3 Termination of FX FCM Status

Clearing Members should contact the Clearing House Membership Department (+44 (0)207 426 7891/7627/7063; membership@lchclearnet.com) for details of how to resign from the FCM ForexClear Service.

2B.4 Service Scope

2B.4.1 Eligibility

Non-Deliverable FX Transactions as defined in Part A of Schedule B to the FCM Regulations ("NDFs") may be submitted for clearing through the ForexClear Service. To be eligible to be registered as a ForexClear Contract, a trade must meet the ForexClear Eligibility Criteria (as set out in Part B of Schedule B to the FCM Regulations).

2B.4.2 Service Operating Hours

Opening Days:

The FCM ForexClear Service will be open each day, except weekends, Christmas Day and New Year's Day.

Opening Hours:

The FCM ForexClear Service will be open between 20:00 local London time Sunday night and 01:00 local London time Saturday morning ("Opening Hours"). The FCM ForexClear Service will not accept FCM ForexClear Transactions outside of these hours.

2B.5 Position Accounts2B.5.1 FCM Accounts

For identification purposes each FCM Clearing Member is assigned a unique three-character mnemonic with respect to its accounts relating to FCM ForexClear Transactions and FCM ForexClear Contracts. An FCM Clearing Member's position and financial information are further identified by a single character code: C for client business; and H for house business.

2B.5.2 Position-Keeping AccountsFCM Clearing Member Accounts:

The account types are: H for house business (Proprietary Account); and C for segregated client business (FCM Omnibus OTC FX Client Account with LCH). An FCM Clearing Member's FCM ForexClear Contract positions are also recorded within the FCM ForexClear Clearing System in ForexClear Accounts.

All registered FCM ForexClear Contracts will be identifiable to FCM Clearing Members via FCM ForexClear Reporting (see Section 2B.20). All registered FCM ForexClear Contracts will be maintained only in ForexClear accounts (identified as such by a unique three letter mnemonic) and separate from all accounts containing FCM Contracts attributable to other Business Categories of FCM Contract (provided that all Business Categories of FCM Contracts and related cover may be physically commingled in the same depository accounts). Each FCM ForexClear Contract will also be assigned a unique trade identifier. The FCM Clearing Member Reporting functionality also allows FCM Clearing Members to identify all FCM ForexClear Contracts registered in their name.

Sub-accounts within the FX FCM's Proprietary Account may be set up (e.g. for branches or Affiliates). Each such sub-account will carry the unique Bank Identifier Code ("BIC") (or equivalent unique identifier) of the relevant branch/ Affiliate (please see Section 2B.5.4 below).

Sub-accounts within the FX FCM's Proprietary Account will be associated with the House financial account of the FX FCM and information contained across the Proprietary Account sub-accounts is consolidated into the House financial account of each FX FCM.

2B.5.3 Clients

Where an FX FCM enters into an agreement with an FCM Client in accordance with FCM Regulation 4(a), the FX FCM must submit an "FCM Client Static Data" form to the Clearing House's membership department. Positions of an FCM Client will be identifiable in ForexClear Reporting through that FCM Client's BIC/unique identifier.

2B.5.4 Affiliates and Branches

Under FCM Regulation 4(c), FX FCMs are permitted to clear for Affiliates through their Proprietary accounts.

Where an FX FCM enters into an agreement with an Affiliate in accordance with FCM Regulation 4(c), submission of an "FCM Affiliated Client Static Data" form to the Clearing House will allow the FX FCM to be provided with one or more sub-accounts for that Affiliate (for position-keeping purposes) within that FX FCM's house account.

Because the House financial account reflects the consolidated balances and liabilities of the FX FCM's proprietary business, the balances and liabilities associated with FCM ForexClear Transactions submitted by Affiliates (if applicable) and/or per branch (if applicable) will be provided as an estimate.

2B.6 Financial Accounts

FCM Clearing Member accounts have financial accounts associated with them. These are, inter alia, used to record cash balances and securities/ documentary credits. Information contained within position-keeping accounts is consolidated into financial accounts, as follows:

2B.6.1 Relationship with Position-Keeping Accounts

<u>Trading Account</u>	<u>Financial Account</u>	
<u>H</u>	<u>House</u> _____ <u>H</u>	<u>Proprietary Account</u>
<u>C</u>	<u>Client</u> _____ <u>C</u>	<u>LCH OTC FX Client Segregated Depository Account</u>

2B.6.2 Other Financial Accounts

At the Clearing House's discretion, further financial accounts, used only to record financial balances, may be opened as follows:

Code

Buffer accounts (House), used for holding additional cash in relation to Proprietary business B

Buffer account (Client), used for holding additional cash in relation to FCM Client Business E

2B.6.3 Default Fund (DF) Account

Each FCM Clearing Member's Default Fund Contribution is held in a separate financial account. The DF account code is "F". Each FCM Clearing Member's Default Fund Contribution relating to its FCM ForexClear Contracts is held in an account that is separate from any financial account containing such FCM Clearing Member's Default Fund Contribution relating to any other Business Categories of FCM Contracts.

2B.7 Novation and Registration

An NDF is an FCM ForexClear Transaction (i.e., eligible for registration as an FCM ForexClear Contract) if it satisfies the FCM ForexClear Eligibility Criteria (set out in Part B of the Schedule B to the FCM Regulations) at the Registration Time.

Where an FX FCM accepts registration of the FCM ForexClear Transaction and notifies the Clearing House of such acceptance, the FX FCM shall, pursuant to FCM Regulation 40(b), (i) be deemed to have presented the FCM ForexClear Transaction for clearing and (ii) become obliged to pay all cover required by the Clearing House in connection with the registration of the FCM ForexClear Transaction upon request of the Clearing House. It is a condition for registration of an FCM ForexClear Transaction that, where both Executing Parties intend to register the FCM ForexClear Transaction through an FX FCM, both FX FCMs accept the FCM Notification (or where such Executing Parties nominate the same FX FCM, such FX FCM accepts both acceptances) and therefore submit the FCM ForexClear Transaction to the Clearing House.

It is a condition for registration of an FCM ForexClear Contract that the applicable FCM Clearing Member provide sufficient cover to the Clearing House in respect of such FCM ForexClear Contract prior to registration.

The FCM ForexClear Service will register FCM ForexClear Transactions submitted during the Opening Hours, provided that all FX FCMs have sufficient cover for their Liabilities (as defined in Section 2B.17) at the time of the relevant Margin Run.

If any FX FCM does not have sufficient cover for its Liabilities at the time of the relevant Margin Run, then the registration of FCM ForexClear Transactions will be suspended until sufficient cover is provided or until the FX FCM's portfolio risk is reduced by the FX FCM submitting for registration risk reducing FCM ForexClear Transactions.

Once the FCM ForexClear Transaction has passed the Validation Checks (as defined in Section 2B.8.1) and the required cover has been provided by the relevant FX FCMs, the Clearing House will send, via the FCM Approved Trade Source System, a message confirming the registration of the FCM ForexClear Transaction as an FCM ForexClear Contract and including a datestamp of the relevant registration time. For the purpose of the ForexClear Regulations, the time of dispatch of such message shall be the "Registration Time" of that FCM ForexClear Contract.

The definitive report of the registered FCM ForexClear Contract will be shown on the "All Open Contracts" report issued by ForexClear Reporting (as defined in Section 2B.20).

If an FX FCM is declared a defaulter, the Clearing House will not register any ForexClear Transactions to which the defaulter was a party. ForexClear Transactions between non-defaulting FX FCMs will continue to be registered (assuming sufficient cover for their Liabilities has been provided).

2B.7.1 Trade Capture

Once the FCM Approved Trade Source System receives the trade instructions from the FXPs who are parties to the trade, the FCM Approved Trade Source System matches both instructions (a "trade"). The FCM Approved Trade Source System validates the trade using the FCM ForexClear Eligibility Criteria and will, if appropriate, submit a single message containing the names of the FXPs who are parties to the trade and the terms of the trade to the Clearing House for registration and clearing, such matched trade being known as an "FCM ForexClear Transaction". Once the Clearing House receives the FCM ForexClear Transaction message, it will send a message of acknowledgement back via the FCM Approved Trade Source System that the trade has been matched and accepted for clearing. Instructions which show that one or both sides of the trade do not meet the Validation Checks are rejected. Rejections are reported back to the FCM Approved Trade Source System.

The Clearing House will provide ForexClear Transaction/ForexClear Contract (as applicable) updates as and when these change e.g. for acceptance, rejection and novation.

2B.7.2 ForexClear FCM Approved Trade Source Systems

Currently the FCM Approved Trade Source System designated by the Clearing House for ForexClear is MarkitSERV. Where the Clearing House approves additional FCM Approved Trade Source Systems, it will notify FCM Clearing Members via member circular.

FCM ForexClear Transactions submitted through an FCM Approved Trade Source System must be in an acceptable message format, as prescribed by the Clearing House.

Notwithstanding the designation by the Clearing House of any system as an FCM Approved Trade Source System, the Clearing House makes no warranty (and will accept no liability) as to the effectiveness, efficiency, performance or any other aspect of the services provided by any FCM Approved Trade Source System or the timeliness or otherwise of the delivery of any FCM ForexClear Transaction details by that FCM Approved Trade Source System to the Clearing House. Such matters form part of the relationship between the FCM Clearing Members and that FCM Approved Trade Source System and the terms of such relationship may entitle the FCM Approved Trade Source System to suspend the ability of an FX FCM to make submissions from time to time.

FX FCMs must not submit instructions to the Clearing House for trades which will not meet the FCM ForexClear Eligibility Criteria. The Clearing House will process any FCM ForexClear Transaction reported to it by an FCM Approved Trade Source System on an "as is" basis, and subject to the FCM Regulations and these FCM Procedures, will register any such FCM ForexClear Transaction on the basis of the data provided to it by the FCM Approved Trade Source System and approved by the relevant FCM Clearing Member. The Clearing House has no obligation to verify

that the details received, properly reflect the trade entered into by the relevant Executing Parties.

The Clearing House accepts no liability for any error within or corruption of any data sent by an FCM Approved Trade Source System to the Clearing House or to an FCM Clearing Member or any delay in or failure of the transmission of such data to the Clearing House. In the event that the Clearing House registers any FCM ForexClear Contract on the basis of incorrect or corrupted data sent to it by an FCM Approved Trade Source System and accepted by an FCM Clearing Member, the FCM Clearing Member concerned shall be bound by the terms of such FCM ForexClear Contract(s), unless the FCM ForexClear Contract is subsequently cancelled in accordance with FCM Regulation 41.

FCM Clearing Members shall ensure that transaction details accepted for registration are accepted by appropriately authorised personnel. Apart from the foregoing acceptance, the Clearing House is not able to, and will not, verify the authorisation of the source of any details of any transaction reported to it for registration by any FCM Approved Trade Source System. The Clearing House shall have no liability in the event that any FCM Clearing Member suffers any loss through the unauthorised acceptance of an FCM Notification.

2B.8 Trade Validation and Registration

2B.8.1 Process flow description

The Clearing House performs a validation check on each trade submitted by FXPs to ensure that each such trade meets the FCM ForexClear Eligibility Criteria and the Counterparty Validation Check (as defined below) required for FCM ForexClear Transactions (together the “**Validation Checks**”).

The fields checked are as follows:

- **Counterparties:** (a) are both parties submitting trade particulars FXPs and (b) has each FXCCM in whose name the FCM ForexClear Contract is to be registered not been declared a defaulter by the Clearing House? (together, the “**Counterparty Validation Check**”);
- **Trade type:** is the instrument type an NDF?
- **Economic Terms:** does the trade include all the Economic Terms (as defined in the Schedule B to the FCM Regulations)?
- **Currency Pairs:** are the Reference Currency and the Settlement Currency a Currency Pair (as defined in Schedule B to the FCM Regulations)?
- **Settlement Currency:** is the Settlement Currency USD?
- **Trade tenor eligibility:** does the scheduled Settlement Date fall on a date: (a) not earlier than three business days immediately following the date on which the trade is submitted to the Clearing House for registration (the “**Submission Date**”) and (b) not later than the date falling two calendar years plus two business days immediately following the Submission Date? If the FCM ForexClear Transaction arrives after the ForexClear date roll (22.00 local London time), the Submission Date is defined as the next good business day.

- Valuation Date and Settlement Date: do the Valuation Date and Settlement Date for the FCM ForexClear Transaction fall on a valid Business Day for the Currency Pair to which the FCM ForexClear Transaction relates? Does the Settlement Date fall on a Business Day after the Valuation Date? Is the Validation Date in the future?

Trades that pass the Validation Checks are accepted and two trade records are created for the FCM ForexClear Transaction: one for the FCM ForexClear Contract between the Clearing House and the first FX FCM to the FCM ForexClear Transaction and the other for the FCM ForexClear Contract between the Clearing House and the second FX FCM to the FCM ForexClear Transaction (or the ForexClear Contract between the Clearing House and the ForexClear Clearing Member to the corresponding ForexClear Transaction pursuant to the UK General Regulations).

Provided each FXCCM has sufficient cover, the Clearing House will send a message via the FCM Approved Trade Source System confirming the registration or, where the trade fails a Validation Check, the trade will be rejected and a status message will be sent to the FCM Approved Trade Source System giving a reason for rejection.

As provided in Section 2B.7, in respect of messages confirming registration, the time of dispatch of such message shall be the Registration Time of that FCM ForexClear Contract.

The account (H or C) and sub-account (if applicable) into which each trade record is booked is derived from the BIC/unique identifier code within the message from the FCM Approved Trade Source System. The BIC links to the FX FCM reference data.

Both new trade records arising out of the ForexClear Transaction have the same unique ForexClear ID (the "ForexClear ID"). Any further events or actions are applied on the basis of this ForexClear ID, to ensure consistency.

2B.8.2 Manual Trade Rejection, Novation and Cancellation (Exceptional Event)

From time to time, as an exceptional event, it may be necessary for the Clearing House to: (i) reject a trade submitted for registration; (ii) register an FCM ForexClear Transaction; or (iii) accept or reject a cancellation request for an FCM ForexClear Contract or an FCM ForexClear Transaction, in each case manually prior to a Margin Run, (e.g. in the case of a default event, when an FCM ForexClear Transaction needs to be registered immediately to expedite the hedging and auction process or to reject an FCM ForexClear Transaction received from a defaulted FX FCM).

The Clearing House acknowledges the action and sends a status message to the ForexClear Approved Trade Source System of either "REJECTED" in respect of trades being manually rejected; "NOVATED" in respect of trades being manually registered; and "CANCELLED" in respect of an FCM ForexClear Contract or an FCM ForexClear Transaction being manually cancelled, as appropriate.

2B.8.3 Trade Cancellation

The Clearing House accepts cancellation messages from Executing Parties against both non-novated trades (FCM ForexClear Transactions) and novated trades (FCM ForexClear Contracts).

With respect to any FCM ForexClear Contract, cancellation messages may be submitted via the FCM Approved Trade Source System until such FCM ForexClear Contract is “fixed” – i.e., when its Settlement Rate has been determined on the relevant Valuation Date.

A successful cancellation message results in a “CANCELLED” status message if the FCM ForexClear Transaction or the FCM ForexClear Contract (as the case may be) is cancelled before or after a Margin Run (as defined in Section 2B.15). The status messages are sent from the Clearing House to the FX FCM via the FCM Approved Trade Source System.

2B.8.4 Process flow description

The Clearing House accepts trade cancellation instructions from the FCM Approved Trade Source System for FCM ForexClear Transactions or FCM ForexClear Contracts (as the case may be) that have previously been submitted to the FCM ForexClear Service. Cancellation instructions must include the ForexClear ID.

The Clearing House acknowledges receipt of the instruction from the FCM Approved Trade Source System to cancel an FCM ForexClear Transaction/FCM ForexClear Contract (as the case may be) and sends a “PENDING CANCELLATION” message to the FCM Approved Trade Source System for the relevant FXPs.

The Clearing House checks that the cancellation instruction contains a valid ForexClear ID which relates to: (a) an FCM ForexClear Transaction or FCM ForexClear Contract (as the case may be) that has not been previously cancelled; and (b) in the case of an FCM ForexClear Contract only, an FCM ForexClear Contract with respect to which the relevant Valuation Date has not yet occurred.

Where a trade has already been rejected (as a result of having failed a Validation Check), the FCM ForexClear Service sends a “CANCEL REJECTED” message to the FCM Approved Trade Source System for the relevant FXPs.

If the FCM ForexClear Transaction is “PARKED” but has not been included in a Margin Run, it is cancelled and a “CANCELLED” message is sent to the FCM Approved Trade Source System to confirm to the relevant FXPs that the FCM ForexClear Transaction has been cancelled. The ForexClear Transaction is excluded from the next and future Margin Runs. In accordance with FCM Regulation 41, the date and time of the cancellation shall be as reported by the Clearing House via the FCM Approved Trade Source System.

If a Margin Run is currently in progress, the request to cancel is routed to a temporary queue for later manual action. Once the Margin Run has finished, the Clearing House will re-submit or reject the request to cancel.

If the FCM ForexClear Contract is “NOVATED”, the Clearing House amends the status of the relevant FCM ForexClear Contract to “PARKED PENDING CANCELLATION” and sends this information in a message to the FCM Approved Trade Source System for the relevant FXPs. The effect of the “PARKED PENDING CANCELLATION” FCM ForexClear Contract is included in the next Margin Run.

The “PARKED PENDING CANCELLATION” FCM ForexClear Contract is cancelled if all FXCCMs have pledged sufficient collateral with the Clearing House to cover the ForexClear margin requirement without that particular FCM ForexClear

Contract. If an FX FCM has insufficient collateral pledged, the Clearing House makes a cash margin call via PPS. When confirmation of receipt of the margin call is received, the FCM ForexClear Contract is cancelled. The FCM ForexClear Contract is excluded from future Margin Runs and a "CANCELLED" message is sent to the ForexClear Approved Trade Source System for the benefit of the relevant FXPs to the now excluded FCM ForexClear Contract. In accordance with FCM Regulation 41, the time of dispatch of such message shall be the cancellation date and time in respect of that FCM ForexClear Contract. If an FX FCM is declared a defaulter, the Clearing House will not process any cancellation of an FCM ForexClear Contract to which the defaulter is a party, nor the corresponding FCM ForexClear Contract that arose from the same underlying FCM ForexClear Transaction. All FCM ForexClear Contracts between non-defaulting FX FCMs for cancellation (assuming sufficient cover for their Liabilities has been provided) will be cancelled.

2B.8.5 Trade Amendment

No amendment of the financial terms of an FCM ForexClear Transaction or FCM ForexClear Contract is permitted. FX FCMs who wish to change the FCM Client information on a ForexClear Transaction should contact ForexClear Business Operations at 0207 426 3729 for further information.

2B.8.6 Backloading of Existing Trades

The Clearing House provides the facility for FCM Clearing Members to load eligible existing FCM ForexClear Transactions, through an FCM Approved Trade Source System. Backloading requires bilateral agreement between the relevant Executing Parties and acceptance by the FCM Clearing Member(s) and the ForexClear Clearing Member, if any, of the full particulars required by the Clearing House for each such FCM ForexClear Transactions. Following acceptance, the backloaded trade shall be deemed to have been presented by the FCM Clearing Member(s) and the ForexClear Clearing Member, if any, for registration by the Clearing House. In any backloading of transactions where one leg is to be registered as a ForexClear Contract, the UK General Regulations will apply with respect to such registration of a ForexClear Contract.

For backloaded trades the Clearing House will notify FCM Clearing Members of their submission and status via FCM Clearing Member Reporting (see Section 2B.20). It is a pre-condition of registration that sufficient cover for IM and variation margin ("VM") is provided.

2B.8.7 Valuation Date Event Management

The Clearing House is the Calculation Agent and will store and apply the Settlement Rate Option and the Valuation Date for each FCM ForexClear Contract.

On the Valuation Date with respect to each FCM ForexClear Contract, the Settlement Rate will be retrieved from the Settlement Rate Option per Currency Pair in accordance with the relevant EMTA Templates (as referenced in the Schedule to the ForexClear Regulations). The Market Data provider for Settlement Rates is Reuters.

The FCM ForexClear Service applies the relevant Settlement Rate to FCM ForexClear Contracts using the following criteria:

- [Settlement Rate Option source code \(as below\)](#)
- [Valuation Date](#)

[The table below gives the source codes of the Settlement Rate Options to be used as per the relevant EMTA Template:](#)

<u>Currency Pair</u>	<u>Settlement Rate Option (or as per the relevant EMTA Template as amended from time to time)</u>
<u>USD-BRL</u>	<u>BRL PTAX (BRL09)</u>
<u>USD-RUB</u>	<u>RUB CME-EMTA (RUB03)</u>
<u>USD-INR</u>	<u>INR RBIB (INR01)</u>
<u>USD-CNY</u>	<u>CNY SAEC (CNY01)</u>
<u>USD-CLP</u>	<u>CLP DÓLAR OBS (CLP10)</u>
<u>USD-KRW</u>	<u>KRW KFTC18 (KRW02)</u>

[The Clearing House applies the Settlement Rate to all relevant FCM ForexClear Contracts at a predefined time \(see Section 2B.8.8 below\) following its publication.](#)

[The Clearing House calculates the Settlement Currency Amount in the Settlement Currency per FCM ForexClear Contract. FX FCMs can retrieve the Settlement Rate and Settlement Currency Amount in the Settlement Currency via ForexClear Reporting on the ForexClear Service Portal and on MemWeb, which are internet services onto which information is loaded and can be accessed by FX FCMs.](#)

[2B.8.8 Valuation Date Event Management: Process flow description](#)

[After the Registration Time for an FCM ForexClear Contract, the FCM ForexClear Service links a Settlement Rate Option to it in accordance with the relevant EMTA Template for the Currency Pair.](#)

[On the Valuation Date, the Clearing House uses the Settlement Rate for the Currency Pair for the FCM ForexClear Contract when it is published by Reuters, and calculates the Settlement Currency Amount for each FCM ForexClear Contract in the Settlement Currency by applying the relevant Settlement Rate Option as published.](#)

[If the Settlement Rate Option set out in the relevant EMTA Template is unavailable at the relevant time, Disruption Fallback alternatives for the determination of the Settlement Rate will apply as set out in the relevant EMTA Template.](#)

[2B.8.9 Settlement](#)

[With respect to each FCM ForexClear Contract, the Settlement Currency Amount is calculated by the application of the Settlement Rate to the Notional Amount in accordance with the FCM ForexClear Contract Terms.](#)

[From \(and including\) the Registration Time to \(and including\) the Business Day immediately preceding the Settlement Date, changes in the daily value of open](#)

FCM ForexClear Contracts will have resulted in VM credits and debits between the parties (as set out at Section 2B.10.3). With respect to each FCM ForexClear Contract, on the Business Day immediately preceding the Settlement Date, the Clearing House nets the Settlement Currency Amount against the aggregate net VM which has been paid/received through the term of the FCM ForexClear Contract, the result of which is a Net Settlement Amount (“NSA”), which will be reflected in the FX FCMs’ cash accounts with the Clearing House on the Settlement Date. As such, with respect to each FCM ForexClear Contract, the payment in full of all the VM required during the term of such FCM ForexClear Contract shall satisfy the relevant party’s obligation to pay the Settlement Currency Amount on the Settlement Date of such FCM ForexClear Contract. This paragraph applies even if the Settlement Date has been adjusted in accordance with the FCM ForexClear Contract Terms.

2B.8.10 Reference Data

Holiday Event Calendar:

For the FCM ForexClear Service the Clearing House uses the SwapsMonitor Financial Calendar (as published by Swaps Monitor Publications, Inc.) the (“SwapsMonitor Financial Calendar”) in order to determine holidays. This requires all FX FCMs to be licensees of the SwapsMonitor Financial Calendar. The calendars, as applicable to the FCM ForexClear Service, will be available online for inspection and for file download from Clearing Member Reporting. SwapsMonitor is used on a daily basis across all calendars.

Date Adjustment:

When a new holiday is declared in a particular jurisdiction, an update to the holiday calendar affecting FCM ForexClear Contracts for which the Valuation Date is due on the new holiday is required. The Valuation Date and the Settlement Date will be adjusted in accordance with the provisions of the EMTA Template for the relevant Currency Pair.

The Clearing House may accede to a request from FX FCMs to suspend processing of adjustments to the relevant affected Valuation Dates and Settlement Dates so as to allow FX FCMs to cancel and rebook any FCM ForexClear Contracts following any such adjustment. In such case, the Clearing House will inform FX FCMs as to the timing and duration of any such suspension.

2B.9 Market Data

2B.9.1 Sources used by FCM ForexClear Service

The FCM ForexClear Service collates instrument quotes for the following from multiple market sources (as detailed in Section 2B.9.2) in relation to each Currency Pair:

- FX spot rates (“FX Spot Rates”):

2B.9.4 Market Data Provision to FX FCMs

All Market Data used in a Margin Run is made available to FX FCMs via ForexClear Reporting (as defined in Section 2B.20).

2B.9.5 Curve Building in ForexClearFX Curve (Zero Coupon/Market Rate Curve):

The Clearing House builds for each Currency Pair an FX curve (zero coupon/market rate curve) using the FX Spot Rates, FX Swap Points and the USD LIBOR Curve based on interpolation techniques agreed through the ForexClear Risk & Trading Working Group (a group comprising the Clearing House's and FXCCM's (including FX FCM) risk and trading representatives) ("RTWG"). The USD

LIBOR Curve is used for discounting; the FX curve is used for capitalisation of forward cash flows.

Interest Rate Curve:

The Clearing House applies the linear interpolation method to build the Interest Rate Curve. Linear interpolation is applied on zero coupon curves.

Curve Use:

End of day is defined as 22.00 local London time (“EOD”). The following EOD data is used in the calculation of risk analytics for an EOD Margin Run (as defined in Section 6.1.2):

- FX Spot Rates; and
- FX Swap Points.

2B.9.6 Country Credit Spreads

The Clearing House takes country credit spreads (in relation to Brazil, Russia, India, China, Chile and South Korea) from Bloomberg for use in risk multiplier calculations.

2B.10 FCM ForexClear Contract Valuation

2B.10.1 Price Submission

In accordance with the FCM Procedures, FX FCMs shall provide pricing data to the Clearing House in accordance with the ForexClear Market Data Interface (a document issued by LCH and as amended from time to time) as amended from time to time.

This data is used to calculate the NPV (as defined in Section 2B10.2 below) of FCM ForexClear Contracts.

2B.10.2 Net Present Value (“NPV”)

From (and including) the Registration Time to the EOD Margin Run on the business day preceding the Valuation Date, each FCM ForexClear Contract is valued in USD using the current market rates and discounted from the future Settlement Date to its present value (being valued using the data submitted by FXCCMs, in accordance with Sections 2B.9.2 and 2B.10.1).

On the Valuation Date, the Settlement Rate is used to value the FCM ForexClear Contract.

If Valuation Postponement applies, the FCM ForexClear Contract is valued using the current forward price (based on the data submitted by FXCCMs in accordance with Sections 1.9.2 and 1.10.1) to (and including) the date on which the Settlement Rate is determined in accordance with the ForexClear Contract Terms.

2B.10.3 Variation Margin (“VM”)

VM for each FCM ForexClear Contract is calculated at EOD as the change from the preceding business day in its NPV. With respect to each FX FCM, the net sum of the VM for all open FCM ForexClear Contracts is credited to or debited from such FX FCM once a day, following the EOD Margin Run.

Cover for VM (adjusted by PAI, as set out below) will be paid each business day by or to each FX FCM in respect of all of its open FCM ForexClear Contracts. The VM will be calculated in, and must be paid in, USD.

With respect to each FCM ForexClear Contract, VM is calculated every business day from (and including) the Registration Time to (and including) the EOD on the business day immediately preceding the Settlement Date.

2B.10.4 Reporting Breakdown

ForexClear margin reports show the portfolio of open FCM ForexClear Contracts of each FX FCM by Currency Pairs and in the Settlement Currency (i.e., USD).

2B.10.5 Price Alignment Interest (“PAI”)

The effect of daily cash VM movements results in the need for PAI. Without this adjustment, the pricing of FCM ForexClear Contracts would differ from identical uncleared trades, as cash earned from favourable daily price moves would be priced into the product.

2B.10.6 PAI Calculation Methodology

PAI is calculated at EOD on each business day from (and including) the first business day after the Trade Date to (and including) the business day immediately preceding the Settlement Date.

In this Section 2B.10.6, “T” means any given business day; “T-1” means the business day immediately preceding T; “T+1” means the business day immediately following T; and “MTM” means the total value (expressed in USD) of an FXCCM’s portfolio open of FCM ForexClear Contracts after valuation in accordance with Section 2B.10.3 at close of business on any business day. The Clearing House calculates PAI in USD once a day at EOD.

Principles:

- MTM is calculated at EOD on T-1.
- Change in MTM (net VM in respect of an FX FCM’s portfolio of open ForexClear Contracts) is paid/ received on the morning of T.
- PAI Rate for T to be applied is known at EOD T.
- PAI is calculated on the night of T, for MTM of T-1 for FCM ForexClear Contracts up to the business day before their Settlement Date.
- PAI is paid / received on morning of T+1 via PPS.

Components:

- PAI Rate (annualised interest applied to an FX FCM's MTM).
- MTM
- Accrual Factor (factor used to convert the PAI Rate from an annual rate to a daily rate, on a basis of a year of 360 days).

So:

- $PAI_T = PAI_T \text{ Rate} \times MTM_{T-1} \times \text{Accrual Factor}.$

The Clearing House uses the PAI Rate from the relevant EOD overnight index swap curves, which is sourced from the Clearing House.

2B.10.7 VM/PAI Adjustment

With respect to each FX FCM, the Clearing House makes the following adjustment to the EOD VM:

- if, with respect to its portfolio of open FCM ForexClear Contracts, such FX FCM has (to but excluding the relevant EOD) paid an amount in VM greater than the amount of VM it has received, such FX FCM will receive PAI; and
- if, with respect to its portfolio of open FCM ForexClear Contracts, such FX FCM has (to but excluding the relevant EOD) received an amount in VM greater than the amount of VM it has paid, such FX FCM will pay PAI.

2B.11 Initial Margin ("IM")

The Clearing House will require FX FCMs to post IM. This amount will be calculated within the day and at EOD on each business day as part of each Margin Run. With respect to each FX FCM, it is calculated for the portfolio of open FCM ForexClear Contracts and FCM ForexClear Transactions using a value at risk (VaR) based methodology based on filtered historical simulations ("Historical Simulation"). All open FCM ForexClear Contracts and FCM ForexClear Transactions in each Currency Pair are re-valued under a series of cross portfolio yield curve scenarios to estimate the potential portfolio profit and loss and therefore the IM requirement.

These scenarios will be continually monitored and reviewed periodically or on an ad hoc basis according to market conditions. FX FCMs will usually be notified by the Clearing House of alterations to margin parameters no later than the day before calls are made based on the new parameters. Further details of this method are available upon request from the ForexClear Risk team.

Historical Simulation uses the historical (5 year) data submitted by FXCCMs pursuant to Section 2B.9, which is adapted to current market prices.

Separate initial margin calculations are performed for an FX FCM's house "H" and client "C" accounts.

The Clearing House reserves the right to require additional amounts of cover from a specific FX FCM or from all FX FCMs in accordance with FCM Regulation 9.

2B.11.1 Credit Risk Multiplier (“CRiM”)

The CRiM applied will consider the FX FCM's credit worthiness, initial margin level and/or stress testing exposures in accordance with LCH.Clearent Credit Risk Policy.

2B.11.2 Liquidity Risk Multiplier (“IMM”)

Where an FXCCM has an exposure above set thresholds in a particular Currency Pair or tenor of FCM ForexClear Contracts, the IMM is applied and additional IM is charged. The IMM is calculated in accordance with parameters set by the ForexClear Default Management Group (the “FXDMG”) according to tenor and notional concentration. The thresholds are reviewed quarterly and use prevailing perceptions of market conditions as seen by the FXDMG.

IMM increases IM called due to concentrated Currency Pair exposure by tenor of FCM ForexClear Contracts. Additional IM is called to mitigate the risk of a position not being closed out in seven days and/or the extra hedging costs that may be incurred.

The Clearing House calculates and applies IMM as part of each Margin Run, based on the IM for each Currency Pair in the FX FCM's house position-keeping account.

2B.11.3 Sovereign Risk multiplier (“SRM”)

An SRM is applied when there is a perceived risk of sovereign default or a change in a country's currency regime which would impact FCM ForexClear Contracts transacted in certain Reference Currencies. The SRM takes into account:

- i. the probability of sovereign default or a regime change event occurring; and
- ii. the depreciation or appreciation risk of the Reference Currencies.

The SRM sovereign default probability is calculated by assessing the three month probability of default for the different sovereign countries, based on the country's 5-year credit default swap (CDS) spread. The probability of a regime change event is estimated based on historical events and publicly available data for the different sovereign countries. The probabilities are reviewed and updated weekly.

The Clearing House calculates and applies the SRM as part of each Margin Run, for each Currency Pair in the FX FCM's house position-keeping account.

2B.12 Additional Margin

The Clearing House may require an FX FCM to pay additional amounts (in addition to initial margin and variation margin) as security for the performance by an FX FCM of its obligations to the Clearing House in respect of FCM ForexClear Contracts to which such FX FCM is a party in accordance with FCM Regulation 9. This may be required from time to time where, in the opinion of the Clearing House, the risk inherent in FCM ForexClear Contracts to which such FX FCM is a party not adequately covered by IM or VM. This may cover instances where stress testing losses under various scenarios provided in the ForexClear Default Fund Rules have increased.

2B.12.1 Intra-day Margin Calls

In accordance with the Clearing House's FCM Regulations, the Clearing House is entitled to make additional margin calls for payment the same day (intra-day margin calls) where it is considered necessary. Intra-day margin calls can be called at any time throughout the business day (08:30 to 21:00 hours London time). Intra-day margin calls will usually be made via the Protected Payments System (PPS) (see Section 2B.9).

In certain circumstances the Clearing House may wish to make a call for additional funds after the closure of London PPS facilities at 16:00 hours London time. In this event the Clearing House will require payment of additional funds through PPS facilities in the USA (see Section 3.2.2). Members must ensure, in these circumstances, that they are in a position to fund such calls through their nominated US PPS account within one hour of the call.

2B.13 Initial Margin Management Events Service ("IMMES")

IMMES aims to find risk and IM reducing FCM ForexClear Contracts and ForexClear Contracts amongst participating FXCCMs. IMMES can be run on all Currency Pairs that are cleared through the FCM ForexClear Service, although the primary focus will be on those Currency Pairs that contribute to the largest IM requirement. IMMES is available in respect of an FX FCM's house account only.

FX FCMs who wish to obtain further information about, or to participate in, IMMES should contact ForexClear Business Operations on 0207 426 7527. To be eligible to participate in IMMES, an FX FCM must enter into an IMMES agreement with the Clearing House (the "IMMES Agreement").

2B.13.1 Step-by-step details

The Clearing House usually conducts the IMMES at least monthly.

A reminder that there is an IMMES run taking place is sent out the week before to each FXCCM which is a party to an IMMES Agreement with LCH and each FXCCM is asked to confirm their participation.

On the day of the scheduled IMMES run, the Clearing House analyses all participating FXCCMs' profiles to find FCM ForexClear Contracts and ForexClear Contracts with equivalent and opposite delta values by tenor and Currency Pair to compile a list of offsetting suggested trades that are mutually beneficial in terms of IM reduction (the "IMMES Trades").

The Clearing House then analyses the relevant FX FCM's FCM ForexClear Contract portfolios with the IMMES Trades and determines the change in NPV, IM, delta and zero yield sensitivity from the IMMES Trades.

The FXCCMs on either side of the trades are advised of the economic details of the IMMES Trades.

If the two FXCCMs agree to undertake the IMMES Trades, the Clearing House will then put them in touch with each other. The FXCCMs will enter into the bilateral IMMES Trades and submit them to the Clearing House through the ForexClear Approved Trade Source System for registration.

2B.14 Intra-Day Margin Call: Collateral Management

2B.14.1 General – Intra-day Margining

Following an intra-day margin call and unless notified otherwise by an FX FCM at the time of an intra-day margin call the Clearing House will deduct cash, in the appropriate currency, directly from the relevant FX FCMs PPS account to cover that intra-day margin call.

Cash payments in respect of intra-day cover are accepted only in USD by the Clearing House.

It is the responsibility of the FCM to ensure that they have sufficient cash funds in place with their PPS Bank(s) in order to avoid any intra-day liquidity issues.

2B.15 General Margining Process

A “Margin Run” is the process by which the Clearing House calculates an FX FCM’s IM requirement (if any) and, during an EOD Margin Run, its VM requirement and PAI adjustment (if required) (together its “Margin Requirements”); and (a) applies that FX FCM’s cover to satisfy the Margin Requirements for that FX FCM in respect of the FCM ForexClear Contracts within that FX FCM’s portfolio; and/or (b) calls for additional cover (if required) to cover the relevant Margin Requirement.

2B.16. Types of Margin Runs

There are three types of Margin Run:

2B.16.1 ITD / Ad Hoc - Day Margin Run

ITD/Ad-hoc London daytime Margin Runs are initiated as and when dictated by the schedule published by the Clearing House and notified to FX FCMs from time to time (the “Schedule”) or as necessary, and are performed in the time period during which a PPS call can be made (the “ITD/Ad-hoc Day Margin Run”). PPS times are published on the Clearing House’s website at: http://www.lchclearnet.com/risk_management/itd/pps/.

ITD/Ad-hoc Margin Runs are calls in respect of IM only. VM and PAI are not included in ITD/Ad-hoc Margin Runs.

2B.16.2 EOD Margin Run

The EOD Margin Run is the final ITD/Ad-hoc Day Margin Run that completes by 22:00 local London time on that business day (the “EOD Margin Run”).

EOD Margin Runs are calls in respect of IM as well as VM, NSA and PAI..

2B.16.3 ITD / Ad Hoc - Night Margin Run

ITD/Ad-hoc London overnight Margin Runs are initiated as and when dictated by the Schedule or as necessary, and are performed in the time period during which a PPS call cannot be made (the “ITD/Ad-hoc Night Margin Run”).

ITD/Ad-hoc Night Margin Runs are calls in respect of IM only. VM, NSA and PAI are included in ITD/Ad-hoc Night Margin Runs, but only as a component of IM.

2B.17 Margin Run Process

Margin Runs cover all registered FCM ForexClear Contracts with the status "NOVATED", FCM ForexClear Transactions with the status "PARKED" and FCM ForexClear Contracts in respect of which the Clearing House has received a request for cancellation with the status "PARKED PENDING CANCELLATION".

Margin runs will be carried out for each FCM ForexClear Contract and FCM ForexClear Transaction (as the case maybe) until (and including) the later of:

- EOD Margin Run on the Settlement Date; or
- EOD Margin Run after the Settlement Rate is published.

During every Margin Run the Clearing House calculates the IM required and (where applicable) the VM and PAI required to cover each FX FCM's open FCM ForexClear Contracts and FCM ForexClear Transactions (each a "Liability" and together the "Liabilities").

Each FX FCM's Liability is offset against that FX FCM's non-cash collateral account (being a sub-account of the FX FCM's financial account) (for IM only) or funds in that FX FCM's cash account (being a sub-account of the FX FCM's financial account) (for VM/PAI/IM). IM will always be a Liability (payable to the Clearing House) and VM, NSA and PAI may be a cash posting or a Liability (payable by, or to, the Clearing House, respectively).

FX FCMs are informed via email of their Liabilities as a percentage of their current total cover (such percentage being shown as a percentage of the aggregate cover in their cash and non-cash collateral account(s)) and are directed to the ForexClear Service portal (being a secure website made available to FXCCMs) (the "ForexClear Service Portal") which provides reports (at the times specified in Section 7.1) informing FX FCMs of their (i) total Liabilities under the FCM ForexClear Service; (ii) current total cover posted with the Clearing House for FCM ForexClear; and (iii) Liabilities as a percentage of their current total cover (such percentage being shown as a percentage of the aggregate cover in their cash and non-cash collateral account(s)).

If following a Margin Run an FX FCM is required to provide additional collateral, this is also indicated in the email and via the ForexClear Service Portal. Registration of FCM ForexClear Transactions and cancellations of FCM ForexClear Contracts will cease until all FXCCMs have provided sufficient cover.

Once it is confirmed that all FXCCMs have sufficient cover, the Clearing House:

- registers each FCM ForexClear Transaction as two FCM ForexClear Contracts (or registers an FCM ForexClear Contract and a ForexClear Contract under the UK General Regulations, if applicable) and changes the status for each FCM ForexClear Transaction from "PARKED" to "NOVATED" and informs the FCM Approved Trade Source System; and
- in respect of relevant FCM ForexClear Contracts being cancelled, cancels the relevant FCM ForexClear Contracts and changes the FCM ForexClear Contract status of each relevant FCM ForexClear Contract from "PARKED" to "CANCELLED".

The Clearing House acknowledges the FCM ForexClear Contract status and sends a message to the FCM Approved Trade Source System that the FCM ForexClear Transaction/FCM ForexClear Contract (as the case may be) is either "NOVATED" or "CANCELLED" as appropriate.

2B.18 Transfer of FCM Clients

In certain circumstance the Clearing House will transfer FCM ForexClear Contracts from one Carrying FCM Clearing Member to a Receiving FCM Clearing Member on behalf of an FCM Client and pursuant to FCM Regulation 8(b) or 8(c).

2B.18.1 Partial Transfers

Where a Receiving FCM Clearing Member wishes, on behalf of an FCM Client, to receive a transfer of a portion of such FCM Client's portfolio of FCM ForexClear Contracts held with a Carrying FCM Clearing Member, it shall provide the Clearing House with an FCM Client Partial Transfer Form (see Appendix 2B.A), signed on behalf of the relevant FCM Client. Such form shall list all of the FCM ForexClear Contracts that are to be transferred pursuant to this procedure. Following receipt of an FCM Client Partial Transfer Form, the Clearing House shall notify the Carrying FCM Clearing Member that a request has been received to transfer FCM ForexClear Contracts. All partial transfers shall take place in accordance with the timing and notice requirements set out in Section 2B.18.4.

In the event that any of the conditions set forth in FCM Regulation 8(c) are not satisfied, and the Carrying FCM Clearing Member notifies the Clearing house that they have not been satisfied using the Carrying Member Response Form the Clearing House shall not proceed with the transfer of the FCM ForexClear Contracts.

2B.18.2 Full Transfers

Where a Receiving FCM Clearing Member wishes, on behalf of an FCM Client, to receive a transfer of such FCM Client's entire portfolio of FCM ForexClear Contracts held with a Carrying FCM Clearing Member, it shall provide the Clearing House with an FCM Client Full Transfer Form (see Appendix 2B.B), signed on behalf of the relevant FCM Client. Such form shall confirm that all FCM ForexClear Contracts attributable to the applicable FCM Client shall be transferred pursuant to this procedure. Where a Receiving FCM Clearing Member submits an FCM Client Full Transfer Form, it must confirm whether or not the FCM Client also wishes to transfer the cover held by the Clearing House in respect of the transferring FCM ForexClear Contracts. Following receipt of an FCM Client Full Transfer Form, the Clearing House shall notify the Carrying FCM Clearing Member that a request has been received to transfer FCM ForexClear Contracts. All full transfers shall take place in accordance with the timing and notice requirements set out in Section 2B.18.4.

In the event that any of the conditions set forth in FCM Regulation 8(b) are not satisfied, and the Carrying FCM Clearing Member notifies the Clearing house that they have not been satisfied using the Carrying Member Response Form the Clearing House shall not proceed with the transfer of the FCM ForexClear Contracts or the transfer of Account Assets (when applicable).

Following receipt of a Full Transfer Form, the Carrying FCM Clearing Member shall not be permitted to register additional FCM ForexClear Contracts on behalf of the

FCM Client whose FCM ForexClear Contracts are subject to transfer, until such transfer (and the transfer of the related Account Assets, if applicable) is actually effected or is rejected.

2B.18.3 Collateral Transfers

Where a Receiving FCM Clearing Member notifies the Clearing House that an FCM Client wishes to transfer cover from a Carrying FCM Clearing Member to a Receiving FCM Clearing Member, the Clearing House shall notify the Carrying FCM Clearing Member of such transfer in accordance with the timetable below.

Following such notification and upon request from the Clearing House, the Carrying FCM Clearing Member shall confirm to the Clearing House (using the Carrying Member Response form at Appendix 2B.C) which cover is attributable to the transferring FCM Client and the associated FCM ForexClear Contracts. In the event that the Carrying FCM Clearing Member fails to do so in accordance with the timetable below, the Clearing House shall transfer sufficient cash or non-cash cover from the FCM Clearing Member's FCM Omnibus OTC FX Client Account with LCH (such cover as selected in the Clearing House's sole discretion) to enable the transfer. Following the Clearing House's determination of the cover that is to be transferred, it shall notify the Carrying FCM Clearing Member and the Receiving FCM Clearing Member of the cover that will be transferred in accordance with the timetable below.

In the event that any of the conditions set forth in FCM Regulation 8(b) are not satisfied, and the Carrying FCM Clearing Member notifies the Clearing house that they have not been satisfied using the Carrying Member Response Form the Clearing House shall not proceed with the transfer of the related cover. In such circumstances, the Clearing House will notify the Receiving FCM Clearing Member that the associated cover will not be transferred and, in order to proceed with the transfer of the associated FCM ForexClear Contracts, the Receiving FCM Clearing Member will have to provide the Clearing House with sufficient cover in respect of the transferring FCM ForexClear Contracts.

In the event that the Clearing House transfers cover pursuant to these FCM Procedures and the FCM Regulations, it will also transfer the aggregate Variation Margin and next day settlement coupons and fees associated with the transferring FCM ForexClear Contracts.

2B.19 Proprietary Account Position Transfers

The FCM ForexClear Clearing System provides functionality for the transfer of positions from an FCM Clearing Member's Proprietary Account, either in respect of FCM ForexClear Contracts held on an FCM Clearing Member's own behalf or in respect of FCM ForexClear Contracts held on behalf of an Affiliate. In either case, any such transfer may only occur if the Receiving FCM Clearing Member is an Affiliate of the Carrying FCM Clearing Member. An FCM Clearing Member who wishes to effect a position transfer to another FCM Clearing Member should contact the Clearing House Risk Management Department.

Transfers will only be effected once adequate cover has been provided by both parties to the transfer. Transfers of Affiliate positions shall not be permitted to another FCM Clearing Member's Proprietary Account unless such Affiliate is an Affiliate of the FCM Clearing Member receiving the transferred position.

2B.19.1 Legal Documentation

The Clearing House will provide standard legal documentation for the transfer of positions. The transfer must be authorised by both parties and by individuals with appropriate signing authority.

2B.19.2 Position Transfer Notice Period

The Clearing House will usually require five Business Days notice ahead of an intended transfer.

2B.20 ForexClear Reporting

The Clearing House produces a suite of treasury reports for members across each of the Clearing House services. Some of these reports are cross-service reports and others are specific to the ForexClear Service (including the FCM ForexClear Service), thus an FX FCM will receive reports in respect of the FCM ForexClear Service and may also receive cross-service reports where it is a member of another service. Follow this link to the information available from the LCH.Clearnet website: [Banking Reports](#).¹

In respect of the FCM ForexClear Service, on each business day the Clearing House will provide two sets of reports to FX FCMs: (1) Banking Reports; and (2) reports direct from the FCM ForexClear Service (together “**ForexClear Reporting**”). These Procedures reference the FCM ForexClear Service specific reports. Each day’s report will remain available for download by FX FCMs from the FCM ForexClear Service Portal for five days.

2B.20.1 Margin Liability Reports

Reports detailing Liabilities are provided to FX FCMs following every scheduled Margin Run in accordance with Section 2B.17 and where additional collateral cover has been called by the Clearing House. Additionally, a report, including sensitivities, is provided at ForexClear Contracts level at 22.00 local London time. If the EOD Margin Run has not completed by 22:00 local London time on a particular business day, the report generated at EOD will reflect that not all the Liabilities of all FXCCMs as covered by collateral by 22:00 local London time.

2B.20.2 Market Data Reports

Reports detailing Market Data are provided to FX FCMs following every scheduled Margin Run. They include reports of Market Data and Settlement Rate used in the valuation of FCM ForexClear Contracts and reports of Market Data shifts for each historic scenario used in IM calculations.

2B.20.3 Trade Reports

Reports are provided that enable FX FCMs to monitor their firms’ trading events and positions in respect of ForexClear. Reports on open FCM ForexClear Contracts and on cancelled FCM ForexClear Transactions and FCM ForexClear Contracts are generated at EOD and reports on transferred FCM ForexClear Contracts are made on an ad hoc basis.

2B.20.4 Trade Fixing and Settlement Reports

Reports are published on each business day detailing the FCM ForexClear Contracts to which the Settlement Rate has been applied on that business day (the “NDF Fixings” report), FCM ForexClear Contracts that have been settled during that current business day (the “Settlements Today” report) and FCM ForexClear Contracts that will settle the next business day (the “NDF’s Fixed with Settlement Tomorrow” report).

2B.21 Treasury Operations & Collateral Management

2B.21.1 Cover Distribution

The Clearing House nets each FX FCM's Liabilities (i.e. margins and multipliers) and then the total of cash collateral and non-cash collateral are applied to offset those net Liabilities. This process is known as cover distribution ("Cover Distribution"). FX FCMs can choose whether cash or non-cash collateral should be applied first. At the end of this process, if an FX FCM has a shortfall, a PPS (as defined in Section 2B.21.3 below) call for additional collateral is made. Conversely, any excess cash remaining after the final overnight Margin Run can, if requested before 09:30 local London time, be repaid to the FX FCM.

2B.21.2 Cover Distribution Notification

FX FCMs are informed via email of their: Liabilities as a percentage of their current total cover (such percentage being shown as a percentage of the aggregate cover in their cash and non-cash collateral account(s)) and are directed to the ForexClear Service Portal which provides reports (at the times specified in Section 0) informing FX FCMs of their (i) total Liabilities under the ForexClear Service; (ii) current total cover posted with the Clearing House for ForexClear; and (iii) Liabilities as a percentage of their current total cover (such percentage being shown as a percentage of the aggregate cover in their cash and non-cash collateral account(s)).

The reports accessed via the ForexClear Service Portal will enable FX FCMs to log in and examine the underlying data.

2B.21.3 Protected Payment System

The Clearing House operates the Protected Payments System ("PPS") for transferring funds to and from its FX FCMs to cover their Margin Requirements. This is similar to a direct debit arrangement where the PPS bank confirms that any Clearing House-specified call is met.

FX FCMs are obliged to hold an account with a London PPS bank in USD, as well as a USD account with a PPS bank in the USA.

Follow the link below for a list of PPS banks operating in the UK and US:

2B.21.5 Interest and Accommodation

Interest is paid to FX FCMs on cash collateral held by the Clearing House. The London Deposit Rate (“LDR”) is applied. This rate is set daily at 10.00 local London time.

A utilisation fee, known as an accommodation charge, is charged on securities lodged at the Clearing House to cover liabilities. For an overview of interest and accommodation charges, please contact the Clearing House’s Treasury Operations or follow the link below:

2B.22 Default Management

2B.22.1 Portfolio Splitting

As part of the ForexClear Default Management Process, the Clearing House may divide an Auction Portfolio into two or more individual Auction Portfolios. In circumstances where such portfolio splitting is adopted, the Clearing House will, in consultation with the ForexClear Default Management Group, seek to create:

- (a) one or more individual Auction Portfolios which have comparatively greater levels of risk associated with them, thereby isolating such Auction Portfolios from those which are more risk neutral; and
- (b) one or more individual Auction Portfolios which are more risk neutral.

2B.22.2 Acceptance of Bids

In deciding whether to accept a bid, the Clearing House will generally accept the best bid in respect of any individual Auction. However, the Clearing House is entitled to reject a bid in the event that it considers, in its reasonable discretion that accepting the bid may:

- (a) cause the Clearing House to breach any legal or regulatory requirement applicable to it by virtue of its being a Recognized Clearing House or a Derivatives Clearing Organization;
- (b) cause the Clearing House or its membership any reputational harm;

⁴ http://www.lchclearnet.com/Images/Section4_tcm6-43748.pdf

⁵ http://www.lchclearnet.com/risk_management/ltd/acceptable_collateral.asp

- (c) cause legal action or proceedings to be taken against the Clearing House; or
- (d) endanger the Clearing House, any of its clearing members or the financial markets in which the Clearing House operates.

Where the Clearing House receives more than one bid from the same ForexClear Clearing Member and in respect of the same Auction the Clearing House is entitled to accept the last bid received by it in respect of that Auction. Where the Clearing House does not receive a bid that was made by a ForexClear Clearing Member for operational, technological or other similar reasons and as a result of which a bid does not reach the Clearing House, the Clearing House will be unable to accept a bid and shall not be liable for any failure to accept such bid.

2B.22.3 Affiliate Bidding

ForexClear Clearing Members are entitled to bid for an Auction Portfolio on behalf of an affiliated ForexClear Clearing Member or an affiliated FCM Clearing Member. Where a ForexClear Clearing Member makes a bid and that ForexClear Clearing Member has an affiliated ForexClear Clearing Member or FCM Clearing Member that does not make a bid, the Clearing House shall not (unless instructed otherwise in accordance with the paragraph below) assume that the bidding ForexClear Clearing Member has made the relevant bid on behalf of a non-bidding, affiliated ForexClear Clearing Member or FCM Clearing Member.

A ForexClear Clearing Member may notify the Clearing House, in advance of an Auction, that it wishes to bid on behalf of an affiliated ForexClear Clearing Member. Where it wishes to do so, the ForexClear Clearing Member should contact the Clearing House's Membership Department (membership@lchclearnet.com; +44 (0)207 426 7949).

2B.22.4 Outsourcing

Pursuant to Section 1 (Membership) of the Procedures, an FX FCM may appoint a third party to fulfil one or both of the the Clearing House's Membership requirements to: (i) participate in a ForexClear "fire drill" run by the Clearing House; and (ii) participate in the ForexClear Default Management Process operated by the Clearing House. Where an FX FCM chooses to outsource one or both of these functions it must appoint and maintain at least three LCH Approved Outsourcing Agents.

The following entities are eligible for appointment as an LCH Approved Outsourcing Agent:

- a ForexClear Clearing Member
- an FX FCM;
- an FCM Client; or
- any other entity that the Clearing House deems appropriate in its sole discretion.

Where an FX FCM wishes to appoint a third party to carry out any obligation on its behalf, it should contact the Clearing House's Membership Department with the:

(a) details of the third party entity that the FX FCM wishes to appoint as an LCH Approved Outsourcing Agent. Such information should include details of the applicant's regulatory status;

(b) evidence of the existence of a legally binding agreement between the FX FCM Clearing Member and the third party; and

(c) such other information that the Clearing House reasonably considers necessary for the purposes of determining whether an entity should be approved as an LCH Approved Outsourcing Agent.

Following the receipt of all of the information above, the Clearing House shall determine in its sole discretion, whether to approve the third party as an LCH Approved Outsourcing Agent. In making its determination, the Clearing House shall consider the third party's ability to demonstrate that it has the necessary operational infrastructure and appropriate asset class expertise.

Where an FX FCM successfully appoints an LCH Approved Outsourcing Agent, that FX FCM may be subject to increased margin requirements to cater for the additional time required to invoke an outsourcing process in the event of a default

FX FCMs should note that LCH Approved Outsourcing Agents may be subject to a more rigorous driving test and fire-drill than FX FCM (i.e. required to demonstrate an ability to price and bid a greater number of trades at tighter pricing tolerances and within more onerous timeframes). In addition, the Clearing House may require an FX FCM, that has appointed an LCH Approved Outsourcing Agent, to participate in an ad-hoc fire-drill or driving test with such notice as the Clearing House deems appropriate in its sole discretion.

The Clearing House reserves the right to revoke an entity's status as an LCH Approved Outsourcing Agent, in its sole discretion and without notice. In the event of such a revocation, the relevant FX FCM shall be required to assume those responsibilities that were previously outsourced. Such revocation may occur where the Clearing House considers that there is an insufficient number of third party entities that are providing outsourced default management services (usually a minimum of five providers at any one time).

Other than in exceptional circumstances and in the Clearing House's sole discretion, an LCH Approved Outsourcing Agent may not act on behalf of more than three clearing members.

The appointment of an LCH Approved Outsourcing Agent does not absolve an FX FCM of its obligations under the ForexClear DMP (including its obligation to participate in an Auction) and an LCH Approved Outsourcing Agent's participation in the ForexClear DMP on behalf of an FX FCM, in the event of a default, shall not extend beyond the provision of operational and other ancillary support to that FX FCM.

2B.22.5 ForexClear DMG

The necessary involvement of FX FCMs and the ForexClear DMG (which, as defined in the Default Rules, refers to the advisory Default Management Group established by the Clearing House pursuant to the terms of the ForexClear DMP Annex to the Default Rules) in the ForexClear DMP entails the assessment and dissemination of information that could give rise to conflicts of interest. To ensure

that such potential conflicts are demonstrably contained, Appendix 2B.D establishes binding obligations of confidentiality, anonymity and the extent of dissemination of information on FX FCMs (and their executives or directors who participate from time to time in the ForexClear DMG) and on the Clearing House.

Each FX FCM who makes available a representative to serve on the ForexClear DMG agrees, and shall procure that, to the extent applicable, its representatives agree to be bound by and to ensure that it and any of its executives or directors serving on the ForexClear DMG complies with Appendix 2B.D covering confidentiality, non-disclosure and other terms.

2B.23 Payment of Stamp Tax

Each FCM Clearing Member shall pay any stamp tax or duty levied or imposed upon it or in respect of its execution or performance of the FCM Clearing Membership Agreement, the FCM Default Fund Agreement, the FCM Regulations and the FCM Procedures (including any registration of an FCM ForexClear Contract) by a jurisdiction in which it is incorporated, organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting is located or by any other jurisdiction and shall indemnify the Clearing House against any stamp tax or duty levied or imposed upon the Clearing House or in respect of the Clearing House's execution or performance of the FCM Clearing Membership Agreement, the FCM Regulations and the FCM Procedures (including any registration of an FCM ForexClear Contract) by any such jurisdiction.

2B.24 Section 168, Finance Act 1994

[Under section 696 Corporation Tax Act 2009 ("CTA 2009"), net payments in relation to certain derivative contracts (as defined in section 576 CTA 2009) by any company (company "A") to a non-UK resident are denied UK tax relief unless one or more of the following conditions in section 697 CTA 2009 are met:

Company A is a bank, building society, financial trader or recognised clearing house acting as principal who has entered into the qualifying contract for the purposes of a UK trade.

The non-UK resident holds the qualifying contract (as principal) for the purposes of its UK trade.

A double tax treaty, that makes provision for interest, is in force between the UK and the country of residence of the non-UK resident (or, if different, the country of residence of the beneficial counterparty to the contract).

The Clearing House is considered a "recognised clearing house" as defined in section 285 of FSMA 2000.

Any contract must not be submitted to the Clearing House by FCM Clearing Members for clearing where one or more of the conditions in section 697 CTA 2009 are not satisfied, thereby bringing the contract within section 696 CTA 2009, nor should any FCM Clearing Member knowingly permit any such contract to be submitted by a ForexClear Participant. Should this occur the ForexClear FCM Clearing Member in whose name the contract is to be or has been registered must promptly notify the Clearing House and, in any event, within 30 days of that FCM Clearing Member becoming aware of the situation. Having investigated the circumstances, the Clearing House has an obligation to notify the HM Revenue &

Customs of the event and the Clearing House may, in its absolute discretion suspend any Executing [Dealer][Party] submitting such a contract for registration from the Register of Executing [Dealers][Parties]. The Clearing House may also, in its absolute discretion take such action in respect of the ForexClear FCM Clearing Member as it deems fit in accordance with the Regulations. The ForexClear FCM Clearing Member shall indemnify the Clearing House against any Corporation Tax or any other tax levied or imposed upon the Clearing House in respect of any such contract, and any other costs and expenses incurred by the Clearing House in connection therewith.

If in doubt, FCM Clearing Members should consult their professional advisers as to the potential application of sections 696 and 697 CTA 2009 to their transaction.]

12 Confidentiality and non-disclosure: general obligations of the Clearing House

3.1.2 Cover Account Postings

PPS payments and receipts;

Interest and accommodation charges;

Currency purchases and sales;

Clearing House fees, charges and rebates;

SwapClear coupon payments;

SwapClear coupon adjustments;

Net Present Value (NPV);

Price alignment interest;

Consideration.

3.1.3 Tender Account Postings

Transactions posted to the Tender account include but are not limited to:

PPS payments and receipts;

Coupon Payments relating to member collateral.

3.1.4 Financial Transaction Reporting

Details of postings to these accounts are available to FCM Clearing Members with direct access to the LCH.Clearent Limited Member Intranet Site. –FCM Clearing Members with direct access to the LCH.Clearent Limited's Member Intranet Site for SwapClear (see ~~section 2~~[Section 2A](#).1.3) should use the “Yesterday's Cover Account Postings” report.

3.2 Protected Payments System (PPS)

The Clearing House operates a direct debit system, known as the Protected Payments System (PPS), for the transfer of funds to and from FCM Clearing Members. – It is operated in both London (“**London PPS**”) and in the United States (where it is known as “**US PPS**”).

3.2.1 London PPS

(a) Introduction

An FCM Clearing Member must open and maintain PPS accounts in GBP and USD and such other currencies in which it incurs settlements on its Client or House accounts.

In addition, FCM Clearing Members must open PPS accounts in London in USD and in all other currencies in which it incurs settlements (see Appendix 3A for a list of the relevant participating PPS banks in London)

Any bank charges connected with the holding of any PPS bank account or related to any activity on that account must be paid by the account holding FCM Clearing Member.

The GBP non-segregated PPS account will, inter alia, be used to process DF contributions.

Where applicable, all PPS accounts that hold FCM ~~Clients'~~[Clients'](#) funds and collateral must be segregated in line with the FCM Regulations and CFTC Regulation 1.49.

(b) PPS Mandate

Each FCM Clearing Member is required to complete a standard form London PPS Mandate(s) (see Appendix 3B) for each bank branch at which they wish to operate an account before clearing can commence.

(c) Morning PPS Calls

FCM Clearing Members' liabilities are calculated overnight. –Should the amount not be covered by acceptable forms of cover held by the Clearing House (see ~~section~~[Section](#) 3.3) the difference is called through London PPS with separate calls made for each currency. –It is the responsibility of each FCM Clearing Member to ensure that its London PPS bank(s) meets all payment instructions received from the Clearing House. – Confirmation of payments, as notified, must be received by the Clearing House from the relevant PPS bank(s) by 09:00 hours or earlier on the day on which the PPS Call is made.

(d) Other PPS Functions

In addition to the morning calls, London PPS is used to:

- (i) remit surplus cash balances to the FCM Clearing Member's PPS bank(s) upon instruction to LCH.Cleernet Limited Treasury Operations between 07:00 and 9:30 hours or by prior arrangement with LCH.Cleernet Limited Treasury Operations;
- (ii) call intra-day cover payments, where the Clearing House must receive confirmation of payment from the PPS bank(s) within one hour of receipt by the relevant bank of the PPS Call. -Such PPS calls will usually be made up until 16:00 hours.

(e) Value Date

FCM Clearing Members should note that the PPS (both in London and in the USA) is a system for facilitating payment to the Clearing House of monies due from FCM Clearing Members to the Clearing House and vice versa. -The giving of a commitment by a participating Bank through PPS to make any payment, and the receipt of that commitment by the Clearing House is not to be regarded as satisfaction of any payment due to the Clearing House. -Each FCM Clearing Member remains fully responsible for the payment to the Clearing House of all moneys due to the Clearing House as required, inter alia, by the FCM Clearing Membership Agreement, the FCM Default Fund Agreement, clearing extension documentation, these FCM Procedures, the Default Rules and the FCM Regulations. Payment is only completed when the funds have been credited for value to the relevant Clearing House bank account, and any time permitted by the relevant payment settlement system for the recall of any such payment has expired.

(f) Foreign Bank Holidays

The Clearing House has made arrangements with its London PPS bankers to operate the PPS on all UK banking days including foreign bank holidays.

Confirmation that PPS payments will be made must still be received within the deadlines set out in ~~section~~[Sections](#) 3.2.1.5 and 3.2.1.6.- However, the value date for any PPS transactions made on a day which is a bank or public holiday in the country of that currency will be for the next business day on which both the foreign currency centre and the Clearing House are open for business.

Example: 20 August is a public holiday in the USA but not in the UK. 21 August is a normal banking day in the USA.

On the 20 August the Clearing House will issue its normal USD instructions to PPS banks, and receive confirmation in response to the PPS Call, for value 21 August.

UK Bank Holidays

The Clearing House does not give value to any payment on a UK bank holiday, if the Clearing House is closed for business on that bank holiday. PPS Calls will be made on the next following business day.

However, the Clearing House may sometimes be open for business on a UK bank holiday – in such circumstances PPS Calls will be made as normal that day. -Value will be given the same day providing that US banks are open for business that day too.

(g) Secured Debit Cash Balances

FCM Clearing Members may, at the discretion of the Clearing House, secure debit cash balances up to defined limits with collateral or cash in another currency. -Once the cash balance exceeds any such limit, the London PPS automatically issues an instruction demanding payment of the full amount in that currency.

For current debit cash limits, refer to LCH.Cleernet Limited circulars or contact LCH.Cleernet Limited Treasury Operations.

LCH.Cleernet Limited reserves the right to alter the levels set and/or to demand immediate payment of the total sum due or any part thereof.

3.2.2 US PPS

Each FCM Clearing Member is required to maintain a US dollar PPS account for its House and Client account with at least one of the US PPS Banks – a list of the participating branches appears at Appendix 3C.

Where applicable, all PPS accounts must be segregated in line with the FCM Regulations, CFTC Regulations 1.20 and 1.49 and Part 22 of the CFTC Regulations.

This requirement is supplemental to and additional to the requirement that each FCM Clearing Member must hold relevant PPS accounts in London, which must also segregate FCM ~~Clients'~~Clients' funds and collateral as required by the FCM Regulations and CFTC Regulation 1.49.

~~(h)~~(a) US PPS Mandates

An FCM Clearing Member is required to complete a standard form US PPS mandate (see Appendix 3D). -The original of the US PPS mandate must be signed by a person with the appropriate authority within the FCM Clearing Member institution and then forwarded to the relevant bank. -A copy must also be forwarded at the same time to the Clearing House.

~~(i)~~(b) Intra-Day Margin Call

The intra-day margin call by the Clearing House is for intra-day cover payments.

Normally the Clearing House will call intra-day margin through London PPS accounts. -However where the Clearing House wishes to make such an intra-day call after London PPS closes (16:00 London time), such a call will be made upon the FCM Clearing Member's nominated US PPS account.

The Clearing House has the ability to call US dollars in respect of an intra-day margin call up until 16:00 hours New York Time (21:00 hours London Time).

Funds will be called through US PPS until 16:00 hours NY Time (21:00 hours London Time)

~~(c)~~ Confirmations

The Clearing House must receive confirmation of payment from the FCM Clearing Member's nominated US PPS bank within one hour of receipt of the US PPS Call by the relevant US bank branch.

~~(d)~~ Use of London PPS and US PPS

These FCM Procedures indicate which part of the PPS system will be used in the normal course of events for making PPS Calls. –Generally London PPS will be used for Morning PPS Calls (including contributions to the Default Fund), remitting surplus cash balances to an FCM Clearing Member, and for making intra-day margin calls up to 16:00 hours London time. However FCM Clearing Members should be aware that the Clearing House reserves the right to direct a Morning PPS Call or intra-day margin calls before 16:00 hours London time to an FCM Clearing Member's US PPS account in exceptional circumstances (“Exceptional PPS Call”). –The Clearing House will use all reasonable commercial endeavours to notify the FCM Clearing Member in advance of issuing any such Exceptional PPS Call.

3.3 **Acceptable Forms Of Cover**

The Clearing House accepts certain types of securities and cash in the Clearing House's prescribed form against liabilities

The Clearing House may vary, at its discretion, the standard requirements and valuation procedures set out in this ~~section~~ Section, either generally or in a particular case, without giving prior written notice to FCM Clearing Members. –Further, the Clearing House may vary the types of cover acceptable to it, including but not limited to cash, performance bonds or securities.

To view our acceptable collateral list, go to: http://www.lchclearnet.com/risk_management/ltd/acceptable_collateral.asp.

3.3.1 **Cash**

In order not to fall within the scope of deposit-taking regulations applying to banks and similar institutions, the Clearing House can accept cash from FCM Clearing Members only in relation to current or anticipated obligations.

FCM Clearing Members must give LCH.Clearnet Limited Treasury Operations no less than two (2) Business Days notice of their intention to request withdrawal of cash used as cover for margin and its replacement by the lodgement of collateral. In the event that an FCM Clearing Member seeks to withdraw such cash cover without giving such notice, the Clearing House will decline to release such cash cover until the end of the required notice period.

3.3.2 **Securities**

Please refer to the following pages on our website for both prevailing haircuts and notes on collateral acceptable for margin purposes

http://www.lchclearnet.com/risk_management/ltd/acceptable_collateral.asp

3.3.3 **Securities Value Notification**

FCM Clearing Members may obtain details on the value of securities credited to their account on a daily basis. -FCM Clearing Members with direct access to the LCH.Clearnet Limited Member Intranet site should use the "Collateral by Member" report.

3.4 **Distribution Of Cover**

3.4.1 **Overview**

As different types of cover attract different utilisation fees and different contracts are assessed for VAT in different ways (see [section Section 3.5.4](#)), the Clearing House identifies the cover applied to liabilities in order to allow utilisation fees and VAT to be calculated correctly.

This is done by establishing a specified order for both types of liabilities and types of cover and applying cover sequentially, such that cover type 1 is applied first to liability type 1, cover type 2 to liability type 1 if there is a deficiency when cover type 1 has been exhausted and so on.

The following procedures are not in any way intended to restrict, vary, or alter the Clearing ~~House's~~[House's](#) rights to apply cover held (including any described in LCH.Clearnet Limited reports/records as "unutilised" or "excess") to meet the FCM Clearing Member's liabilities/obligations to LCH.Clearnet Limited.

3.4.2 **Liability Order**

Note: The following provision applies solely for the purpose of calculating fees. -In case of default by an FCM Clearing Member, please see [section Section 3.4.4](#) below.

Liabilities will be covered in the order:

- (a) Secured debit cash balances (see [section Section 3.2.1.10](#));
- (b) Variation and initial margin including offset of contingent credits.

3.4.3 **Cover Application**

Note: The following provision applies solely for the purpose of calculating fees. -In case of default by an FCM Clearing Member, please see [section Section 3.4.7](#) below.

Cash will be applied before to each liability.

FCM Clearing Members may choose to have cash applied before securities:

3.4.4 Order of Priority on Default

Post-default the Clearing House is entitled to realise and/or apply cover in whatever order it deems appropriate.

3.5 Interest And Accommodation Charge Structure

This Section applies to accounts other than DF accounts.

3.5.1 London Deposit Rate (LDR)

The LDR is the rate at which the Clearing House will normally pay interest on credit cash balances (excluding DF Contributions).

(a) Calculation

LDR is calculated daily for each currency by 10:00 hours. -It is derived from bid rates for overnight funds quoted by selected money brokers and/or major banks. -For next day value currencies, LDR is calculated the day prior using the tom/next rate.

Rates are available on and on the Clearing House banking system (screen code CBRDS) or by telephone from LCH.Clearent Limited Treasury Operations.

(b) Alteration

The Clearing House reserves the right to alter the basis of calculating LDR. Any alteration will be effective on the date notified.

3.5.2 Contingency Payment Arrangements

Clearing Members must ensure that they have contingency arrangements to ensure continuity of margin payment in the event of failure of their nominated PPS Bank.

3.5.3 Price Alignment Interest (PAI) Rate

To minimise the impact of daily cash variation margin payments on the pricing of interest rate swaps, the Clearing House will charge interest on cumulative variation margin received by the clearing member and pay interest on cumulative variation margin paid in by the clearing member respect of these instruments. This interest element is known as price alignment interest ("PAI").

The calculation of PAI shall use the interest rates specified as below. The amount of PAI for each currency shall be calculated as:

The amount of NPV in such currency from the previous day's COB multiplied by:

The relevant interest rate in effect for that day; divided by

360 or in the case of AUD, CAD, GBP, HKD, JPY, NZD, PLN, SGD and ZAR, 365

In the case of the currencies marked below with an asterisk, the Clearing House, as provided in Regulation 21(b), specifies that it will not change the PAI rate without the consent of all SwapClear Clearing Members holding open contracts in such currencies.

3.5.5 Payment of Interest and Charges

Interest and accommodation charges (other than PAI) are calculated on a daily basis and the resultant monthly total is posted to FCM Clearing Members' cover accounts at the beginning of the following calendar month. -A VAT invoice is issued monthly detailing the interest and accommodation charges applicable for the previous month.- Separate invoices are issued for each currency.

VAT is charged, dependent on contract, on accommodation charges and collateral utilisation fees at current rates. -On foreign currency amounts VAT is charged in sterling on the converted value of any relevant charges.- The sterling cover account shows separate postings for sterling VAT amounts arising from foreign currency charges.

The net invoice value for each currency is posted to the relevant cover account for value on the second working day of the month succeeding the month in which the charges arose.

The invoice provides detail in respect of:

(e)(a) interest due;

(e)(b) accommodation charges;

(e)(c) collateral/performance bonds utilisation fees.

Accommodation charges and collateral utilisation fees are combined and reported as accommodation charges for each appropriate category on the monthly invoice.

3.6 Fees

Details of fees and refunds pending are collated during the month.

An invoice or credit note is produced detailing the fees to be posted to the house cover account.

The invoice/credit note displays the type of fee, contract, currency, fee rate, volume, fee amount, VAT amount, sub totals for each fee class and the overall total posted to the cover account.

Monthly postings are processed via the cover account at the beginning of the following month, on the third working day. -Other postings, such as various Market Maker Scheme rebates, are processed by the Clearing House following receipt of data from the relevant exchange.

3.7 **Default Fund: SwapClear Contributions**

SwapClear Contributions (as defined in the Default Fund Rules) will be called via PPS on the fourth working day of each month or more frequently pursuant to a determination of the SwapClear Contribution under S2(k) of the Default Fund Rules (each a "SwapClear Reset Day"). SwapClear Contribution requirements will be notified to SwapClear Clearing Members at least two working days prior to each SwapClear Reset Day on Member Intranet Report 000032.

Excess SwapClear Contribution amounts due to SwapClear Clearing Members following the adjustment to the SwapClear Contribution will be repaid to SwapClear Clearing Members' PPS accounts on the SwapClear Reset Day immediately following the adjustment to the SwapClear Contribution.

Interest on SwapClear Contributions will be paid to SwapClear Clearing Members' PPS accounts on the first working day after the SwapClear Reset Day following the end of the relevant "interest accrual period". Interest is calculated in respect of each "interest accrual period", which commences on (and includes) a SwapClear Reset Day and ends on (and includes) the calendar day immediately before the next SwapClear Reset Day.

3.8 **Quantifying SwapClear Contributions**

For the purposes of calculating the SwapClear Margin Weight under Rule S2(c) of the SwapClear Default Fund Supplement, the average daily requirement for initial margin applied to an FCM Clearing Member shall be determined by reference to the FCM SwapClear Contracts comprising the SwapClear House Business of that FCM Clearing Member only. Nothing in the foregoing sentence shall prevent the Clearing House from introducing changes to the methodology used for calculating the SwapClear Margin Weight and, in particular, with effect from ~~28~~ September 28, 2012, the average daily requirement for initial margin applied to an FCM Clearing Member for the purposes of such calculation shall be determined by reference to the FCM SwapClear Contracts comprising both the SwapClear House Business and the SwapClear Clearing Client Business of that FCM Clearing Member.

3.9 **Default Fund: ForexClear Contributions**

ForexClear Contributions (as defined in the Default Fund Rules) will be called via PPS on the fourth working day of each month or more frequently pursuant to a determination of the ForexClear Contribution under F2(a) of the Default Fund Rules (each a "ForexClear Reset Day"). ForexClear Contribution requirements will be notified to ForexClear Clearing Members at least two working days prior to each ForexClear Reset Day on Member Intranet Report 000032.

Excess ForexClear Contribution amounts due to ForexClear Clearing Members following the adjustment to the ForexClear Contribution will be repaid to ForexClear Clearing Members' PPS accounts on the ForexClear Reset Day immediately following the adjustment to the ForexClear Contribution.

Interest on ForexClear Contributions will be paid to ForexClear Clearing Members' PPS accounts on the first working day after the ForexClear Reset Day following the end of the relevant "interest accrual period". Interest is calculated in respect of each "interest accrual period", which commences on (and includes) a ForexClear Reset Day and ends on (and includes) the calendar day immediately before the next ForexClear Reset Day.

3.10 Quantifying ForexClear Contributions

For the purposes of calculating the ForexClear Margin Weight under Rule F2(d) of the ForexClear Default Fund Supplement, the average daily requirement for initial margin applied to an FX FCM shall be determined by reference to the ForexClear Contracts comprising the ForexClear House and Client Business of that FX FCM only.

FCM Clearing Members wishing may lodge securities with the Clearing House. Securities lodged will be subject to a security interest and held in an account with the Clearing House by the FCM Clearing Member ([in respect of FCM Client cover, in an LCH OTC Clearing Product Client Segregated Depository Account in respect of each Business Category of FCM Contract such FCM Clearing Member clears](#)).

Collateral pledged in respect of an FCM Clearing ~~Member~~[Member's Client account](#) will not be applied by the Clearing House to its liabilities on a house account (see FCM Regulation ~~6(d))~~[9\(k\)](#)).

FCM Clearing Members are warned that the taking of collateral is a complex legal matter. These FCM Procedures, and any communication with the Clearing House, whether of an oral or written nature, are not to be taken as containing legal advice. An FCM Clearing Member who contemplates taking an interest in securities belonging to a client should seek independent professional advice on the matter.

4.1.2 GENERAL INFORMATION

LCH.Cleernet Security Arrangements

FCM Clearing Members wishing to lodge securities with the Clearing House may do so under the security arrangements set out in the FCM Clearing Membership Agreement and the FCM Regulations.

Collateral pledged in respect of an FCM Clearing Member's Client account will not be applied by the Clearing House to its liabilities on a House account (see FCM Regulation ~~29(b)~~[9\(k\)](#)).

Unless stated otherwise in the FCM Rulebook, collateral pledged in respect of an FCM Clearing Member's House account may be applied by the FCM Clearing House towards the payment of any sum whatsoever due by the FCM Clearing Member to the Clearing House, save that no collateral charged in respect of an FCM Clearing Member's Client accounts shall be applied on or towards payment or satisfaction of any of the FCM Clearing Member's liabilities to the Clearing House on any of the FCM Clearing Member's House accounts.

As set out in FCM Regulation ~~40~~[9](#)(c), where an FCM Clearing Member wishes to pass an FCM Client's collateral to the Clearing House, the FCM Clearing Member must, inter alia, ensure that at all times it remains expressly agreed with the FCM Client that the FCM Clearing Member may pledge the collateral to the Clearing House, on the Clearing House's terms and free of the FCM Client's interest to secure the FCM Clearing Member's obligations to the Clearing House. –The Clearing House gives no undertaking that, on the default of an FCM Clearing Member, it will not utilise FCM Clients' collateral which has been passed to it by an FCM Clearing Member, before utilising any other form of cover the Clearing House may hold.

4.1.3 General Information

The Clearing House is, at its sole discretion, entitled to determine what will be acceptable to it as collateral and to determine when a security will cease to be acceptable as collateral.

If any instrument or security, lodged in accordance with any of the following procedures, is in any way found to be unacceptable, it will immediately be given a zero value in the FCM Clearing Member's cover account with the Clearing House. Replacement cover may be required immediately from the FCM Clearing Member.

The Clearing House accepts faxed copies of Collateral Lodgement Forms and Collateral Release Forms. –These will be valid for a period of fourteen days, by which time original copies must have been received. –If original copies are not received by the Clearing House within fourteen days cover value will not be given on the FCM Clearing Member's account and the collateral may be returned.

The Clearing House will only accept delivery of securities in accordance with these FCM Procedures, and will not sell, purchase or encash securities for FCM Clearing Members, except in so far as it is acting under its Default Rules and related FCM Regulations and the UK General Regulations.

Subject to the FCM Regulations in the event that the Clearing House at any time determines that it is holding excess collateral (as defined below) from an FCM Clearing Member, the Clearing House may notify that FCM Clearing Member of the intention to levy a charge in respect of excess collateral with effect from such date as is notified to the FCM Clearing Member. –In the event that the FCM Clearing Member does not remove excess collateral before the date so notified, the Clearing House may, in its discretion, charge the FCM Clearing Member at the rate of 1 basis point until excess collateral is removed by the FCM Clearing Member through use of a Collateral Release Form. –Payment of this charge shall be collected on a monthly basis through that FCM Clearing Member's appropriate PPS account.

For the purposes of this ~~section~~[Section](#), "excess collateral" means that collateral identified by the Clearing House as being collateral over and above that which is required by the Clearing House in order to cover the obligations to the Clearing House of that FCM Clearing Member. – The Clearing House shall have absolute discretion to decide whether and to what extent it is holding excess collateral at any time.

4.1.4 Communications

The Clearing House is entitled to act upon documentation instructions or communications appearing to have been issued by, or have come from, an FCM Clearing Member. –These will be accepted by the Clearing House as genuine, even if, for example, they are later found:

- (a) to be inaccurate, whether in whole or in part; or
- (b) not to have been given by the FCM Clearing Member or an FCM Client or with the authority of the FCM Clearing Member or FCM Client.

4.1.5 Lodgement of Collateral as Replacement for Cash Cover for Margin

FCM Clearing Members should note that they must give Treasury Operations no less than two (2) Business Days notice of their intention to lodge collateral with a

value of £50 million sterling or more, and which is reasonably likely to have the effect that cash to a similar value is repayable by the Clearing House to that FCM Clearing Member as a result of such lodgement. -In the event that an FCM Clearing Member seeks to withdraw such cash cover without giving such notice, the Clearing House will decline to release such cash cover until the end of the required notice period.

4.1.6 Force Majeure

The Clearing House will not be liable for any failure, hindrance or delay in the performance (in whole or in part) of any of its obligations to FCM Clearing Members with regard to instruments or securities accepted as collateral where such failure, hindrance or delay arises from causes beyond the control of the Clearing House, such as but not limited to the failure whether partial or total, interruption or suspension of any depository or custodian or other service (“depository”) that the Clearing House is using, the termination or suspension of the Clearing House’s membership or use of the depository or any variation of the depository’s operational timetable, whether or not occasioned by action of the depository operator or other party, or any embargo, unavailability or restriction of bank transfer systems or wires, malfunction or overload of the depository or other emergency. -This provision is without prejudice to the force majeure provisions of FCM Clearing Members’ agreements with the Clearing House.

4.1.7 Regulatory and Supervisory Information

In every case, the Clearing House will be entitled to supply a securities depository with all the information it requires for any purposes relating to an FCM Clearing Member, or to securities received by the Clearing House from an FCM Clearing Member which are or may at any time have been held by the depository. -Securities will be lodged and held within such depository or other systems as the Clearing House may select or allow, subject to the conditions of such systems and to any applicable law and subordinate rules relating thereto as well as to the terms of the FCM Rulebook and these FCM Procedures.

4.1.8 Interest Payments

The Clearing House will remit interest amounts, taking into account any withheld tax, to FCM Clearing Members’ PPS banks on the appropriate value date. -These are processed using “Tender” sub-accounts designated “I” for house or “L” for segregated client.

4.2.4 Withholding Taxes

US income tax laws impose a withholding tax on payments of US source interest, including original issue discount, to a foreign person unless an exemption or reduced rate applies. -Interest is US source income, if the debtor is a US corporation.- Interest on debt obligations issued after July 18 1984 is generally exempt from US withholding tax. -In addition, a foreign person who is a resident of a country with which the US has an income tax treaty may be entitled to a reduced withholding tax rate or an exemption from the US withholding tax.

In order to reduce or eliminate US withholding tax, the correct tax documentation must have been provided in respect of each owner. -To this end, FCM Clearing Members will be expected to provide one of the forms (noted below) to the Clearing House. -A current form will be required for each FCM Clearing Member.

The relevant forms will normally be one of:

(a) 'W-9 (Request for Taxpayer Identification Number and Certification)'. Applies to a US corporation including a foreign branch of a US corporation ; or

(b) 'W-8BEN (Certificate of Foreign Status)'.

Applies to non-resident alien individuals, foreign corporations, partnerships and estates.

FCM Clearing Members may obtain originals of forms W-8BEN and W-9 from Treasury Operations.

Note: The Clearing House's arrangements with the Custodians only allow for securities holdings of US corporations or foreign (i.e. non-US) entities or individuals. FCM Clearing Members who wish to discuss the possibility of lodging securities belonging to owners excluded from this arrangement should contact Treasury Operations.

Unless the Clearing House has already received the appropriate tax form, lodgements into A/c –numbers 735136, 735138, 206203 and 090401 must be accompanied by form W-9.

Unless the Clearing House has already received the appropriate tax form, lodgements into A/c –numbers 735137, 735139, 207887 and 090372 must be accompanied by form W-8.

The Clearing House's acceptance of US securities does not indicate any responsibility for the adequacy or otherwise of tax documentation. –Any queries in relation to these tax forms should be referred to your company accountant or professional advisers.

Completed tax forms should be returned to Treasury Operations for onward transmission to the Custodians.

Custodians offer a recovery service for overseas taxes on Government Bonds. The Clearing House will assist in the recovery process and remit to Clearing Members any recovery in withholding tax credited to the Clearing House's account by the Custodian.

In certain cases the Custodian/the Clearing House will withhold tax on a coupon if the correct documentation is not lodged with either the custodian/the Clearing House at the time when a coupon is due.

Italian Securities

The accounts are operated by the Clearing House in accordance with the Custodians –Procedures to Obtain Exemption from Italian Withholding Tax on Italian Domestic Debt Securities”.

Beneficial owners are entitled to exemption at source from Italian Withholding Tax on Italian securities if they are:

- (b) (b) a corporation resident in Italy; or
- (c) (c) a supranational organisation recognised by Italian Law.

Beneficial owners are required to supply duly completed and executed official forms as proof of eligibility to exemption, and where applicable supply additional documentation, before a delivery can be made.

Official forms are available on request from Treasury Operations Department.

Original forms are to be received by the Clearing House before Italian securities can be accepted within our accounts.

The effective date depends on the type and terms of the security:

- Coupon Debt securities (BTPs, CCTs and CTOs)

The new regime applies to the interest on these securities that starts to run on or after 1 January 1997, regardless of the issue date.

- Zero coupon debt securities with a maturity of less than one year (BOTs)

The regime applies to all securities issued on or after 1 January 1997.

Clearing Members should consult their own tax advisers before lodging Collateral to the Clearing House or submitting any tax documentation.

BUSINESS ~~Continuity~~ CONTINUITY**5. BUSINESS RECOVERY****5.1 Recovery Situations**

The FCM Procedures set out in this ~~section~~ Section are intended to provide FCM Clearing Members with a guide to the changes in working practices which would follow the invocation of the Clearing House's Business Continuity Plans.

Due to the uncertain nature of the events which would lead to the need for Business Recovery the Clearing House reserves the right to depart from these FCM Procedures to meet the characteristics of specific business recovery situations.

These FCM Procedures provide for the evacuation or decommissioning of Aldgate House. –The procedures detail the alterations to the Clearing House's operations and also the action to be taken on invocation of the Business Continuity Plans.

5.2 Recovery Situations Affecting ~~Members'~~ Members' Offices**5.2.1 During Office Hours**

FCM Clearing Members that are unable to gain access to their principal office accommodation and as a result require the Clearing House assistance should contact the Help Desk on +44 (0)20 7426 7200.

5.2.2 Outside Office Hours

FCM Clearing Members should telephone the Clearing House on +44 (0)20 7426 7545, leaving the following information:

Name:

Company Name:

Contact Telephone Number:

Brief Details of the Nature of the Problem:

A member of the Clearing House operational staff will then make contact regarding any assistance that can be given.

5.3 Aldgate House Evacuation**5.3.1 Communicating with FCM Clearing Members**

Should the Clearing House be forced to evacuate Aldgate House it will need to inform its FCM Clearing Members as soon as practicable. –The following sections detail a number of different messages that the Clearing House may wish to communicate. –However, in all cases the means by which information will be disseminated is the same.– Information will be communicated to FCM Clearing Members by the following methods:

- (a) facsimile transmissions to FCM Clearing Members designated fax machines;
- (b) posting messages on www.lchclearnet.com;

- (c) posting messages on the following toll free number 0044 800 1 69 69 09.

Some of the above communications methods can only be used to disseminate very short messages. -However the toll free number is capable of recording a message of up to ten minutes duration, and handling unlimited concurrent connections. -It is therefore likely to be the main method used for providing FCM Clearing Members with progress reports following an initial broadcast message.

5.3.2 Evacuation of Aldgate House

If it is necessary for the Clearing House to evacuate Aldgate House, and if re-entry to the building is unlikely within thirty minutes, FCM Clearing Members will be informed by disseminating the following message using the methods described in ~~section~~[Section](#) 5.3.1 above.

“The Clearing House has been forced to evacuate Aldgate House. -Please refer to Clearing House Procedures - Business Continuity Arrangements -for further information.”

At this time all of the activities normally carried out at Aldgate House will have ceased, if only temporarily. FCM Clearing Members will be kept informed of developments as further details become available.

Please note that the reason for broadcasting the above message is to provide FCM Clearing Members with early notification of an evacuation of Aldgate House. -At this stage no decision will have been taken to invoke Business Continuity Plans. -See ~~section~~[Section](#) 5.3.3 below for advice on how FCM Clearing Members will be notified of an invocation of the recovery plan.

5.3.3 Invoking of Business Continuity Plans

The Clearing House is contracted with a specialist provider for dedicated and syndicated work area recovery facilities. -The agreement between the Clearing House and the provider stipulates that dedicated work area recovery positions will be available immediately. -Syndicated recovery positions will be available within four hours of invocation.

Depending on the severity of an incident a full or partial invocation of the service may be required.

5.3.4 Limited Invocation

If the Clearing House’s assessment of the incident suggests that reoccupation of Aldgate House will be possible within two hours, then it is likely that only the mission critical activities (MCA) -will be recovered to the recovery site.- All other activities will cease until Aldgate House becomes available.

The following message will be posted:

“The Clearing House has invoked business continuity plans for its MCA’s. Please refer to the Clearing House’s Procedures - Business Continuity Arrangements for further information.”

5.3.5 Full Invocation

Once a decision has been taken to proceed with full invocation of business continuity plans FCM Clearing Members will be informed at the earliest opportunity. This will be achieved by disseminating the following message using the methods described in ~~section~~[Section](#) 5.3.1 above.

“The Clearing House has invoked all business continuity plans. Please refer to the Clearing House’s Procedures - Business Continuity Arrangements for further information.”

It is anticipated that a period of approximately two hours will elapse between the invocation of full business continuity plans and relocation of recovery teams. During this time most of the activities normally carried out at Aldgate House will cease.

Please note that the Clearing House’s primary data centre is not located at Aldgate House and so an evacuation of the site will not affect FCM Clearing Members’ ability to access IT applications.

5.3.6 Cover Calling

In order to simplify the Treasury process, it is likely that a number of routine Treasury Procedures may be amended or suspended. -These may include but are not limited to:

- (a) the acceptance/release of securities and guarantees;
- (b) the conversion of currencies;
- (c) the ability to cover liabilities in currencies other than their original currency.

5.3.7 Registration of Contracts

The Clearing House reserves the right, at its discretion, to amend the timing of registration as it deems necessary. -In the event that registration is to be delayed the Clearing House will notify FCM Clearing Members as soon as practically possible.

5.3.8 New Address for Document Delivery

Following invocation of the business continuity plans the Clearing House will provide new address details for document delivery. -Will arrange to have its mail forwarded to its office recovery site.

5.3.9 Permanent Change of Address

If an incident is so serious that the Clearing House is unable to reoccupy Aldgate House, FCM Clearing Members will be informed of the proposed new office location and contact numbers prior to occupation of the premises. -This information will be communicated via the methods described in ~~section~~[Section](#) 5.3.1.

FCM Clearing Members will be informed of the date when the new arrangements will take effect.

5.3.10 Return to Normal

When the Clearing House is able to resume a normal service a message will be disseminated using the methods described in ~~section~~[Section](#) 5.3.1 above. Assuming that it has been possible to return to Aldgate House the following message will be broadcast.

“The Clearing House has returned to Aldgate House. –Please revert to normal contact telephone numbers and procedures.”

If normal working is being resumed at a site other than Aldgate House FCM Clearing Members will already have been informed of the new office location and contact numbers see ~~section~~[Section](#) 5.3.10 above.– The following message will be broadcast.

“The Clearing House is resuming normal service at <insert location name>. –Please use the new contact numbers previously supplied.”

5.4 Clearing House Data Centre

5.4.1 Failure of LCH’s Data Centre

If the Clearing House’s primary data centre fails during business hours, those Clearing House IT systems that are used by FCM Clearing Members will be temporarily unavailable while processing is transferred to the secondary data centre.

 - (ii) to discontinue these Disciplinary Proceedings and refer the matter to the Chief Executive Officer of the Clearing House to take action in accordance with the provisions of the FCM Rulebook if the Clearing House believes there to be prima facie evidence of the Alleged Breach having been committed but the sanctions set out in Paragraph 8.4 of these Disciplinary Procedures are, in the Clearing House's reasonable opinion, inadequate; or
 - (iii) to take no further action.

Once the FCM Clearing Member has responded to the Report, either the FCM Clearing Member or the Disciplinary Committee can, within 7 days, request a meeting with the other party to ask further questions and discuss the Alleged Breach (the "Meeting").

This Paragraph 8.2(g) is without prejudice to the rights of the Disciplinary Committee to recommend that these Disciplinary Proceedings be discontinued and refer the matter to the Chief Executive Officer of the Clearing House to take action in accordance with the provisions of the Rules if the Disciplinary Committee has determined that the Alleged Breach has been committed but the sanctions set out in Paragraph 8.4 of these Disciplinary Procedures are, in the Disciplinary Committee's reasonable opinion, inadequate.

- (r) any other step calculated by the Clearing House to complete the process set out in Rule 8; and
- (s) to obtain such advice or assistance, whether legal advice or otherwise, as the Clearing House may deem necessary and at the expense of the defaulter for any matter arising out of or in connection with the default,

PROVIDED further that in the case of ForexClear Contracts, the steps which shall be taken by the Clearing House shall be set out in the ForexClear DMP Annex to these Default Rules.

- 7. (a) Where the Clearing House declares the defaulter's rights and liabilities under an open contract subject to tender discharged under Rule 6(k):
 - (i) those rights and liabilities and the rights and liabilities of the Clearing House under the open contract shall be discharged, and,
 - (ii) there shall arise between the defaulter and the Clearing House in respect of the open contract an obligation to account, as directed by

the Clearing House, for a settlement amount determined by the relevant Board under this Rule.

- (b) The settlement amount referred to in paragraph (a) shall be an amount which, at the request of the Clearing House, the relevant Board determines to represent adequate compensation (in the circumstances known to the Board) for the discharge of the mutual rights and liabilities of the defaulter and the Clearing House under the open contract. The Board's determination shall be conclusive. The Clearing House shall direct how the settlement amount is to be accounted for between the defaulter and itself.
 - (c) Neither the Clearing House nor any relevant Board or Exchange shall have any liability whatsoever for anything done or omitted in the determination of a settlement amount under this Rule.
8. Upon the discharge of the defaulter's rights and liabilities under or in respect of all Contracts to which it is party the following process shall, subject to any contrary provision in Rule 16, be completed by the Clearing House:
- (a) there shall be brought into account all sums payable: (i) by or to a defaulter in respect of Contracts (other than FCM SwapClear Contracts); any other sum due under the Regulations; any sum due in respect of any breach of the Regulations; (except, if the Clearing House so determines at its discretion, any sum payable under a Contract as the price for the commodity the subject of such Contract delivered or to be delivered to the Clearing House by or on behalf of the defaulter); and/or any amount due from the defaulter to the Clearing House in respect of any Treasury Contract; or (ii) by or to a defaulter in respect of FCM SwapClear Contracts; any other sum due under the FCM Regulations; and/or any sum due in respect of any breach of the FCM Regulations;
 - (b) the sums so payable shall be aggregated or set off so as to produce a net sum or as many net sums as required by Rule 10; and
 - (c) such net sum, or each such net sum:
 - (i) if payable by the defaulter to the Clearing House, shall be set off against any cover standing to the credit of the defaulter's account so as to produce a further net sum, or shall be aggregated with any debit balance of the defaulter's account, or
 - (ii) if payable by the Clearing House to the defaulter, shall be aggregated with any cover standing to the credit of the defaulter's account, or shall be set off against any debit balance of the defaulter's account so as to produce a further net sum.
 - (d) Where an amount is payable by the Clearing House to the defaulter in respect of a balance on its Proprietary Account or accounts, and there are amounts due to the Clearing House in respect of any client account or any FCM Omnibus OTC Client Account with LCH (as the case may be) operated by it, the balance on the Proprietary Account or accounts may be applied to meet the shortfall on the client account or accounts or on the FCM Omnibus OTC Client Account(s) with LCH (as the case may be) in any way which the Clearing House may determine.

For the purposes of paragraph (a) of this Rule the Clearing House may assess the sum payable by or to the defaulter in respect of any breach of the Regulations or the FCM Regulations (as the case may be) in such reasonable manner as it thinks fit.

9. The sum, or each sum, finally payable by the defaulter to the Clearing House or by the Clearing House to the defaulter, or the fact that no sum is finally payable by either such party to the other, as the case may be upon completion of the process set out in Rule 8, shall be forthwith certified by the Clearing House. The certificate of the Clearing House under this Rule shall be conclusive as to the discharge of the defaulter's rights and liabilities in respect of the Contracts to which it relates. The Clearing House shall, as soon as practicable after issuing a Default Notice in respect of a Clearing Member, appoint a day on which any net sums certified under this Rule to be due to the defaulter are to be paid by the Clearing House. The day so appointed may fall before or after the effective date of termination of the defaulter's Clearing Membership Agreement but shall not fall on a day before the process specified in Rule 8 can be completed.
10.
 - (a) Where the defaulter has more than one account with the Clearing House, the defaulter's accounts shall be combined for the purpose of Rules 8 and 9 as follows: an account which is an FCM Omnibus OTC Client Account with LCH of the defaulter may only be combined with other FCM Omnibus OTC Client Accounts with LCH of the defaulter; an account which is a Proprietary Account of the defaulter may be combined with any other Proprietary Accounts of the defaulter and (if the Clearing House so elects) Treasury Accounts of the defaulter (subject to Rule 8(d) and 10(d) of the Default Rules); and an account which is a Treasury Account of the defaulter may only be combined with other Treasury Accounts and (if the Clearing House so elects) Proprietary Accounts of the defaulter. Notwithstanding the foregoing, in no circumstances may an account which is an Individual Segregated Account of the defaulter or an Omnibus Net Segregated Account of the defaulter be combined with any other account of the defaulter.
 - (b) For the purposes of this Rule 10, each Individual Segregated Account of the defaulter and each Omnibus Net Segregated Account of the defaulter shall constitute a separate "kind of account". Where the defaulter has more than one kind of account with the Clearing House, the process set out in Rule 8 shall be separately completed in respect of each kind of account. In the case of each kind of account of the defaulter which is not an Omnibus Net Segregated Account, the sum finally payable in respect of that kind of account following completion of the process set out in Rule 8 shall be separately certified under Rule 9. In the case of each kind of account of the defaulter which is an Omnibus Net Segregated Account, the sum finally payable in respect of that kind of account following completion of the process set out in Rule 8 will be allocated by the Clearing House (pro rata as it sees fit in its sole discretion) between the Omnibus Net Segregated Clearing Clients sharing in that Omnibus Net Segregated Account. Each sum so allocated to an Omnibus Net Segregated Clearing Client shall be separately certified under Rule 9.
 - (c) In Rule 8(c) the "defaulter's account" means:
 - (i) with regard to a net sum produced by reference to Contracts registered in an Individual Segregated Account of the defaulter, that Individual Segregated Account;

- (ii) with regard to a net sum produced by reference to Contracts registered in an Omnibus Net Segregated Account of the defaulter, that Omnibus Net Segregated Account;
 - (iii) with regard to a net sum produced by reference to FCM SwapClear Contracts registered in one or more FCM Omnibus OTC Client Accounts with LCH of the defaulter, that FCM Omnibus OTC Client Account with LCH, or (if there is more than one) all those FCM Omnibus OTC Client Accounts with LCH combined;
 - (iv) with regard to a net sum produced by reference to Contracts registered in one or more Proprietary Accounts of the defaulter, that Proprietary Account or those Proprietary Accounts combined and (if the Clearing House has elected in accordance with Rule 10(a)) any Treasury Accounts of the defaulter; and
 - (v) with regard to a net sum produced by reference to one or more Treasury Accounts of the defaulter, that Treasury Account or those Treasury Accounts combined, and (if the Clearing House has elected in accordance with Rule 10(a)) Proprietary Accounts.
- (d) Notwithstanding any provision of the Rulebook to the contrary, any loss which relates to a Treasury Account may not be treated as a Default Loss (as defined in Rule 23(b)), whether or not cover has been applied in respect of such loss. Nothing in this Rule 10(d) requires the Clearing House to apply cover in respect of any such loss instead of any other amount referred to in Rule 8(a), except that the Clearing House may not apply cover in respect of any such loss to the extent that doing so would give rise to an Excess Loss (as defined in Rule 15).
11. Without further authorisation, permission or cooperation from the defaulter, the Clearing House may appoint any person to take or assist it in taking any step under these Rules or to complete or assist it in completing the process set out in Rule 8.
12. The Clearing House may co-operate, by the sharing of information and otherwise, with any Regulatory Body or relevant Exchange, any relevant office-holder acting in relation to the defaulter or its estate and any other authority or body having responsibility for, or any Clearing Member having an interest in, any matter arising out of or connected with the circumstances mentioned in Rule 3.
13. In addition to such copy report as it supplies under section 162(3) of the Companies Act 1989, the Clearing House shall report to the defaulter, or any relevant office-holder acting in relation to the defaulter or its estate, on steps taken in relation to the defaulter under Rule 6.

"**Risk Neutralisation**" means the process of reducing the market risk associated with a Defaulting SCM's obligations to the Clearing House under SwapClear Contracts by hedging the exposure prior to the auction process as described in Rule 2.2 of this Annex;

"**Short Bidder**" has the meaning given in Rule 2.5.3 of this Annex;

"**SwapClear Default Management Process Completion Date**" means the date when the SwapClear Default Management Process in relation to a Default has been completed as determined by the Clearing House in consultation with the SwapClear DMG and notified to all SCMs;

"**SwapClear DMG**" means the advisory Default Management Group established by the Clearing House pursuant to the terms of this Annex;

"**SwapClear DMP or SwapClear Default Management Process**" means the processes of the Clearing House outlined in this Annex, as the same may be supplemented and/or amended from time to time in accordance with this Annex; and

"**Worst Case Loss**" means, in respect of an Auction Portfolio or all of the SwapClear Contracts of a Non-Defaulting SCM denominated in a particular currency, the largest loss which could be incurred by the Clearing House in respect of the relevant group of SwapClear Contracts, as determined by the Clearing House using the SwapClear PAIRS margining algorithm based on 1250 historical scenarios (5 years history) and a holding period of 5 days.

1.5 Terms used in this Annex which are not defined herein shall have the meanings given to them in the Regulations and in the FCM Regulations.

2. **SwapClear Clearing House Business and FCM House Business**

The SwapClear Default Management Process in respect of SwapClear Clearing House Business and FCM House Business shall involve the stages described in this Rule 2.

2.1 Portfolio Splitting

The Clearing House, in consultation with and the assistance of the SwapClear DMG, shall determine the composition of each Auction Portfolio and shall have the discretion to divide a Portfolio into two or more individual Auction Portfolios with the aim of facilitating the efficiency of, and reducing the risk associated with, the auction process provided for in Rule 2.3 of this Annex. The overriding principle is that the Clearing House will structure Auction Portfolios with the intention of ensuring a SwapClear DMP which best protects the resources of the Clearing House, subject to compliance with applicable provisions of the CEA and regulations of the CFTC regarding segregation of client assets. Therefore, nothing in this Rule 2.1 shall be deemed to imply: (a) that the Clearing House is under any obligation to split a particular Portfolio of a Defaulting SCM (regardless of the number of SwapClear Contracts that such Portfolio contains); or (b) any particular requirements as to the composition of an individual Auction Portfolio, except that, subject to overriding risk

procedures it is broadly anticipated that the parameters of any Auction Portfolio shall not be materially different to those set out in the Clearing House's fire drill.

2.2 Risk Neutralisation

The Clearing House will, in consultation with and with the assistance of the SwapClear DMG, reduce the market risk associated with a Defaulting SCM's obligations to the Clearing House so far as is reasonably practicable by hedging the Clearing House's exposure in open SwapClear Contracts to which the Defaulting SCM is party. All such hedging shall be undertaken by the Clearing House with SCMs, on the basis of separate agreements between the Clearing House and each such SCM. The aim of Risk Neutralisation is to reduce market exposure to within defined tolerance limits expressed as deltas or other measures of market risk and as established from time to time by the Clearing House in consultation with the SwapClear DMG or as may reasonably be determined by the Clearing House in consultation with the SwapClear DMG once a Default has been declared under the Default Rules. For the avoidance of doubt, Risk Neutralisation may happen prior to, concurrently with and/or subsequently to the splitting of a Portfolio pursuant to Rule 2.1 above.

2.3 Auction

2.3.1 Following the completion of Risk Neutralisation, the Clearing House shall auction each Auction Portfolio to Non-Defaulting SCMs. The Clearing House, in consultation with the SwapClear DMG, shall prescribe such procedures (in addition to those set out herein) for the conduct of the auction process as it considers reasonably appropriate from time to time.

2.3.2 The Clearing House shall notify each SCM of all details that may be reasonably required in relation to an Auction Portfolio prior to the relevant Auction.

2.3.3 The auction process may take place over a number of days and Auctions of different Auction Portfolios may take place at different times.

2.3.4 SCMs will submit bids to the Clearing House representatives on the SwapClear DMG, who will ensure that the identities of the bidders are not revealed to the SCM representatives on the SwapClear DMG. For the avoidance of doubt, an SCM shall be entitled to submit a bid on behalf of one or more affiliated SCMs. The SwapClear DMG will oversee the bidding process in a manner which it considers best protects the resources of the Clearing House and ensures an orderly process.

2.3.5 The Clearing House in consultation with the SwapClear DMG will have full discretion in deciding whether or not to accept a particular bid in an Auction and, in so deciding, will take into account the relevant factors that determine risk premiums, as well as the range of bids received relative to initial margin held and, subject to their availability, the Clearing House resources as set out in Rule 16 of the Clearing House's Default Fund Rules. In the event that more than one SCM submits a bid of the same value (each an "Equal Bid"), the Clearing House will, subject to its discretion to reject all such Equal Bids, select the bid which was received first in time.

2.3.6 In the case of an Auction in which no bid is accepted or received (as the case may be), one or more further Auctions will be held in relation to the relevant Auction Portfolio. As soon as practicable following an Auction:

- (a) in the event that a bid was accepted, the Clearing House will notify those Currency Participants in the relevant Auction Currency together with any other SCMs who participated in the Auction that a bid was accepted and shall notify the SCM who submitted the accepted bid that its bid was accepted;
- (b) in the event that no bid was accepted, the Clearing House will notify all SCMs of the details of any further Auction.

2.3.7 The SCM agrees to use all reasonable efforts to make a bid in an Auction for an Auction Portfolio in respect of which such SCM is a Currency Participant.

2.4 Auction Incentive Pools

2.4.1 Before commencing the auction process, the Clearing House will calculate an auction incentive pool (each an “AIP”) for each individual Auction Portfolio for the purposes of providing an initial allocation of the resources potentially available to it to satisfy any loss incurred in the Auction of each such Auction Portfolio. Notwithstanding such initial allocation, any resources utilised by the Clearing House will be allocated in accordance with Rule 2.5 below.

2.4.2 For each AIP, the resources shall be allocated as follows:

- (a) the resources of the Defaulting SCM (in the form of: (i) that part of the Margin Cover for the SwapClear Contracts of the Defaulting SCM pursuant to Rule 16(1) of the Default Fund Rules and (ii) the SwapClear Contribution made by the Defaulting SCM to the SwapClear Default Fund) available pursuant to Rule 16(2) of the Default Fund Rules at the time of the auction process will be allocated to the AIPs based on the proportion that (a) the risk of the relevant Auction Portfolio bears to (b) the aggregate of the risks (on an absolute basis) for all Auction Portfolios; the portion of the Capped Amount applied to the SwapClear Business of the Defaulting SCM pursuant to Rule 16(3) of the Default Fund Rules will be allocated to the AIPs based on the proportion that (a) the risk of the relevant Auction Portfolio bears to (b) the aggregate of the risks (on an absolute basis) for all Auction Portfolios; and
- (b) the Non-defaulters’ Contribution of each SCM and the total value of the SwapClear Unfunded Contributions which would be callable but have not been called by the Clearing House from the relevant SCM in respect of the relevant Default in accordance with Rule S8 of the Default Fund Rules (the “**Potential Unfunded Contributions**”) will, subject to Rule 2.4.3 below, be allocated between the AIPs relating to the Auction Portfolios in which the relevant SCM is a Currency Participant based on the proportion that: (a) the risk of the SwapClear Contracts of such SCM denominated in the relevant currency bears to (b) the aggregate of the amounts calculated in (a) in respect of each currency in which the relevant SCM is a Currency Participant.

2.4.3 Where a Portfolio for a particular Swapclear currency has been split into two or more Auction Portfolios, the Non-defaulters’ Contributions and Potential Unfunded Contributions allocated to the AIP related to the relevant Portfolio will be further divided for the purposes of allocation into AIPs relating to the relevant Auction Portfolios based on the proportion that (a) the risk of the

SwapClear Contracts in each such Auction Portfolio bears to (b) the aggregate of the amounts calculated in (a) for each of the Auction Portfolios in the relevant currency.

2.5 Loss Attribution

2.5.1 Following the completion of all Auctions of all Auction Portfolios of the Defaulting SCM, the Clearing House will determine whether losses incurred by it as a result of such Auctions are such that the Non-defaulters' Contributions must be utilised. Where applicable, such losses will be allocated to Non-defaulters' Contributions in accordance with the loss attribution process described in Rules 2.5.2 to 2.5.8 of this Annex.

2.5.2 For each Auction Portfolio, losses to the Clearing House will be met using the resources as set out in Rule 16. In applying those resources, the Clearing House will allocate the losses in respect of each Auction Portfolio (the "**Auction Losses**") by reference to the resources allocated to the AIPs related to such Auction Portfolios in accordance with Rule 2.4 of this Annex. Where there are no Auction Losses in respect of an Auction Portfolio or the Auction Losses in respect of an Auction Portfolio do not require the full amount of the resources referred to in sub-paragraphs (a) and (b) of Rule 2.4.2 of this Annex allocated to the AIP related to the relevant Auction Portfolio (the "**Initial Resources**") to be fully utilised, the relevant surplus Initial Resources will be allocated pro rata between those AIPs relating to Auction Portfolios in respect of which there are Auction Losses requiring the utilisation of resources beyond the Initial Resources available in the relevant AIP in accordance with Rule 16(1), 16(2) and 16(3) until such time as all Initial Resources have been fully utilised.

2.5.3 In the case of each Auction for which there are Auction Losses in respect of which the Non-defaulters' Contributions must be utilised, those Non-defaulter's Contributions, not including, for these purposes, any part of such Non-defaulters' Contributions that reflect any SwapClear Unfunded Contribution deposited with the Clearing House pursuant to the Default in respect of which the relevant Auction was held (the "**Original Contributions**") and which have been allocated to the AIP relating to the relevant Auction Portfolio (the "**Relevant Original Contributions**") will be used first in the following order:

~~(a)~~(i) The Auction Losses will be attributed to the Relevant Original Contributions of those SCMs who are Currency Participants in the Auction Currency and who did not bid in the relevant Auction. Auction Losses will be attributed to the Relevant Original Contribution of an individual SCM pursuant to this sub-paragraph (i) based upon the proportion that: (a) the value of the Relevant Original Contribution of such SCM bears to (b) the total value of the Relevant Original Contributions of all SCMs who are Currency Participants in the Auction Currency and who did not bid in the relevant Auction;

~~(b)~~(ii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (i) above, those Auction Losses will be attributed to the Relevant Original Contributions of the Short Bidders. For the purposes of this sub-paragraph (ii) and sub-paragraph (ii) of Rule 2.5.6 of this Annex the term "Short Bidder" means any SCM who is a Currency Participant in

the Auction Currency and who submitted an unsuccessful bid in the relevant Auction save for any SCM who submitted a higher bid in an Auction than the bid accepted by the Clearing House in accordance with Rule 2.3.4 of this Annex (each such SCM, a "Higher Bidder" and each such bid, a "Higher Bid").

Auction Losses will be attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) based upon the proportion that (a) the variance of the bid of such Short Bidder from the winning bid (denominated in units of the relevant Auction Currency) bears to (b) the sum of the variances of the bids of all Short Bidders from the winning bid (denominated in units of the relevant Auction Currency);

Where the value of the Auction Losses attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) is greater than the value of the Relevant Original Contribution of such Short Bidder, the relevant excess Auction Losses will be attributed to each Short Bidder whose Relevant Original Contribution exceeds the value of the Auction Losses which have been attributed to it pursuant to this sub-paragraph (ii) (each a "Remaining Original Short Bidder") by (a) calculating the amount which is the bid of the relevant Remaining Original Short Bidder divided by the sum of the bids of all Remaining Original Short Bidders; and (b) multiplying such amount by the value of the relevant excess Auction Losses;

The Clearing House will repeat the loss attribution process described in this sub-paragraph (ii) until the first to occur of (a) the Auction Losses being fully met; and (b) the Relevant Original Contributions of all Short Bidders being fully attributed; and

~~(e)~~(iii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (ii) above, those Auction Losses will be attributed to the Relevant Original Contribution of the SCM who submitted the winning bid, together with, where applicable, the Relevant Original Contribution of any SCM who submitted a bid which is an Equal Bid or a Higher Bid in relation to that winning bid. The outstanding Auction Losses will be attributed to the Relevant Original Contribution of an individual SCM pursuant to this sub-paragraph (iii) based upon the proportion that: (a) the value of the Relevant Original Contribution of such SCM bears to (b) the total value of the Relevant Original Contributions of (i) the SCM who submitted the winning bid; (ii) any SCMs who submitted an Equal Bid to such winning bid; and (iii) any SCMs who were Higher Bidders, in the relevant Auction.

If, for an Auction Portfolio, there remain Auction Losses outstanding after the attribution process referenced to in sub-paragraph (iii) above, and there are AIPs relating to other Auction Portfolios in the same Auction Currency in which the Relevant Original Contributions have not been fully utilised, the Clearing House shall attribute the remaining Auctions Losses amongst such Remaining Original Contributions through the attribution process set out in sub-paragraphs (i) to (iii) above.

2.5.4 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.3 above, those Auction Losses will

be attributed to the Original Contributions of those SCMs who are Currency Participants in any other Auction Currency in relation to which Auction Losses have arisen to the extent that Non-defaulters' Contributions must be utilised (each a "**Losing Currency**") and whose Original Contributions have not yet been fully utilised (each a "**Losing Currency Original SCM**"). Such remaining Auction Losses will be attributed to any remaining Original Contribution of each such SCM pursuant to this Rule 2.5.4 based upon the proportion that: (a) the risk of all of the SwapClear Contracts of such SCM denominated in each of the Losing Currencies bears to (b) the aggregate of the amounts calculated in (a) for all Losing Currency Original SCMs. The Clearing House will repeat the loss attribution process described in this Rule 2.5.4 until the first to occur of (a) the Auction Losses being fully met; and (b) the Original Contributions of all Losing Currency Original SCMs being fully attributed.

2.5.5 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.4 above, those remaining Auction Losses will be allocated to the Original Contributions of each SCM who is not a Currency Participant in any of the Losing Currencies based upon the proportion that (a) the value of each such Original Contribution bears to (b) the aggregate of the amounts calculated in (a) for each of such SCMs.

2.5.6 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.5 above, the SwapClear Unfunded Contributions which have been allocated to the AIP relating to the relevant Auction Portfolio (the "**Relevant Unfunded Contributions**") will be used first in the following order:

~~(a)~~(i) The Auction Losses will be attributed to the Relevant Unfunded Contributions of those SCMs who are Currency Participants in the Auction Currency and who did not bid in the relevant Auction. Auction Losses will be attributed to the Relevant Unfunded Contributions of an individual SCM pursuant to this sub-paragraph (i) based upon the proportion that: (a) the value of the Relevant Unfunded Contribution of such SCM bears to (b) the total value of the Relevant Unfunded Contributions of all SCMs who are Currency Participants in the Auction Currency and who did not bid in the relevant Auction;

~~(b)~~(ii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (i) above, those Auction Losses will be attributed to the Relevant Unfunded Contributions of the Short Bidders in the relevant Auction. Auction Losses will be attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) based upon the proportion that (a) the variance of the bid of such Short Bidder from the winning bid (denominated in units of the relevant Auction Currency) bears to (b) the sum of the variances of the bids of all Short Bidders from the winning bid (denominated in units of the relevant Auction Currency);

Where the value of the Auction Losses attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) is greater than the value of the Relevant Unfunded Contribution of such Short Bidder, the relevant excess Auction Losses will be attributed to each Short Bidder whose Relevant Unfunded Contribution exceeds the value of the Auction Losses which have been attributed to it pursuant to this sub-paragraph (ii) (each a "**Remaining Unfunded Short Bidder**") by (a) calculating

the amount which is the bid of the relevant Remaining Unfunded Short Bidder divided by the sum of the bids of all Remaining Unfunded Short Bidders; and (b) multiplying such amount by the value of the relevant excess Auction Losses;

The Clearing House will repeat the loss attribution process described in this sub-paragraph (ii) until the first to occur of (a) the Auction Losses being fully met; and (b) the Relevant Unfunded Contributions of all Short Bidders being fully attributed; and

~~(e)~~(iii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (ii) above, those Auction Losses will be attributed to the Relevant Unfunded Contribution of the SCM who submitted the winning bid, together with, where applicable, the Relevant Unfunded Contribution of any SCM who submitted a bid which is an Equal Bid or a Higher Bid in relation to that winning bid. The outstanding Auction Losses will be attributed to the Relevant Unfunded Contribution of an individual SCM pursuant to this sub-paragraph (iii) based upon the proportion that: (a) the value of the Relevant Unfunded Contribution of such SCM bears to (b) the total value of the Relevant Unfunded Contributions of (i) the SCM who submitted the winning bid; (ii) any SCMs who submitted an Equal Bid to such winning bid; and (iii) any SCMs who were Higher Bidders, in the relevant Auction.

If, for an Auction Portfolio, there remain Auction Losses outstanding after the attribution process referenced to in sub-paragraph (iii) above, and there are AIPs relating to other Auction Portfolios in the same Auction Currency in which the Relevant Unfunded Contributions have not been fully utilised, the Clearing House shall attribute the remaining Auctions Losses amongst such Remaining Unfunded Contributions through the attribution process set out in sub-paragraphs (i) to (iii) above.

2.5.7 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.6 above, those Auction Losses will be attributed to the SwapClear Unfunded Contributions of those SCMs who are Currency Participants in any other Losing Currency and whose SwapClear Unfunded Contributions have not yet been fully utilised (each a "**Losing Currency Unfunded SCM**"). Such remaining Auction Losses will be attributed to any remaining SwapClear Unfunded Contributions of each such SCM pursuant to this Rule 2.5.7 based upon the proportion that: (a) the risk of all of the SwapClear Contracts of such SCM denominated in each of the Losing Currencies bears to (b) the aggregate of the amounts calculated in (a) for all Losing Currency Unfunded SCMs. The Clearing House will repeat the loss attribution process described in this Rule 2.5.7 until the first to occur of (a) the Auction Losses being fully met; and (b) the SwapClear Unfunded Contributions of all Losing Currency Unfunded SCMs being fully attributed.

2.5.8 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.7 above, those remaining Auction Losses will be allocated to the SwapClear Unfunded Contributions of each SCM who is not a Currency Participant in any of the Losing Currencies based upon the proportion that (a) the value of each such SwapClear Unfunded Contribution bears to (b) the aggregate of the amounts calculated in (a) for each of such SCMs.

2.6 For the purposes of Rules 2.4 and 2.5 above, all references to the risk associated with an Auction Portfolio or with all of the SwapClear Contracts of a Non-Defaulting SCM denominated in a particular currency shall be references to such risk as determined by the Clearing House in its sole discretion on the basis of Worst Case Loss.

3. **Default Management in respect of SwapClear Clearing Client Business and FCM Client Business**

3.1 The SwapClear DMP in respect of any contract which is a SwapClear Contract in respect of SwapClear Clearing Client Business shall involve the stages described in Regulation 52B.

3.2 The SwapClear DMP in respect of any contract which is an FCM SwapClear Contract in respect of FCM Client Business shall be conducted in accordance with FCM Regulation 98(g).

4. **Transfer of Cash Flows and Registration of Positions**

4.1 Following the disposal of an Auction Portfolio by way of Auction (and notwithstanding that other Auction Portfolios of the Defaulting SCM may not yet have been auctioned) the Clearing House, will, with the co-operation of the SCMs, transfer to the SCM whose bid won that Auction Portfolio the rights and obligations, from the Defaulting SCM, arising out of the positions which that SCM has successfully bid for under the SwapClear Default Management Process. Such transfer may take place by way of registration of new positions with the Clearing House in the name of the relevant SCM, or novation of rights and obligations to the relevant SCM. All such registrations shall be made in a way that recognises the variation margin paid or received in relation to the SwapClear Contracts of the Defaulting SCM representing such new positions.

4.2 In order to effect the transfer of positions, the Clearing House shall prescribe such procedures and timetable as it considers reasonably appropriate in the circumstances. SCMs will be required to exercise best endeavours to comply with such requirements as may be established by the Clearing House, after consultation with the SwapClear DMG, to effect the transfer of positions, including but not limited to the payment of any sums due as a result of the winning bid and the provision of cover in an amount required by the Clearing House for initial margin and variation margin in respect of positions which are to be registered in their names. The Clearing House agrees that in such procedures it shall make provision for set-off by the Clearing House of amounts owed by the Clearing House to the SCM as a result of the operation of the SwapClear DMP against sums owed by the SCM to the Clearing House in respect thereof.

4.3 Where, as a result of an Auction, the Clearing House is required to make a payment to a SCM in respect of a winning bid, the Clearing House shall not be permitted to register any position, whether as a new position or as a novation of existing rights and obligations, to any such SCM if the Clearing House does not simultaneously credit that SCM with the requisite amount. If any position is so registered without such payment, such registration shall be deemed void *ab initio* and unenforceable against the relevant SCM. For the avoidance of doubt, the Clearing House will utilise the resources available to it pursuant to Rule 16 of the Default Fund Rules for the purposes of making such a payment notwithstanding that other Auction Portfolios of the Defaulting SCM may not yet have been auctioned and that the loss attribution process provided for by Rule 2.5 of this Annex has not yet occurred.

5. Information Regarding the SwapClear DMP

Whenever the SwapClear DMP is implemented by the Clearing House in respect of a Defaulting SCM, the Clearing House will, with the assistance of the SwapClear DMG, provide such ongoing information to SCMs as the Clearing House deems reasonably appropriate in respect of the progress of the SwapClear DMP.

Nothing in this Rule 5 shall require the Clearing House to disclose information in respect of the SwapClear DMP which, in the reasonable opinion of the Clearing House, may be subject to obligations of confidentiality, may constitute market sensitive data or is, in the Clearing House's reasonable opinion, inappropriate for disclosure to SCMs.

6. Bankruptcy Code and Related Issues

Notwithstanding any other provision of this Annex in the event of a Default by an FCM Clearing Member, the completion of any and all actions, including but not limited to any transfers or transactions, permitted or required to be taken by the Clearing House hereunder shall be subject in all respects to the provisions of the Bankruptcy Code, Part 190 of the regulations of the CFTC, the Dodd-Frank Wall Street Reform and Consumer Protection Act 2010, and the receipt of any approvals required under the Bankruptcy Code or such regulations.

7. CEA Issues

Notwithstanding any other provision of this Annex in the event of a Default by an FCM Clearing Member, the operation of this Annex shall in all respects be subject to applicable provisions of the CEA and CFTC regulations regarding the handling, custody, liquidation, transfer and disposition of client positions and assets, including but not limited to those provisions requiring segregation of client assets and prohibiting application of the assets of non-defaulting clients to amounts owed by defaulting clients.

8. Miscellaneous

8.1 Subject to Rules 2.4 and 2.5 of this Annex, the resources available to the Clearing House and their order of use are defined in Rule 16 of the Default Fund Rules as modified and/or supplemented by the SwapClear Default Fund Supplement.

8.2 The Clearing House may from time to time supplement the details of any of the stages set out in Rule 2 of this Annex or any other aspects of the SwapClear DMP, in consultation with the SwapClear DMG, either by way of further Guidance or immediately on notice to SCMs on a case-by-case basis where the Clearing House deems it appropriate to do so in the circumstances of the Default, provided that the Clearing House may not take any such action that effects a material change to the terms of this Annex without the written consent of 50% of all SwapClear Clearing Members unless such change is invoked unilaterally against all SCMs and is necessary to manage the Clearing House's risk or otherwise to meet the Clearing House's continuing regulatory obligations including those applicable to it as a Recognised Clearing House and a Derivatives Clearing Organization. The Clearing House agrees that, in the ordinary course, it shall discuss any such Guidance with the SwapClear DMG prior to bringing the Guidance into effect except that it shall not be required to do so where (i) the Guidance is not material to the rights and obligations of the SCMs or (ii) the Clearing House deems it inappropriate to do so in the circumstances of the Default and it is not possible to convene the SwapClear DMG in timely fashion.

8.3 The timetable for implementation of the stages of the SwapClear Default Management Process following issue of a Default Notice by the Clearing House shall be either (1) as prescribed by the Clearing House from time to time in consultation with the SwapClear DMG and set out in Guidance; or (2) imposed by the Clearing House without prior notice to the SCMs on a case-by-case basis where the Clearing House, in consultation with the SwapClear DMG, deems it appropriate to do so in the circumstances of the Default.

9. Role and Constitution of SwapClear DMG

9.1 The SwapClear DMG shall meet at regular intervals in order to:

9.1.1 keep under review the SwapClear DMP, together with any Guidance issued in respect thereof;

9.1.2 keep under review the terms of reference of the SwapClear DMG to ensure they remain appropriate;

9.1.3 consider appropriate supplements or amendments to the SwapClear DMP and/or Guidance in order to improve the procedures in place; and

9.1.4 consider any other business relevant to the SwapClear DMP which any member of the SwapClear DMG from time to time sees fit to raise at such meetings.

9.2 The members of the SwapClear DMG shall also meet within one hour, or as soon as reasonably practical, following notification by the Clearing House that a Default Notice has been served upon an SCM, and at sufficiently frequent intervals thereafter for so long as may be necessary to assist the Clearing House in the implementation of the SwapClear DMP as contemplated under this Agreement. Such implementation shall include, without limitation, the provision of general default management advice with regard to: (1) the ongoing obligations of the Clearing House to its non-defaulting members; (2) the neutralisation and closing-out of the individual obligations of the Defaulting SCM; and (3) the splitting of Portfolios and the disposal of Auction Portfolios in accordance with the SwapClear DMP. Where it is not possible or practicable for the SCM to provide its nominated representative within an appropriate timeframe, it shall provide an alternate of suitable experience and expertise to participate on the SwapClear DMG.

9.3 The SwapClear DMG shall be made up of the following individuals who, unless stated otherwise, shall be appointed by the Clearing House which shall ensure that the composition is such as to provide effective review of the SwapClear DMP and suitable expertise and representation of market-making capacity in the event of a Default:

9.3.1 in the event of the issuance of a Default Notice, the chief executive or deputy chief executive of the Clearing House, who shall act as chairman;

9.3.2 representatives of at least five SCMs, being senior executives with appropriate skills and expertise;

9.3.3 at least one director (staff member of director grade) of the Clearing House's Risk Management department; and

9.3.4 such other individuals as the SwapClear DMG considers appropriate from time to time in relation to individual meetings.

- 9.4 For the purpose of SwapClear DMG meetings convened to deal with a specific Defaulting SCM, the Clearing House may, after consultation with the SwapClear DMG, invite the Defaulting SCM to nominate one or more representatives to join the SwapClear DMG to assist it in carrying out its functions in the SwapClear DMP for that Defaulting SCM, and also request representatives from any other SCMs. In the event of receiving such request, the SCM shall be obliged to provide its nominated representative, or an alternate with appropriate skills, experience and expertise, as if the SCM were a member of the SwapClear DMG.
- 9.5 In establishing the SwapClear DMG, the Clearing House agrees that in the normal course of events (not including the Clearing House's declaration of a Default and the invocation of the processes as outlined in Rules 2, 3 and 4 of this Annex) it will, as far as practicable, and in accordance with the terms of reference of the SwapClear DMG, rotate the membership of the SwapClear DMG on a regular basis and amongst all SCMs. The SCM agrees that, when requested to do so by the Clearing House, it will make available a representative to participate in the SwapClear DMG. The Clearing House shall agree with the SCM the identity of such representative and shall be able to request a substitute where it believes the SCM's nominated representative does not have the requisite skills or expertise.
- 9.6 Each SCM who makes available a representative to serve on the SwapClear DMG agrees, and shall procure that, to the extent applicable, its representative agrees:
- 9.6.1 to ensure that such representative will be fully available, at any time and for such periods of time as the Clearing House may require during the course of a Default, to perform his function as a member of the SwapClear DMG including attending meetings, considering and advising the Clearing House upon aspects of the SwapClear DMP. The SCM shall ensure that a representative's other work commitments do not affect his availability for this purpose;
- 9.6.2 to take all steps to respect the confidential capacity in which such a representative receives information through the SwapClear DMG and to establish adequate procedures to prevent the disclosure or use for any commercial purpose outside the scope of the SwapClear DMP of any such confidential information by the SCM or its representative. Such procedures shall normally include, without limitation, the establishment of Chinese walls within the SCM; and
- 9.6.3 to be bound by and to ensure that it and any of its executives or directors serving on the SwapClear DMG complies with the requirements contained in the Procedures or the FCM Procedures (as the case may be).
- 9.7 Each SCM shall accept that:
- 9.7.1 representatives of SCMs serving on the SwapClear DMG are doing so in order to assist the Clearing House in ensuring the on-going integrity of the SwapClear service in the interests of Non-Defaulting SCMs; and
- 9.7.2 representatives of SCMs serving on the SwapClear DMG and their employers shall have no liability for any disinterested advice or actions, mandated or otherwise, that are undertaken as part of the SwapClear Default Management Process, provided, however, that nothing in this Rule 8.7.2 shall exclude the liability of such representatives and employers for any personal injury or death caused by their negligence or for any fraud or wilful default on the part of such representatives and employers.

- 9.8 The Clearing House agrees that, in exercising its rights and obligations in consulting with the SwapClear DMG pursuant to this Agreement, it will use all reasonable commercial endeavours to agree a common position with the SwapClear DMG, provided that nothing in this Rule shall prevent the Clearing House acting in a way which it reasonably determines necessary to manage its risk or otherwise meet its continuing regulatory obligations including those applicable to it as a Recognised Clearing House and a Derivatives Clearing Organization.

FOREXCLEAR DMP ANNEX**1. SCOPE AND INTERPRETATION**

- 1.1 The Clearing House has established a ForexClear DMP which will apply to ForexClear Contracts following the issue of a Default Notice relating to a ForexClear Clearing Member and in respect of which, for the avoidance of doubt, the Clearing House will have no recourse to the process of invoicing-back. The fundamental principles of the ForexClear DMP are elaborated to the fullest extent possible in this Annex. Where exhaustive detail cannot be laid out in the provisions of this Annex, the ForexClear DMP will be undertaken on the basis of the principles contained herein.
- 1.2 The Clearing House has an obligation to ensure the on-going integrity of the ForexClear service and ForexClear Contracts in the interests of the Non-Defaulting FXCCMs. When a ForexClear Clearing Member defaults, Non-Defaulting FXCCMs are required to supply impartial expertise through the ForexClear DMG and to bid for the Auction Portfolios of a Defaulting FXCCM, as laid out in this Annex. In addition, most FXCCMs or their parent companies or subsidiaries or fellow subsidiaries, have direct interests in that integrity, notably as contributors to the various default funds of the Clearing House. Each FXCCM shall take all steps and execute all documents necessary or required by the Clearing House to comply with its obligations as a FXCCM arising out of this ForexClear DMP Annex.

2. **FOREXCLEAR ~~DEFAULT MANAGEMENT PROCESS~~ CLEARING HOUSE BUSINESS AND FCM HOUSE BUSINESS**

The ForexClear Default Management Process in respect of ForexClear Clearing House Business and FCM House Business shall involve the stages described in this Rule 2.

2.1 **Portfolio Splitting**

The Clearing House, in consultation with and the assistance of the ForexClear DMG, shall determine the composition of each Auction Portfolio and shall have the discretion to divide a Portfolio into two or more individual Auction Portfolios with the aim of facilitating the efficiency of, and reducing the risk associated with, the auction process provided for in Rule 2.3 of this Annex. The overriding principle is that the Clearing House will structure Auction Portfolios with the intention of ensuring a

ForexClear DMP which best protects the resources of the Clearing House, subject to compliance with applicable provisions of the CEA and regulations of the CFTC regarding segregation of client assets. Therefore, nothing in this Rule 2.1 shall be deemed to imply: (a) that the Clearing House is under any obligation to split a particular Portfolio of a Defaulting FXCCM (regardless of the number of ForexClear Contracts that such Portfolio contains); or (b) any particular requirements as to the composition of an individual Auction Portfolio, except that, subject to overriding risk procedures it is broadly anticipated that the parameters of any Auction Portfolio shall not be materially different to those set out in the Clearing House's fire drill.

2.2 Risk Neutralisation

The Clearing House will, in consultation with and with the assistance of the ForexClear DMG, reduce the market risk associated with a Defaulting FXCCM's obligations to the Clearing House so far as is reasonably practicable by hedging the Clearing House's exposure in open ForexClear Contracts to which the Defaulting FXCCM is party. Hedging may be undertaken in a number of sessions, but should be undertaken as quickly as is compatible with efficient execution. All such hedging shall be undertaken by the Clearing House with FXCCMs, on the basis of separate agreements between the Clearing House and each such FXCCM. The aim of Risk Neutralisation is to reduce market exposure to within defined tolerance limits expressed as deltas or other measures of market risk and as established from time to time by the Clearing House in consultation with the ForexClear DMG or as may reasonably be determined by the Clearing House in consultation with the ForexClear DMG once a Default has been declared under the Default Rules. For the avoidance of doubt, Risk Neutralisation may happen prior to, concurrently with and/or subsequently to the splitting of a Portfolio pursuant to Rule 2.1 above.

2.3 Auction

2.3.1 Following the completion of Risk Neutralisation, the Clearing House shall calculate the AIP for each Auction Portfolio under Rule 2.4 and then shall auction each Auction Portfolio to Non-Defaulting FXCCMs. The Clearing House, in consultation with the ForexClear DMG, shall prescribe such procedures (in addition to those set out herein) for the conduct of the auction process as it considers reasonably appropriate from time to time.

2.3.2 The Clearing House shall notify each FXCCM of all details that may be reasonably required in relation to an Auction Portfolio prior to the relevant Auction.

2.3.3 The auction process may take place over a number of days and Auctions of different Auction Portfolios may take place at different times.

2.3.4 FXCCMs will submit bids to the Clearing House representatives on the ForexClear DMG, who will ensure that the identities of the bidders are not revealed to the FXCCM representatives on the ForexClear DMG. For the avoidance of doubt, an FXCCM shall be entitled to submit a bid on behalf of one or more affiliated FXCCMs. The ForexClear DMG will oversee the bidding process in a manner which it considers best protects the resources of the Clearing House and ensures an orderly process.

2.3.5 The Clearing House in consultation with the ForexClear DMG will have full discretion in deciding whether or not to accept a particular bid in an Auction and, in so deciding, will take into account the relevant factors that determine risk premiums, as well as the range of bids received relative to initial margin

held and, subject to their availability, the Clearing House resources as set out in Rule 16 of the Clearing House's Default Fund Rules. In the event that more than one FXCCM submits a bid of the same value (each an "Equal Bid"), the Clearing House will, subject to its discretion to reject all such Equal Bids, select the bid which was received first in time.

2.3.6 In the case of an Auction in which no bid is accepted or received (as the case may be), one or more further Auctions will be held in relation to the relevant Auction Portfolio. As soon as practicable following an Auction:

a(a) in the event that a bid was accepted, the Clearing House will notify those Currency Pair Participants in the relevant Auction Currency Pair together with any other FXCCMs who participated in the Auction that a bid was accepted and shall notify the FXCCM who submitted the accepted bid that its bid was accepted;

b(b) in the event that no bid was accepted, the Clearing House will notify all FXCCMs of the details of any further Auction.

2.3.7 The FXCCM agrees to use all reasonable efforts to make a bid in an Auction for an Auction Portfolio in respect of which such FXCCM is a Currency Pair Participant.

2.4 Auction Incentive Pools

2.4.1 Before commencing the auction process, the Clearing House will calculate an auction incentive pool (each an "AIP") for each individual Auction Portfolio for the purposes of providing an initial allocation of the resources potentially available to it to satisfy any loss incurred in the Auction of each such Auction Portfolio. Notwithstanding such initial allocation, any resources utilised by the Clearing House will be allocated in accordance with Rule 2.5 below.

2.4.2 For each AIP, the resources shall be allocated as follows:

a(a) the resources of the Defaulting FXCCM (in the form of: (i) that part of the Margin Cover for the ForexClear Contracts of the Defaulting FXCCM pursuant to Rule 16(1) of the Default Fund Rules and (ii) the ForexClear Contribution made by the Defaulting FXCCM to the ForexClear Default Fund) available pursuant to Rule 16(2) of the Default Fund Rules at the time of the auction process will be allocated to the AIPs based on the proportion that (a) the risk of the relevant Auction Portfolio bears to (b) the aggregate of the risks (on an absolute basis) for all Auction Portfolios;

b(b) the portion of the Capped Amount applied to the ForexClear Business of the Defaulting FXCCM pursuant to Rule 16(3) of the Default Fund Rules will be allocated to the AIPs based on the proportion that (a) the risk of the relevant Auction Portfolio bears to (b) the aggregate of the risks (on an absolute basis) for all Auction Portfolios; and

c(c) the Non-defaulters' Contribution of each FXCCM and the total value of the ForexClear Unfunded Contributions which would be callable but have not been called by the Clearing House from the relevant FXCCM in respect of the relevant Default in accordance with Rule F8 of the Default Fund Rules (the "Potential Unfunded Contributions") will,

subject to Rule 2.4.3 below, be allocated between the AIPs relating to the Auction Portfolios in which the relevant FXCCM is a Currency Pair Participant based on the proportion that: (a) the risk of the ForexClear Contracts of such FXCCM denominated in the Currency Pair bears to (b) the aggregate of the amounts calculated in (a) in respect of each Currency Pair in which the relevant FXCCM is a Currency Pair Participant.

- 2.4.3 Where a Portfolio for a particular Currency Pair has been split into two or more Auction Portfolios, the Non-defaulters' Contributions and Potential Unfunded Contributions allocated to the AIP related to the relevant Portfolio will be further divided for the purposes of allocation into AIPs relating to the relevant Auction Portfolios based on the proportion that (a) the risk of the ForexClear Contracts in each such Auction Portfolio bears to (b) the aggregate of the amounts calculated in (a) for each of the Auction Portfolios in the relevant Currency Pair.

2.5 Loss Attribution

- 2.5.1 Following the completion of all Auctions of all Auction Portfolios of the Defaulting FXCCM, the Clearing House will determine whether losses incurred by it as a result of such Auctions are such that the Non-defaulters' Contributions must be utilised. Where applicable, such losses will be allocated to Non-defaulters' Contributions in accordance with the loss attribution process described in Rules 2.5.2 to 2.5.8 below.

- 2.5.2 For each Auction Portfolio, losses to the Clearing House will be met using the resources as set out in Rule 16 of the Default Fund Rules. In applying those resources, the Clearing House will allocate the losses in respect of each Auction Portfolio (the "**Auction Losses**") by reference to the resources allocated to the AIPs related to such Auction Portfolios in accordance with Rule 2.4. Where there are no Auction Losses in respect of an Auction Portfolio or the Auction Losses in respect of an Auction Portfolio do not require the full amount of the resources referred to in sub-paragraphs (a) and (b) of Rule 2.4.2 allocated to the AIP related to the relevant Auction Portfolio (the "**Initial Resources**") to be fully utilised, the relevant surplus Initial Resources will be allocated *pro rata* between those AIPs relating to Auction Portfolios in respect of which there are Auction Losses requiring the utilisation of resources beyond the Initial Resources available in the relevant AIP in accordance with Rule 16(1), 16(2) and 16(3) of the Default Fund Rules until such time as all Initial Resources have been fully utilised.

- 2.5.3 In the case of each Auction for which there are Auction Losses in respect of which the Non-defaulters' Contributions must be utilised, those Non-defaulter's Contributions, not including, for these purposes, any part of such Non-defaulters' Contributions that reflect any ForexClear Unfunded Contribution deposited with the Clearing House pursuant to the Default in respect of which the relevant Auction was held (the "**Original Contributions**") and which have been allocated to the AIP relating to the relevant Auction Portfolio (the "**Relevant Original Contributions**") will be used first in the following order:

a(i) The Auction Losses will be attributed to the Relevant Original Contributions of those FXCCMs who are Currency Pair

Participants in the Auction Currency Pair and who did not bid in the relevant Auction. Auction Losses will be attributed to the Relevant Original Contribution of an individual FXCCM pursuant to this sub-paragraph (i) based upon the proportion that: (a) the value of the Relevant Original Contribution of such FXCCM bears to (b) the total value of the Relevant Original Contributions of all FXCCMs who are Currency Pair Participants in the Auction Currency Pair and who did not bid in the relevant Auction;

- ~~(b)~~ (ii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (i) above, those Auction Losses will be attributed to the Relevant Original Contributions of the Short Bidders. For the purposes of this sub-paragraph (ii) and sub-paragraph (ii) of Rule 2.5.6, the term "**Short Bidder**" means any FXCCM who is a Currency Pair Participant in the Auction Currency Pair and who submitted an unsuccessful bid in the relevant Auction save for any FXCCM who submitted a higher bid in an Auction than the bid accepted by the Clearing House in accordance with Rule 2.3.4 (each such FXCCM, a "**Higher Bidder**" and each such bid, a "**Higher Bid**").

Auction Losses will be attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) based upon the proportion that (a) the variance of the bid of such Short Bidder from the winning bid in USD bears to (b) the sum of the variances of the bids of all Short Bidders from the winning bid in USD;

Where the value of the Auction Losses attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) is greater than the value of the Relevant Original Contribution of such Short Bidder, the relevant excess Auction Losses will be attributed to each Short Bidder whose Relevant Original Contribution exceeds the value of the Auction Losses which have been attributed to it pursuant to this sub-paragraph (ii) (each a "**Remaining Original Short Bidder**") by (a) calculating the amount which is the bid of the relevant Remaining Original Short Bidder divided by the sum of the bids of all Remaining Original Short Bidders; and (b) multiplying such amount by the value of the relevant excess Auction Losses;

The Clearing House will repeat the loss attribution process described in this sub-paragraph (ii) until the first to occur of (a) the Auction Losses being fully met; and (b) the Relevant Original Contributions of all Short Bidders being fully attributed; and

- ~~(c)~~ (iii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (ii) above, those Auction Losses will be attributed to the Relevant Original Contribution of the FXCCM who submitted the winning bid, together with, where applicable, the Relevant Original Contribution of any FXCCM who submitted a bid which is an Equal Bid or a Higher Bid in relation to that winning bid. The outstanding Auction Losses will be attributed to the Relevant Original Contribution of an individual FXCCM pursuant to this sub-paragraph (iii) based upon the proportion that: (a) the value of the Relevant Original Contribution of such FXCCM bears to (b) the total value of the Relevant Original

Contributions of (i) the FXCCM who submitted the winning bid; (ii) any FXCCMs who submitted an Equal Bid to such winning bid; and (iii) any FXCCMs who were Higher Bidders in the relevant Auction.

If, for an Auction Portfolio, there remain Auction Losses outstanding after the attribution process referenced to in sub-paragraph (iii) above, and there are AIPs relating to other Auction Portfolios in the same Auction Currency Pair in which the Relevant Original Contributions have not been fully utilised, the Clearing House shall attribute the remaining Auction Losses amongst such Remaining Original Contributions through the attribution process set out in sub-paragraphs (i) to (iii) above.

- 2.5.4 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.3 above, those Auction Losses will be attributed to the Original Contributions of those FXCCMs who are Currency Pair Participants in any other Auction Currency Pair in relation to which Auction Losses have arisen to the extent that Non-defaulters' Contributions must be utilised (each a "**Losing Currency Pair**") and whose Original Contributions have not yet been fully utilised (each a "**Losing Currency Pair Original FXCCM**"). Such remaining Auction Losses will be attributed to any remaining Original Contribution of each such FXCCM pursuant to this Rule 2.5.4 based upon the proportion that: (a) the risk of all of the ForexClear Contracts of such FXCCM denominated in any of the Losing Currency Pairs bears to (b) the aggregate risk of the amounts calculated in (a) for all Losing Currency Pair Original FXCCMs. The Clearing House will repeat the loss attribution process described in this Rule 2.5.4 until the first to occur of (a) the Auction Losses being fully met; and (b) the Original Contributions of all Losing Currency Pair Original FXCCMs being fully attributed.
- 2.5.5 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.4 above, those remaining Auction Losses will be allocated to the Original Contributions of each FXCCM who is not a Currency Pair Participant in any of the Losing Currency Pairs based upon the proportion that (a) the value of each such Original Contribution bears to (b) the aggregate of the amounts calculated in (a) for each of such FXCCMs.
- 2.5.6 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.5 above, the ForexClear Unfunded Contributions which have been allocated to the AIP relating to the relevant Auction Portfolio (the "**Relevant Unfunded Contributions**") will be used first in the following order:
- ~~(a)~~ (i) The Auction Losses will be attributed to the Relevant Unfunded Contributions of those FXCCMs who are Currency Pair Participants in the Auction Currency Pair and who did not bid in the relevant Auction. Auction Losses will be attributed to the Relevant Unfunded Contributions of an individual FXCCM pursuant to this sub-paragraph (i) based upon the proportion that: (a) the value of the Relevant Unfunded Contribution of such FXCCM bears to (b) the total value of the Relevant Unfunded Contributions of all FXCCMs who are Currency Pair Participants in the Auction Currency Pair and who did not bid in the relevant Auction;

~~(b)~~ (ii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (i) above, those Auction Losses will be attributed to the Relevant Unfunded Contributions of the Short Bidders in the relevant Auction. Auction Losses will be attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) based upon the proportion that (a) the variance of the bid of such Short Bidder from the winning bid in USD bears to (b) the sum of the variances of the bids of all Short Bidders from the winning bid in USD;

Where the value of the Auction Losses attributed to an individual Short Bidder pursuant to this sub-paragraph (ii) is greater than the value of the Relevant Unfunded Contribution of such Short Bidder, the relevant excess Auction Losses will be attributed to each Short Bidder whose Relevant Unfunded Contribution exceeds the value of the Auction Losses which have been attributed to it pursuant to this sub-paragraph (ii) (each a "**Remaining Unfunded Short Bidder**") by (a) calculating the amount which is the bid of the relevant Remaining Unfunded Short Bidder divided by the sum of the bids of all Remaining Unfunded Short Bidders; and (b) multiplying such amount by the value of the relevant excess Auction Losses;

The Clearing House will repeat the loss attribution process described in this sub-paragraph (ii) until the first to occur of (a) the Auction Losses being fully met; and (b) the Relevant Unfunded Contributions of all Short Bidders being fully attributed; and

~~(c)~~ (iii) If and to the extent that there are Auction Losses outstanding after the attribution process referred to in sub-paragraph (ii) above, those Auction Losses will be attributed to the Relevant Unfunded Contribution of the FXCCM who submitted the winning bid, together with, where applicable, the Relevant Unfunded Contribution of any FXCCM who submitted a bid which is an Equal Bid or a Higher Bid in relation to that winning bid. The outstanding Auction Losses will be attributed to the Relevant Unfunded Contribution of an individual FXCCM pursuant to this sub-paragraph (iii) based upon the proportion that: (a) the value of the Relevant Unfunded Contribution of such FXCCM bears to (b) the total value of the Relevant Unfunded Contributions of (i) the FXCCM who submitted the winning bid; (ii) any FXCCMs who submitted an Equal Bid to such winning bid; and (iii) any FXCCMs who were Higher Bidders, in the relevant Auction.

If, for an Auction Portfolio, there remain Auction Losses outstanding after the attribution process referenced to in sub-paragraph (iii) above, and there are AIPs relating to other Auction Portfolios in the same Auction Currency Pair in which the Relevant Unfunded Contributions have not been fully utilised, the Clearing House shall attribute the remaining Auction Losses amongst such Remaining Unfunded Contributions through the attribution process set out in sub-paragraphs (i) to (iii) above.

2.5.7 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.6 above, those Auction Losses will be attributed to the ForexClear Unfunded Contributions of those FXCCMs who are Currency Pair Participants in any other Losing Currency Pair and whose ForexClear Unfunded Contributions have not yet been fully utilised (each a "**Losing Currency Pair Unfunded FXCCM**"). Such remaining Auction Losses will be attributed to any remaining ForexClear Unfunded Contributions of each such FXCCM pursuant to this Rule 2.5.7 based upon

the proportion that: (a) the risk of all of the ForexClear Contracts of such FXCCM denominated in any of the Losing Currency Pairs bears to (b) the aggregate risk of the amounts calculated in (a) for all Losing Currency Pair Unfunded FXCCMs. The Clearing House will repeat the loss attribution process described in this Rule 3.5.7 until the first to occur of (a) the Auction Losses being fully met; and (b) the ForexClear Unfunded Contributions of all Losing Currency Pair Unfunded FXCCMs being fully attributed.

- 2.5.8 If and to the extent that there are Auction Losses outstanding following the attribution process referred to in Rule 2.5.7 above, those remaining Auction Losses will be allocated to the ForexClear Unfunded Contributions of each FXCCM who is not a Currency Pair Participant in any of the Losing Currency Pairs based upon the proportion that (a) the value of each such ForexClear Unfunded Contribution bears to (b) the aggregate of the amounts calculated in (a) for each of such FXCCMs.
- 2.6 For the purposes of Rules 2.4 and 2.5 above, all references to the risk associated with a ForexClear Contract shall be references to such risk as determined by the Clearing House in its sole discretion for the purpose of calculating initial margin in accordance with the Procedures.

3. DEFAULT MANAGEMENT IN RESPECT OF FX FCM CLIENT BUSINESS

3.1 The ForexClear DMP in respect of any contract which is an FCM ForexClear Contract in respect of FCM Client Business shall be conducted in accordance with FCM Regulation 8(g).

3.4. TRANSFER OF CASH FLOWS / REGISTRATION OF POSITIONS

3.4.1 Following the disposal of an Auction Portfolio by way of Auction (and notwithstanding that other Auction Portfolios of the Defaulting FXCCM may not yet have been auctioned) the Clearing House, will, with the co-operation of the FXCCMs, transfer to the FXCCM whose bid won that Auction Portfolio the rights and obligations, from the Defaulting FXCCM, arising out of the positions which that FXCCM has successfully bid for under the ForexClear Default Management Process. Such transfer may take place by way of registration of new positions with the Clearing House in the name of the relevant FXCCM, or novation of rights and obligations to the relevant FXCCM. All such registrations shall be made in a way that recognises the variation margin paid or received in relation to the ForexClear Contracts of the Defaulting FXCCM representing such new positions.

3.4.2 In order to effect the transfer of positions, the Clearing House shall prescribe such procedures and timetable as it considers reasonably appropriate in the circumstances. FXCCMs will be required to exercise best endeavours to comply with such requirements as may be established by the Clearing House, after consultation with the ForexClear DMG, to effect the transfer of positions, including but not limited to the payment of any sums due as a result of the winning bid and the provision of cover in an amount required by the Clearing House for initial margin and variation margin in respect of positions which are to be registered in their names. The Clearing House agrees that in such procedures it shall make provision for set-off by the Clearing House of amounts owed by the Clearing House to the FXCCM as a result of the operation of the ForexClear DMP against sums owed by the FXCCM to the Clearing House in respect thereof.

~~3.34.3~~ Where, as a result of an Auction, the Clearing House is required to make a payment to an FXCCM in respect of a winning bid, the Clearing House shall not be permitted to register any position, whether as a new position or as a novation of existing rights and obligations, to any such FXCCM if the Clearing House does not simultaneously credit that FXCCM with the requisite amount. If any position is so registered without such payment, such registration shall be deemed void *ab initio* and unenforceable against the relevant FXCCM. For the avoidance of doubt, the Clearing House will utilise the resources available to it pursuant to Rule 16 of the Default Fund Rules for the purposes of making such a payment notwithstanding that other Auction Portfolios of the Defaulting FXCCM may not yet have been auctioned and that the loss attribution process provided for by Rule 2.5 has not yet occurred.

~~4.5.~~ **INFORMATION REGARDING DEFAULT MANAGEMENT PROCESS**

~~4.45.1~~ Whenever the ForexClear DMP is implemented by the Clearing House in respect of a Defaulting FXCCM, the Clearing House will, with the assistance of the ForexClear DMG, provide such ongoing information to FXCCMs as the Clearing House deems reasonably appropriate in respect of the progress of the ForexClear DMP.

~~4.25.2~~ Nothing in this Rule ~~45~~ shall require the Clearing House to disclose information in respect of the ForexClear DMP which, in the reasonable opinion of the Clearing House, may be subject to obligations of confidentiality, may constitute market sensitive data or is, in the Clearing House's reasonable opinion, inappropriate for disclosure to FXCCMs.

6. BANKRUPTCY CODE AND RELATED ISSUES

6.1 Notwithstanding any other provision of this Annex in the event of a Default by an FX FCM Clearing Member, the completion of any and all actions, including but not limited to any transfers or transactions, permitted or required to be taken by the Clearing House hereunder shall be subject in all respects to the provisions of the Bankruptcy Code, Part 190 of the regulations of the CFTC, the Dodd-Frank Wall Street Reform and Consumer Protection Act 2010, and the receipt of any approvals required under the Bankruptcy Code or such regulations.

7. CEA ISSUES

~~5.28.2~~ The Clearing House may from time to time supplement the details of any of the stages set out in Rule 2 of this Annex or any other aspects of the ForexClear DMP, in consultation with the ForexClear DMG, either by way of further Guidance or immediately on notice to FXCCMs on a case-by-case basis where the Clearing

House deems it appropriate to do so in the circumstances of the Default, provided that the Clearing House may not take any such action that effects a material change to the terms of this Annex without the written consent of 50% of all ForexClear Clearing Members unless such change is invoked unilaterally against all FXCCMs and is necessary to manage the Clearing House's risk or otherwise to meet the Clearing House's continuing regulatory obligations including those applicable to it as a Recognised Clearing House and a Derivatives Clearing Organization. The Clearing House agrees that, in the ordinary course, it shall discuss any such Guidance with the ForexClear DMG prior to bringing the Guidance into effect except that it shall not be required to do so where (i) the Guidance is not material to the rights and obligations of the FXCCMs or (ii) the Clearing House deems it inappropriate to do so in the circumstances of the Default and it is not possible to convene the ForexClear DMG in timely fashion.

5.38.3 The timetable for implementation of the stages of the ForexClear Default Management Process following issue of a Default Notice by the Clearing House shall be either (1) as prescribed by the Clearing House from time to time in consultation with the ForexClear DMG and set out in Guidance; or (2) imposed by the Clearing House without prior notice to the FXCCMs on a case-by-case basis where the Clearing House, in consultation with the ForexClear DMG, deems it appropriate to do so in the circumstances of the Default.

Such implementation shall include, without limitation, the provision of general default management advice with regard to: (1) the ongoing obligations of the Clearing House to its non-defaulting members; (2) the neutralisation and closing-out of the individual obligations of the Defaulting FXCCM; and (3) the splitting of Portfolios and the disposal of Auction Portfolios in accordance with the ForexClear DMP. 6.39.3 The ForexClear DMG shall be made up of the following individuals who, unless stated otherwise, shall be appointed by the Clearing House which shall ensure that

~~6.59.5~~ In establishing the ForexClear DMG, the Clearing House agrees that in the normal course of events (not including the Clearing House's declaration of a Default and the invocation of the processes as outlined in Rules ~~2.2~~, 3 and 4 of this Annex) it will, as far as practicable, and in accordance with the terms of reference of the ForexClear DMG, rotate the membership of the ForexClear DMG on a regular basis and amongst all FXCCMs. The FXCCM agrees that, when requested to do so by the Clearing House, it will make available a representative to participate in the ForexClear DMG. The Clearing House shall agree with the FXCCM the identity of such representative and shall be able to request a substitute where it believes the FXCCM's nominated representative does not have the requisite skills or expertise.

The FXCCM shall ensure that a representative's other work commitments do not affect his availability for this purpose;

~~6.6.29.6.2~~ to take all steps to respect the confidential capacity in which such a representative receives information through the ForexClear DMG and to establish adequate procedures to prevent the disclosure or use for any commercial purpose outside the scope of the ForexClear DMP of any such confidential information by the FXCCM or its representative. Such procedures

shall normally include, without limitation, the establishment of Chinese walls within the FXCCM; and

~~6.6.3~~6.3 to be bound by and to ensure that it and any of its executives or directors serving on the ForexClear DMG complies with the requirements contained in the Procedures ~~-~~ or the FCM Procedures (as the case may be).

~~6.7.7~~ Each FXCCM shall accept that:

~~6.7.1~~7.1 representatives of FXCCMs serving on the ForexClear DMG are doing so in order to assist the Clearing House in ensuring the on-going integrity of the ForexClear Service in the interests of Non-Defaulting FXCCMs; and

~~6.7.2~~7.2 representatives of FXCCMs serving on the ForexClear DMG and their employers shall have no liability for any disinterested advice or actions, mandated or otherwise, that are undertaken as part of the ForexClear Default Management Process, provided, however, that nothing in this Rule 9.7.2 shall exclude the liability of such representatives and employers for any personal injury or death caused by their negligence or for any fraud or wilful default on the part of such representatives and employers.

~~6.8~~9.8 The Clearing House agrees that, in exercising its rights and obligations in consulting with the ForexClear DMG pursuant to this Agreement, it will use all reasonable commercial endeavours to agree a common position with the ForexClear DMG, provided that nothing in this Rule shall prevent the Clearing House acting in a way which it reasonably determines necessary to manage its risk or otherwise meet its continuing regulatory obligations including those applicable to it as a Recognised Clearing House and a Derivatives Clearing Organization.

Reduction of Losses on Default

16. Subject to any contrary provision of the Rulebook, where a defaulter fails to pay any sum payable to the Clearing House, the Clearing House shall reduce or bear its loss in the manner provided by this Rule:-

~~(a)~~(1) first, to the extent the Clearing House determines appropriate, in applying any cover for margin and any other sum owed to the defaulter other than any Contribution (together, "**Margin Cover**"), provided that Margin Cover related to the General Business is to be applied first to any loss attributable to the General Business until such loss is absorbed, Margin Cover related to the ForexClear Business is to be applied first to any loss attributable to the ForexClear Business until such loss is absorbed, and Margin Cover related to the SwapClear Business is to be applied first to any loss attributable to the SwapClear Business until such loss is absorbed;

~~(b)~~(2) second, by recourse to (i) the defaulter's relevant Contribution (i.e. ForexClear Contribution in respect of ForexClear Business, SwapClear Contribution in respect of SwapClear Business and General Contribution in respect of General Business), followed by (ii) any other Contribution made by the defaulter to the

extent not utilised under (i) above. The Clearing House will exercise its rights of recourse under this Rule 16(2) by set-off against the Clearing House's obligation to repay the relevant Contributions to the defaulter;

~~(e)~~(3) third, by payment from the Clearing House's own account of an amount up to a maximum of £20,000,000 (or such greater amount (if any) as may be determined from time to time by the Board of the Clearing House) (the "**Capped Amount**"). For the avoidance of doubt, amounts will only be paid under this stage (3) if and to the extent that to do so would not result in the Clearing House being unable to meet all its other liabilities (taking into account for these purposes the obligation of the Clearing House to return initial margin provided in the form of cash and to repay the Contributions of all Clearing Members).

Where there are amounts due from the defaulter at this stage in respect of more than one of General Business, ForexClear Business and SwapClear Business, the Capped Amount shall be applied to those amounts pro rata;

~~(e)~~(4) fourth, to the extent that any insurance or analogous arrangement is not available to the Clearing House, by recourse to the indemnities given under Rule 28 by Clearing Members other than the defaulter (which shall be satisfied by set-off against the Clearing House's obligation to repay the relevant Contributions of such Clearing Members);

~~(e)~~(5) fifth, by recourse to any insurance cover or analogous arrangement;

~~(f)~~(6) sixth, by recourse to the indemnities given under Rule 28 by Clearing Members other than the defaulter (which shall be satisfied by set-off against the Clearing House's obligation to repay the relevant Contributions of such Clearing Members);

~~(g)~~(7) seventh, by recourse to any other indemnities, guarantees, undertakings or monies provided by Clearing Members; and

~~(h)~~(8) eighth, and in respect of General Excess Loss only, as a loss borne by the Clearing House for its own account. For the avoidance of doubt, amounts will only be paid under this stage (8) if and to the extent that to do so would not

result in the Clearing House being unable to meet all its other liabilities (taking into account for these purposes the obligation of the Clearing House to return initial margin provided in the form of cash and to repay the Contributions of all Clearing Members)...

This Rule has effect without prejudice to any rights of the Clearing House or any other person against the defaulter. For the avoidance of doubt, (i) the effect of Rule F11 is that only stages (1) to (7) under this Rule 16 will apply in respect of any ForexClear Excess Loss, and any outstanding contracts retained by the Clearing House will be closed out in accordance with the procedure set out in Rule F11 without any recourse to the capital of the Clearing House under Rule 16(8); and (ii) the effect of Rule S11 is that only stages (1) to (7) under this Rule 16 will apply in respect of any SwapClear Excess Loss, and any outstanding contracts retained by the Clearing House will be closed out in accordance with the procedure set out in Rule S11 without any recourse to the capital of the Clearing House under Rule 16(8)...

Where a defaulter is engaged in more than one of General Business, ForexClear Business and SwapClear Business (each a "**Relevant Business**" in respect of the defaulter), the completion of the default management processes in respect of each such Relevant Business may occur at different times. The Clearing House may be required to make a determination in respect of one Relevant Business (including certification of a Default Loss under Rule 23(b), certification of a net sum payable under Rule 26(a) or the value of a General Excess Loss, ForexClear Excess Loss and/or SwapClear Excess Loss) in order to manage the default at a time when (a) the determination is contingent on an outcome of the default management process in respect of some other Relevant Business, and (b) that outcome has not yet been reached. In the interests of efficient resolution, the Clearing House may at such point make assumptions about that outcome, and proceed with the relevant process on that basis. Where any such assumptions have been made, the Clearing House shall, on the completion of the default management processes in respect of all Relevant Businesses, make such credits to the default funds relating to the Relevant Businesses and such distributions to former Clearing Members as may be necessary to put the default funds and those firms which had contributed to such default funds at the time of the relevant default in the position that they would have been if the correct outcomes had been used and the relevant assumptions had not been made.

Contributions to Fund

17. Each Clearing Member shall deposit and maintain with the Clearing House one or more sums of cash (each a "**Contribution**") in an amount calculated by the Clearing House in accordance with these Rules. A Clearing Member's "**General Contribution**" shall be equal to the sum of its EquityClear Clearing Member Contribution (if any), as defined in Rule 19A, and its Exchange Contribution (if any), as defined in Rule 19, and its RepoClear Clearing Member Contribution (if any), as defined in Rule 19C, denominated in sterling as cover, in accordance with Rules 15 to 37 (inclusive). An FXCCM's "**ForexClear Contribution**" shall be the amount specified in the ForexClear Default Fund Supplement, in accordance with Rules 15 to 37 (inclusive) and shall include any ForexClear Unfunded Contributions deposited and made by the FXCCM with the Clearing House. An SCM's "**SwapClear Contribution**" shall be the amount specified in the SwapClear Default Fund Supplement, in accordance with Rules 15 to 37 (inclusive) and shall include any SwapClear Unfunded Contributions deposited and made by the SCM with the Clearing House.
18. Subject to Rule 18A, the amount of each General Clearing Member's General Contribution shall be determined by the Clearing House as soon as practicable after each Quarter Day on the basis of information available as at close of business on such Quarter Day and notified to such General Clearing Member as soon as practicable after such determination in accordance with the Procedures.
- 18A Until the EquityClear Transition Date, and subject to Rule 32A, the Clearing House may require an EquityClear Clearing Member to deposit and maintain with the Clearing House an additional sum of cash (a "**Supplementary EquityClear Contribution**") denominated in sterling as cover, to form part of that Clearing Member's General Contribution. The Clearing House may exercise its rights under this Rule in respect of any date before the EquityClear Transition Date on which, in the reasonable opinion of the Clearing House, 10% of the Clearing Member's requirement for initial margin (as calculated under the Procedures section of the Rulebook or other arrangements applicable) in respect of all EquityClear Contracts significantly exceeds the Clearing Member's EquityClear Contribution actually held by the Clearing House on that date. A Supplementary EquityClear Contribution required to be deposited under this Rule shall be payable in such amount and at such time as the Clearing House shall appoint.
19. Subject to Rules 20, 21, 33 and 34, an Exchange Clearing Member's Contribution (its "**Exchange Contribution**") to the Exchange Fund Amount shall be

determined with reference to business conducted by it on the Specified Exchanges and under the LCH Enclear OTC Regulations, as at close of business on each Quarter Day, as follows:-

- (a) the Clearing Member's "**Margin Weight**" shall be calculated by dividing the average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the Clearing Member during the Reference Period in respect: (1) of all Contracts (other than EquityClear, SwapClear, ForexClear and RepoClear Contracts) and (2) all LCH Enclear OTC Contracts by the total of such average daily requirements applied to all Clearing Members other than defaulters;
- (b) the Clearing Member's "**Volume Weight**" shall be calculated by dividing the average daily number of Cleared Exchange Contracts and LCH Enclear OTC Contracts registered for the first time with the Clearing House in the name of the Clearing Member during the Reference Period by the total of such average numbers for all Clearing Members other than defaulters;
- (c) the Clearing Member's "**Weight Factor**" shall be calculated by adding one-half of its Margin Weight as defined in (a) above to one-half of its Volume Weight as defined in (b) above;
- (d) the Clearing Member's "**Preliminary Exchange Contribution**" shall be calculated by multiplying the Exchange Fund Amount by its Weight Factor;
- (e) if the Clearing Member's Preliminary Exchange Contribution is below the Minimum Exchange Contribution for the time being, the Clearing Member's Exchange Contribution shall be the Minimum Exchange Contribution;
- (f) for each Minimum Exchange Contribution Member, the arithmetical difference shall be calculated between (i) the Minimum Exchange Contribution and (ii) the Clearing Member's Preliminary Exchange Contribution, and the "**Exchange Surplus**" shall be calculated by adding together all such differences;
- (g) for each Clearing Member other than a Minimum Contribution Member, the Clearing Member's "**Exchange Discount**" shall be such Clearing Member's *pro rata* share of the Exchange Surplus calculated as the proportion of such

Clearing Member's Preliminary Exchange Contribution relative to the aggregate Preliminary Exchange Contributions of all Clearing Members other than Minimum Exchange Contribution Members;

- (h) for each Clearing Member other than a Minimum Exchange Contribution Member, the Clearing Member's Exchange Contribution shall be the Preliminary Exchange Contribution less the Clearing Member's Exchange Discount; provided that if the outcome of such calculation would result in an Exchange Contribution less than the Minimum Exchange Contribution, such Clearing Member shall pay the Minimum Exchange Contribution notwithstanding that the arithmetical sum of Exchange Contributions paid by all Clearing Members may thereby exceed the Exchange Fund Amount.

19A Subject to Rules 18A, 20, 21, 32A, 33 and 34, each EquityClear Clearing Member's Contribution attributable to EquityClear business conducted by it shall be determined as at close of business on each Quarter Day before the EquityClear Transition Date and shall be the higher of the Minimum EquityClear Contribution and 10% of the Clearing Member's average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the Clearing Member during the Reference Period in respect of all EquityClear Contracts.

19B Subject to Rules 20, 21, 33 and 34, each EquityClear Clearing Member's Contribution attributable to EquityClear business conducted by it shall be determined as at close of business on the EquityClear Transition Date and each Quarter Day thereafter as follows:-

- (a) the Clearing Member's "**EquityClear Margin Weight**" shall be calculated by dividing the average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the Clearing Member during the Reference Period in respect of all EquityClear Contracts by the total of such average daily requirements applied to all Clearing Members other than defaulters;
- (b) the Clearing Member's "**Preliminary EquityClear Contribution**" shall be calculated by multiplying the EquityClear Fund Amount by the Clearing Member's EquityClear Margin Weight;

- (c) if the Clearing Member's Preliminary EquityClear Contribution is below the Minimum EquityClear Contribution for the time being, the Clearing Member's EquityClear Contribution shall be the Minimum EquityClear Contribution;
- (d) for each Minimum EquityClear Contribution Member, the arithmetical difference shall be calculated between (i) the Minimum EquityClear Contribution and (ii) the Clearing Member's Preliminary EquityClear Contribution, and the "**EquityClear Surplus**" shall be calculated by adding together all such differences;
- (e) for each Clearing Member other than a Minimum EquityClear Contribution Member, the Clearing Member's "**EquityClear Discount**" shall be such Clearing Member's *pro rata* share of the EquityClear Surplus calculated as the proportion of such Clearing Member's Preliminary EquityClear Contribution relative to the aggregate Preliminary EquityClear Contributions of all Clearing Members other than Minimum EquityClear Contribution Members;
- (f) for each Clearing Member other than a Minimum EquityClear Contribution Member, the Clearing Member's EquityClear Contribution shall be the Preliminary EquityClear Contribution less the Clearing Member's EquityClear Discount; provided that if the outcome of such calculation would result in a EquityClear Contribution less than the Minimum EquityClear Contribution, such Clearing Member shall pay the Minimum EquityClear Contribution notwithstanding that the arithmetical sum of EquityClear Contributions paid by all Clearing Members may thereby exceed the EquityClear Fund Amount.

19C Subject to Rules 20, 21, 33 and 34, each RepoClear Clearing Member's Contribution attributable to RepoClear business conducted by it shall be determined as at close of business on each Quarter Day as follows:-

- (a) the Clearing Member's "**RepoClear Margin Weight**" shall be calculated by dividing the average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the Clearing Member during the Reference Period in respect of all RepoClear Contracts by the total of such average daily requirements applied to all Clearing Members other than defaulters;

- (b) the Clearing Member's "**Preliminary RepoClear Contribution**" shall be calculated by multiplying the RepoClear Fund Amount by the Clearing Member's RepoClear Margin Weight;
 - (c) if the Clearing Member's Preliminary RepoClear Contribution is below the Minimum RepoClear Contribution for the time being, the Clearing Member's RepoClear Contribution shall be the Minimum RepoClear Contribution;
 - (d) for each Minimum RepoClear Contribution Member, the arithmetical difference shall be calculated between (i) the Minimum RepoClear Contribution and (ii) the Clearing Member's Preliminary RepoClear Contribution, and the "**RepoClear Surplus**" shall be calculated by adding together all such differences;
 - (e) for each Clearing Member other than a Minimum RepoClear Contribution Member, the Clearing Member's "**RepoClear Discount**" shall be such Clearing Member's *pro rata* share of the RepoClear Surplus calculated as the proportion of such Clearing Member's Preliminary RepoClear Contribution relative to the aggregate Preliminary RepoClear Contributions of all Clearing Members other than Minimum RepoClear Contribution Members;
 - (f) for each Clearing Member other than a Minimum RepoClear Contribution Member, the Clearing Member's RepoClear Contribution shall be the Preliminary RepoClear Contribution less the Clearing Member's RepoClear Discount; provided that if the outcome of such calculation would result in a RepoClear Contribution less than the Minimum RepoClear Contribution, such Clearing Member shall pay the Minimum RepoClear Contribution notwithstanding that the arithmetical sum of RepoClear Contributions paid by all Clearing Members may thereby exceed the RepoClear Fund Amount.
20. For the purposes of the calculations under Rules 18A, 19, 19A, 19B and 19C:-
- (a) "**Reference Period**" means the period starting on the day immediately after the Quarter Day immediately before the Quarter Day as at which the determination is made and ending on the Quarter Day as at which the determination is made (including both the day at the start of the period and the day at the end of the period);

- (b) no account shall be taken, in calculating Margin Weight or EquityClear Margin Weight or RepoClear Margin Weight, of any margin required in relation to an Excluded Transaction, nor in calculating Volume Weight of any Contract which is registered in the course of an Excluded Transaction;
- (c) references to "**Clearing Members**" do not include references to defaulters (apart from any defaulter in respect of which the Clearing House permits the application of Rules 19, 19A, 19B and 19C and this Rule) or persons which were formerly Clearing Members but are not Clearing Members on the date at which the determination is made;
- (d) Contributions shall be rounded upwards, if not already such a multiple, to the next integral multiple of one thousand pounds; and
- (e) no account shall be taken, in calculating initial margin under Rules 18A, or 19A, 19B and 19C Margin Weight under Rule 19, EquityClear Margin Weight under Rule 19B or RepoClear Margin Weight under Rule 19C, of any offsets in the initial margin required for Cleared Exchange Contracts from a Clearing Member, which may otherwise be permissible under the Procedures or other arrangements applicable.

Provided that the Clearing Member is not a defaulter, the amount of its Contribution shall be paid in accordance with and subject to Rule 22. The provisions of Rule 19, 19A, 19B and 19C and this Rule do not apply to a Clearing Member which is a defaulter, unless the Clearing House so permits in any particular case.

21. Without prejudice to any other requirements which the Clearing House may impose, the amount of the General Contribution of a New Member shall be the sum of (a) where the New Member has applied to become an EquityClear Clearing Member, the Minimum EquityClear Contribution, (b) where the New Member has applied to become an Exchange Clearing Member, the Minimum Exchange Contribution, (c) where the New Member has applied to become a RepoClear Clearing Member, the Minimum RepoClear Contribution, and (d) any supplementary sum determined by the Clearing House in its discretion and notified to the New Member. The Clearing House shall determine the amount of such supplementary sum by reference to the actual or expected level of clearing activity of the New Member.

Payment of Contributions

22. Upon determination of the amount of a General Contribution as at any Quarter Day:
- (a) if the amount of the General Contribution of a General Clearing Member immediately before close of business on that Quarter Day exceeds the amount of the General Clearing Member's General Contribution as determined under these Rules as at close of business on that Quarter Day, the excess shall be paid by the Clearing House to such General Clearing Member in accordance with the Procedures;
 - (b) if the amount of the General Contribution of a Clearing Member immediately before close of business on that Quarter Day is the same as the amount of the General Clearing Member's General Contribution as so determined, no sum shall then be payable by or to such General Clearing Member in respect of its General Contribution; and
 - (c) if the amount of the General Contribution of a General Clearing Member immediately before close of business on that Quarter Day is less than the amount of the General Clearing Member's General Contribution as so determined, the shortfall shall be paid by such General Clearing Member to the Clearing House in accordance with the Procedures.

The provisions of this Rule do not apply to a General Clearing Member which is a defaulter, unless the Clearing House so permits in any particular case.

Terms on which Contribution is held

- ~~(a)~~23. (a) Subject to Rules 23(b) and 23(c), the outstanding balance of a Clearing Member's Contribution (or, as appropriate, part thereof) shall be repayable to the Clearing Member on the earliest to occur of the following events:
- (i) if the Clearing Member is not a defaulter, the effective date of termination of Clearing Member's status (including a Termination Date under General Regulation 39A or under FCM Regulation 26A);

- (ii) if the Clearing Member has become a defaulter, the date or event appointed by the Clearing House for repayment of sums due to the Clearing Member under Rule 9;
 - (iii) the amount of the Contribution being reduced by virtue of the recalculation of its amount in accordance with Rule 19 or Rule F2 of the ForexClear Default Fund Supplement in respect of a ForexClear Contribution or Rule S2 of the SwapClear Default Fund Supplement in respect of a SwapClear Contribution (in which case the Contribution shall be repayable only to the extent of such reduction);
 - (iv) the Clearing House making an Insufficient Resources Determination pursuant to Rule F11 or Rule S11; and
 - (v) the expiry of a period of 50 years from the date on which the Contribution was paid to the Clearing House.
- (b) If a Clearing Member becomes a defaulter, the Clearing House shall as soon as practicable after any Margin Cover has been applied pursuant to Rule 16, certify one or more net sums then payable by the defaulter to the Clearing House in respect of General Business ("**General Business Default Loss**"), ForexClear Business ("**ForexClear Business Default Loss**") and/or SwapClear Business ("**SwapClear Business Default Loss**") (as applicable) (each a "**Default Loss**"), disregarding for this purpose any of the defaulting Clearing Member's Contributions. If the Clearing House certifies any Default Loss, all of the defaulting Clearing Member's Contributions shall immediately become due and repayable, but only in an amount not exceeding the total Default Loss. In this regard:
- (i) where there is a General Business Default Loss only and the defaulter's General Contribution exceeds the General Business Default Loss, the defaulter's ForexClear Contribution and the defaulter's SwapClear Contribution shall not become due and repayable;

- (ii) where there is a ForexClear Business Default Loss only and the defaulter's ForexClear Contribution exceeds the ForexClear Business Default Loss, the defaulter's General Contribution and SwapClear Contribution shall not become due and repayable; and
- (iii) where there is a SwapClear Business Default Loss only and the defaulter's SwapClear Contribution exceeds the SwapClear Business Default Loss, the defaulter's General Contribution and ForexClear Contribution shall not become due and repayable.

(c) If an amount becomes payable by the Clearing Member under Rule 28, the Clearing Member's relevant Contribution shall immediately become due and repayable, but only to the extent of such amount.

24. On any day interest shall accrue on the amount of each General Contribution then held by the Clearing House, to the extent that it has not been applied under Rule 26 or Rule 28, at such rate and in such manner as provided by the Procedures, provided that the rate of interest shall not be less than LIBOR plus one per cent. Interest shall be payable in arrear and shall be paid on the date or dates specified by the Procedures. In these Default Fund Rules any interest which has accrued under this Rule shall not be regarded as part of the Contribution.
25. A Clearing Member's entitlement to repayment of any of its Contributions or any part of them shall not be capable of assignment by the Clearing Member, nor shall Contributions be capable of being charged or subject to any other form of security whether purporting to rank in priority over, *pari passu* with or subsequent to the rights of the Clearing House. Any purported charge or assignment by a Clearing Member (whether by way of security or otherwise) of its Contributions shall be void. A Clearing Member shall not otherwise encumber (or seek to encumber) its Contributions.

Application of defaulter's Contribution, and Certification of Aggregate Excess Losses

26. Without prejudice to any other right of set-off or application of funds to which the Clearing House may be entitled, in the event of a Default and the certification by the Clearing House of a Default Loss under Rule 23(b) in respect thereof the Clearing House shall without notice set off in or towards satisfaction of any sums payable to the Clearing House from the defaulter any amount of any Contribution of the defaulter which has become due and repayable in accordance with Rule 23(b). If the Clearing

House is to have recourse, in accordance with Rule 16, to the indemnities, guarantees, undertakings or monies provided by Clearing Members other than the defaulter, as soon as practicable the Clearing House shall certify (by a "**Rule 26 Certificate**"):-

- (a) the amount of the defaulter's Contribution applied under this Rule and the net sum (if any), or each net sum (if more than one), then immediately payable by the defaulter to the Clearing House in respect of (i) General Business, (ii) ForexClear Business and (iii) SwapClear Business, taking into account for this purpose the defaulter's Contribution but excluding for this purpose any sum due to the Clearing House in respect of any Excluded Transaction; and
- (b) the extent to which any sums so payable by the defaulter to the Clearing House but unpaid may be claimed by the Clearing House under a policy of insurance or analogous instrument relating to Default Losses.

The Clearing House may issue more than one Rule 26 Certificate in relation to losses arising upon any Default.

Where a Rule 26 Certificate is to be issued in respect of the Default of an FXCCM, the Clearing House may assume that no further recoveries will be made in respect of obligations of the Defaulting FXCCM beyond the value of its ForexClear Contribution.

Where a Rule 26 Certificate is to be issued in respect of the Default of an SCM, the Clearing House may assume that no further recoveries will be made in respect of obligations of the Defaulting SCM beyond the value of its SwapClear Contribution.

27. The Clearing House may in the exercise of the right conferred by Rule 26 set off the amount due (in accordance with Rule 23(b)) to a defaulter in respect of the defaulter's Contribution or any part thereof against sums owing on any account whether or not it is a client account, and the Clearing House shall have unfettered discretion in this regard. A defaulter's Contribution shall not be treated as standing to the credit of any client account of the defaulter except to the extent that any Default Loss certified under Rule 23(b) arises in relation to a client account and the Clearing House so requires.

Application of Fund and Indemnity

28. By virtue of the Clearing Membership Agreement and this Rule, and subject to Rule 29:

- (a) each Clearing Member engaged in General Business indemnifies the Clearing House in respect of General Excess Loss upon the Default of another Clearing Member in an aggregate amount not exceeding the amount due from it as its General Contribution at the date of the issue of the Rule 26 Certificate which relates to such Aggregate Excess Loss;
- (b) each Clearing Member engaged in ForexClear Business indemnifies the Clearing House in respect of the aggregate of the ForexClear Excess Losses calculated in respect of the Defaults of FXCCMs occurring in a ForexClear Default Period in an aggregate amount not exceeding the amount due from it as its ForexClear Contribution as calculated under the ForexClear Default Fund Supplement on the ForexClear Determination Date immediately prior to the commencement of the relevant ForexClear Default Period together with any ForexClear Unfunded Contribution that the Clearing House has called or would be entitled to call from such FXCCM during such ForexClear Default Period; and
- (c) each SCM indemnifies the Clearing House in respect of the aggregate of the SwapClear Excess Losses calculated in respect of the Defaults of SCMs occurring in a SwapClear Default Period in an aggregate amount not exceeding the amount due from it as its SwapClear Contribution as calculated under the SwapClear Default Fund Supplement on the SwapClear Determination Date immediately prior to the commencement of the relevant SwapClear Default Period together with any SwapClear Unfunded Contribution that the Clearing House has called or would be entitled to call from such SCM during such SwapClear Default Period.

The amount due by a Clearing Member in respect of each General Excess Loss shall be the Clearing Member's *pro rata* share of such loss arising upon the relevant Default calculated as the proportion of such Member's relevant Contribution relative to the aggregate relevant Contributions of all Clearing Members other than the relevant defaulter at the time of the relevant Default. The amount due by a Clearing Member in respect of each ForexClear Excess Loss shall be determined in accordance with the provisions of the ForexClear DMP Annex. The amount due by a Clearing Member in respect of each SwapClear Excess Loss shall be determined in accordance with the provisions of the SwapClear DMP Annex. The amount so due shall become immediately payable automatically (without any obligation on the part of the Clearing

House to make demand on the Clearing Member) upon the issue by the Clearing House of the applicable Rule 26 Certificate. Without prejudice to any other right of set-off or application of funds to which the Clearing House may be entitled, the Clearing House shall forthwith without notice set off any amount due in accordance with Rule 23(c) to a Clearing Member in respect of the relevant Contribution of such Clearing Member in or towards satisfaction of the amount payable by such Clearing Member under this Rule 28.

29. This Rule applies to a defaulter (the "**First defaulter**") where the Contribution of the First defaulter has not been repaid to the First defaulter or applied by the Clearing House under Rule 26, and Aggregate Excess Losses arise upon the Defaults of other Clearing Members. Where this Rule applies, Rule 28 shall have effect with the following modifications:-
- (a) the balances (if any) of the First defaulter's relevant Contributions may be applied under Rule 28 in respect of such relevant Aggregate Excess Losses up to and including the date three months after the date of issue of the Default Notice in respect of the First defaulter's Default; and
 - (b) after the date three months after the date of issue of such Default Notice, the balances (if any) of the First defaulter's relevant Contributions may not be applied under Rule 28 in respect of such relevant Aggregate Excess Losses, but they may be retained on account of losses arising upon the First defaulter's own Default, and for the purposes of Rule 28 they shall be disregarded.
30. The Clearing House shall give notice to each Clearing Member as soon as practicable after an amount has become due in accordance with Rule 28 and of the manner in which it has been satisfied.
31. If, in relation to a Default, the Clearing House has been unable to certify in any Rule 26 Certificates issued on or before the Quarter Day immediately after the Default all sums which may be or become due to the Clearing House from the Defaulter (because such sums will not or may not become liquidated or for any other reason payable until a later date), the Clearing House shall maintain a Contribution from each Clearing Member (other than the Defaulter) as cover for the performance by such Clearing Member of its obligation to indemnify the Clearing House in relation to any General Excess Loss not yet certified. In fulfilment of this requirement the Clearing House may take any step

which appears to the Clearing House to be appropriate, and the steps so taken may include any (including a combination) of the following:-

- (a) postponement of the date for adjustment of Clearing Members' Contributions under Rule 22;
- (b) reduction of the amounts payable to some or all Clearing Members under Rule 22(a); and
- (c) estimation of the amount of Aggregate Excess Losses which may become certified after the relevant Quarter Day as appropriate, and application of Rule 28 as if such estimated amount were already realised as a General Excess Loss.

The Clearing House shall notify Clearing Members of any steps taken under this Rule.

Reinstatement of the Fund

32. Where, after a Default, the Clearing House has applied part or all of a General Contribution under Rule 26 or Rule 28, the General Fund Amount shall be reduced forthwith by the aggregate amount of the Contributions or parts of Contributions so applied, and the EquityClear Fund Amount and the Exchange Fund Amount and the RepoClear Fund Amount shall be reduced *pro rata*. Unless and until the Clearing House has repaid a defaulter's Contribution, the General Fund Amount shall be treated as having been reduced by the amount of the defaulter's Contribution (if any) regardless of whether the Clearing House has applied part or all of that Contribution under Rule 26. Following a reduction of the General Fund Amount in accordance with this Rule, the Clearing House may by a single increase or by a series of increases raise the General Fund Amount to such level not exceeding £515,000,000 and after such interval or intervals as it considers appropriate, provided that:

- (a) upon each such increase the EquityClear Fund Amount and the Exchange Fund Amount and the RepoClear Fund Amount shall increase *pro rata*; and
- (b) no such increase shall bind any Clearing Member which does not agree to it.

Where by virtue of this Rule the General Fund Amount is less than £515,000,000, the size of the Minimum EquityClear Contribution and the Minimum Exchange Contribution and the Minimum RepoClear Contribution shall also be adjusted in proportion to the size of the General Fund Amount as adjusted for the time being.

32A If on any Quarter Day before the EquityClear Transition Date the General Fund Amount is by virtue of Rule 32 less than it was before the Default, the formula in Rule 19A shall be modified so that the alternative basis of calculation is reduced from 10% of the Clearing Member's average daily requirement for initial margin (as provided by Rule 19A) to 10% of such average daily requirement multiplied by the Relevant Proportion. On any date in respect of which the Clearing House exercises its rights under Rule 18A and as at which the General Fund Amount is by virtue of Rule 32 less than it was before the Default the sum with which the Clearing Member's EquityClear Contribution is to be compared shall be reduced from 10% of the Clearing Member's requirement for initial margin (as provided by Rule 18A) to 10% of such requirement multiplied by the Relevant Proportion. For the purposes of this Rule, the "**Relevant Proportion**" means, in relation to a date, the proportion which the General Fund Amount at such date bears to the amount before the Default.

Effect of cessation of Clearing Member status

33. Subject to Rule 34, if a Quarter Day, a ForexClear Determination Date or a SwapClear Determination Date, as appropriate, occurs after the giving of notice: (i) by or in respect of any Retiring Member; (ii) by a Clearing Member to the Clearing House for the purposes of resigning from a particular Service; or (iii) by the Clearing House to a Clearing Member for the purposes of requiring such Clearing Member to resign from a particular Service (the "**Relevant Service**") (a Clearing Member for the purposes of (ii) and (iii) of this paragraph, a "**Resigning Member**"), and before the termination of such Retiring Member's Clearing Member status or the Resigning Member's resignation from the Relevant Service (as the case may be):-
- (a) if the Retiring Member or Resigning Member is not a defaulter, the amount of such Retiring Member's Contribution or such Resigning Member's Contribution in respect of the Relevant Service shall be determined by the Clearing House on the basis set out in Rules 19, 19A, 19B, 19C, the ForexClear Default Fund Supplement and the SwapClear Default Fund Supplement (as applicable) without regard to the impending termination of such Retiring Member's Clearing

Member status or Resigning Member's resignation (as the case may be), and the provisions of Rule 22, Rule F5 of the ForexClear Default Fund Supplement and Rule S5 of the SwapClear Default Fund Supplement (as applicable) shall apply in respect of such Contribution accordingly;

- (b) if the Retiring Member or Resigning Member is a defaulter, the balance of that Retiring Member's Contribution or the Resigning Member's Contribution in respect of the Relevant Service (as the case may be) after any part of it has been applied under Rule 26 or Rule 28 shall not be subject to adjustment under Rules 19, 19A, 19B, 19C, the ForexClear Default Fund Supplement and the SwapClear Default Fund Supplement (as applicable), and the provisions of Rule 22, Rule F5 of the ForexClear Default Fund Supplement and Rule S5 of the SwapClear Default Fund Supplement (as applicable) shall not apply to such Retiring Member or Resigning Member in respect of the Relevant Service.

Notwithstanding the foregoing, in such circumstances the amounts of the respective Contributions of all Clearing Members other than any Retiring Member or any Resigning Member in respect of the Relevant Service shall be determined by the Clearing House on the basis set out in Rules 18A, 19, 19A, 19B, 19C, the ForexClear Default Fund Supplement and the SwapClear Default Fund Supplement (as applicable), but disregarding for all purposes any Clearing Member which is a Retiring Member or, in relation to a Relevant Service, any Resigning Member in respect of that Relevant Service, in particular disregarding such Clearing Member's daily requirement for margin and such Clearing Member's daily number of Contracts and treating any such Retiring Member as no longer being a Clearing Member, but without prejudice to any reduction of the General Fund Amount under Rule 32.

34. This Rule applies at any Quarter Day, ForexClear Determination Date or SwapClear Determination Date, as appropriate, after a Retiring Member has given notice of termination of its Clearing Member status, where another Clearing Member (the "**Continuing Member**") has arranged to undertake clearing on behalf of the Retiring Member. If, in the opinion of the Clearing House, the Contribution of the Continuing Member determined under Rules 18A, 19, 19A, 19B, 19C, the ForexClear Default Fund Supplement and/or the SwapClear Default Fund Supplement does not fairly reflect the Continuing Member's share of clearing activity, the Clearing House may determine the Contribution of the Continuing Member as if the EquityClear Margin Weight, Margin Weight, Volume Weight, RepoClear Margin Weight, SwapClear Margin Weight and

ForexClear Margin Weight of the Retiring Member were part of the EquityClear Margin Weight, Margin Weight, Volume Weight, RepoClear Margin Weight, SwapClear Margin Weight and ForexClear Margin Weight respectively of the Continuing Member. If the Clearing House determines the amount of a Continuing Member's Contribution under this Rule, the Clearing House shall give notice to the Continuing Member, and the provisions of Rule 33 shall not apply.

35. A Retiring Member and a Resigning Member in respect of a Relevant Service shall, until the completion of the process set out in Rule 8 in relation to any Default, continue to be liable under its Rule 28 indemnity in respect of Aggregate Excess Losses arising upon such Default, notwithstanding that the Clearing Member status of the Retiring Member has terminated or that the Resigning Member has resigned in respect of the Relevant Service before that time. While a Retiring Member or Resigning Member continues to be so liable, it shall provide such cover as the Clearing House shall require in respect of its liability in relation to any Aggregate Excess Losses not yet certified, subject to such cover not exceeding the Retiring Member's Contribution at the time of the termination of its clearing membership. or the Resigning Member's Contribution to the Relevant Service at the time of its resignation. In fulfilment of this requirement the Clearing House may take any step which appears to the Clearing House to be appropriate, including postponement of the date for repayment of part or all of the Retiring Member's Contribution or Resigning Member's Contribution in respect of the Relevant Service (as the case may be). The Clearing House shall notify the Retiring Member or Resigning Member of any steps taken under this Rule.

Recoveries from defaulters

36. If all or part of the Contributions of any Clearing Member shall have been applied in accordance with Rule 28, the Clearing House shall account to each such Clearing Member (whether or not he remains at the relevant time a Clearing Member of the Clearing House) in respect of any Net Recovery, *pro rata* to the respective amounts applied in accordance with Rule 28 in relation to the relevant Default and in an amount not exceeding, in relation to each such Clearing Member, the amount of its Contributions so applied.

Contracts on terms prescribed by new Exchanges

37. Notwithstanding anything in the Procedures, and subject as follows, any Contract on terms prescribed by any Exchange other than a Specified Exchange shall be an Excluded Transaction. The Clearing House may direct that any such Contract as is referred to in this Rule shall not be an Excluded Transaction, provided that no such direction shall bind any Clearing Member which does not agree to it.

ForexClear Default Fund Supplement

F1 In accordance with and subject to Rule F2, the amount of each ForexClear Clearing Member's ForexClear Contributions shall be determined by the Clearing House as soon as practicable after each ForexClear Determination Date as appropriate on the basis of information available as at close of business on such ForexClear Determination Date and notified to such FXCCM as soon as practicable after such determination in accordance with the Procedures.

F2 Each FXCCM's ForexClear Contribution (other than a ForexClear Unfunded Contribution) shall be determined by the Clearing House in accordance with the following provisions:

(a) determinations will be made by the Clearing House on the date that an FXCCM joins the ForexClear Service, and at close of business on the first business day of each subsequent month, and otherwise in accordance with paragraph (g) below, (each a "**ForexClear Determination Date**") provided, however, that, following a Default any such determinations and any such ForexClear Determination Date which might otherwise have occurred under this Rule F2 shall be suspended for the duration of the period (the "**ForexClear Default Period**") commencing on the date of such Default and terminating on the last to occur of the following dates:

(i) the date which is the close of business on the day falling 30 calendar days after the ForexClear Default Management Process Completion Date in relation to such Default (or, if such day is not a business day, the next succeeding business day); and

(ii) where, prior to the to the end of the period referred to in (i) above (or such period as has already been extended pursuant to this sub-paragraph (ii)) one or more subsequent Defaults (each a "**Relevant Default**") occur, the date which is the close of

business on the day falling 30 calendar days after the ForexClear Default Management Process Completion Date in relation to a Relevant Default which falls latest in time (or, if such day is not a business day, the next succeeding business day);

- (b) On each business day, the Clearing House will determine a "**Combined Loss Value**" in respect of each of the 30 preceding business days. The Combined Loss Value in respect of a particular day will be the sum of the largest and the second largest stress-testing loss incurred on that day in relation to ForexClear Business (for a given scenario).
- (c) the "**ForexClear Fund Amount**" shall be calculated in United States Dollars ("**USD**"), and, for a given ForexClear Determination Date, shall be the largest of the 30 Combined Loss Values determined under Rule F2(b) plus 10%. The ForexClear Fund Amount shall not be less than USD 70 million ("**ForexClear Fund Floor**");
- (d) the FXCCM's "**ForexClear Margin Weight**" shall be calculated by dividing the average daily requirement for initial margin (as calculated under the Procedures or other arrangements applicable) which has applied to the FXCCM during the reference period in Rule F2(c), above, in respect of all ForexClear Contracts to which the FXCCM is a party by the total of such average daily requirements applied to all Non Defaulting FXCCMs;
- (e) the FXCCM's "**Preliminary ForexClear Contribution**" shall be calculated by multiplying the ForexClear Fund Amount by the FXCCM's ForexClear Margin Weight;
- (f) if the FXCCM's Preliminary ForexClear Contribution is below the Minimum ForexClear Contribution for the time being, the FXCCM's ForexClear Contribution shall be the Minimum ForexClear Contribution; and

- (g) subject to Rule F2(a), the Clearing House may recalculate the ForexClear Fund Amount on any business day if the Combined Loss Value differs by more than 25% from the figure on which the previous ForexClear Contribution determination was based.

F3 For the purposes of the calculations under Rule F2

- (a) references to "ForexClear Clearing Members" or "FXCCMs" do not include references to Defaulting FXCCMs (apart from any Defaulting FXCCM in respect of which the Clearing House permits the application of Rule F2) or persons which were formerly FXCCMs but are not FXCCMs at the ForexClear Determination Date at which the relevant determination is made;
- (b) Contributions shall be rounded upwards, if not already such a multiple, to the next integral multiple of one thousand US dollars; and
- (c) no account shall be taken, in calculating initial margin or ForexClear Margin Weight under Rule F2 of any offsets in the initial margin required for ForexClear Contracts from an FXCCM, which may otherwise be permissible under the Procedures or other arrangements applicable.

Provided that the FXCCM is not a defaulter, the amount of its ForexClear Contribution shall be calculated in accordance with and subject to Rule F5 and Rule F2. The provisions of Rule F1, Rule F2, this Rule F3 and Rule F5 do not apply to a Defaulting FXCCM, unless the Clearing House so permits in any particular case.

F4 Without prejudice to any other requirements which the Clearing House may impose, the amount of the ForexClear Contribution of a New Member shall be the sum of (a) the Minimum ForexClear Contribution and (b) any supplementary sum determined by the Clearing House in its discretion and notified to the New Member. The Clearing House shall determine the amount of such supplementary sum by reference to the actual or expected level of clearing activity of the New Member.

F5 Upon determination of the amount of a ForexClear Contribution in accordance with Rule F2:

(a) if the amount of the ForexClear Contribution of an FXCCM immediately before close of business on the relevant ForexClear Determination Date exceeds the amount of the FXCCM's ForexClear Contribution as determined under Rule F2 as at close of business on that day, the excess shall be paid by the Clearing House to such FXCCM in USD in accordance with the Procedures;

(b) if the amount of the ForexClear Contribution of an FXCCM immediately before close of business on the relevant ForexClear Determination Date is the same as the amount of the FXCCM's ForexClear Contribution as so determined, no sum shall then be payable by or to such FXCCM in respect of its Contribution; and

(c) if the amount of the ForexClear Contribution of an FXCCM immediately before close of business on the relevant ForexClear Determination Date is less than the amount of the FXCCM's ForexClear Contribution as so determined, the shortfall shall be paid by such FXCCM to the Clearing House in USD in accordance with the Procedures.

The provisions of this Rule do not apply to a Defaulting FXCCM, unless the Clearing House so permits in any particular case.

F6 On any day interest shall accrue on the amount of each ForexClear Contribution then held by the Clearing House, to the extent that it has not been applied under Rule 26 or Rule 28, at such rate and in such manner as provided by the Procedures, provided that the rate of interest for any particular day shall not be less than the Fed Funds Rate published on that day (or, in relation to any day for which the Fed Funds Rate is not available, the Fed Funds Rate most recently published before such day). Interest shall be payable in arrear and shall be paid on the date or dates specified by the Procedures. In these Default Fund Rules any interest which has accrued under this Rule shall not be regarded as part of the ForexClear Contribution.

F7 Where, after a Default, the Clearing House has applied part or all of a ForexClear Contribution under Rule 26 or Rule 28, the ForexClear Fund Amount shall be reduced forthwith by the aggregate amount of the ForexClear Contributions or parts of ForexClear Contributions so applied and the amount of the ForexClear Contribution that each FXCCM must maintain with the Clearing House shall be reduced by the amount of its ForexClear Contribution which has been applied pursuant to Rule 28, in each case until the next ForexClear Determination Date. Unless and until the Clearing House has repaid a defaulter's ForexClear Contribution (or remaining part thereof, as applicable), the ForexClear Fund Amount shall be treated as having been reduced by the amount of the defaulter's ForexClear Contribution (if any), regardless of whether the Clearing House has applied part or all of that ForexClear Contribution under Rule 26.

F8 Where, after a Default, the Clearing House determines that (i) by reason of a reduction in accordance with Rule F7, the value of the ForexClear Fund Amount has been reduced by at least 25%; or (ii) by the time of the ForexClear Default Management Process Completion Date in relation to the relevant Default the value of the ForexClear Fund Amount will be reduced by at least 25%, the Clearing House may, by notice in writing (the "**ForexClear Unfunded Contribution Notice**"), require each Non-Defaulting FXCCM to deposit and maintain an amount (each a "**ForexClear Unfunded Contribution**") in accordance with the following provisions:

(a) ForexClear Unfunded Contributions will only be payable in circumstances where the relevant ForexClear Unfunded Contribution Notice is delivered by the Clearing House to FXCCMs prior to the ForexClear Default Management Process Completion Date in relation to the relevant Default;

(b) the value of the ForexClear Unfunded Contribution payable by each individual FXCCM shall be the product of (i) the percentage by which the value of the ForexClear Fund Amount has been reduced and (ii) the value of the ForexClear Contribution of such FXCCM as determined by the Clearing House at the last ForexClear Determination Date prior to the date when the relevant Default occurred;

(c) the Clearing House may, by the delivery of one or more further ForexClear Unfunded Contribution Notices, require each Non-Defaulting FXCCM to pay one or more further ForexClear Unfunded Contributions in respect of the same Default, provided that the total value of the ForexClear Unfunded Contributions payable by an individual FXCCM in respect of a particular Default (determined in accordance with paragraph (b) above) may not exceed the value of the ForexClear Contribution of such FXCCM as at the last ForexClear Determination Date prior to the date when the relevant Default occurred; and

(d) following a Default in respect of which ForexClear Unfunded Contributions were paid (the "**First Default**"), the Clearing House may require the payment of further ForexClear Unfunded Contributions in respect of subsequent Defaults (which, for the avoidance of doubt, can never be a First Default), provided that ForexClear Unfunded Contributions will not be payable in respect of any more than three Defaults in any six month period (commencing on the date of delivery of the first ForexClear Unfunded Contribution Notice in respect of the First Default).

FXCCMs will be required to deposit the full amount of their ForexClear Unfunded Contributions (without exercising any rights of set-off or counterclaim) with the Clearing House on the business day following receipt of a ForexClear Unfunded Contribution Notice.

For the avoidance of doubt, references to "FXCCMs" for the purposes of this Rule F8 include any FXCCM (other than a Defaulting FXCCM) who is: (i) a Retiring Member but whose status as a Clearing Member has not yet been terminated; and (ii) a Resigning Member whose resignation from the ForexClear Service is not yet effective.

F9 ForexClear Loss Distribution Process

Where, after a Default, the Clearing House determines that the ForexClear Excess Loss resulting from the Default will exceed the amounts to be applied to it under Rule 16(1) to (7), the Clearing House may implement the

process (the "**ForexClear Loss Distribution Process**") described in this Rule F9.

(a) For the purposes of this Rule F9 and for Rule F11, the following definitions will apply:

"Actual Base Currency Gains, Losses and Realised Cash Flows by Cash Payment" means, in respect of each Cash Payment and any business day, the sum of the Pre Haircut Base Currency Gains, Losses and Realised Cash Flows by Cash Payment and any Cash Gainer Base Currency Adjustment to Cash Payment or Cash Loser Base Currency Adjustment to Cash Payment.

"Auction Portfolio" has the meaning assigned to it in the ForexClear DMP Annex.

F10 Where, after the Default of one or more FXCCMs, the Clearing House determines that, notwithstanding the availability of any resources remaining under Rule 16(1) to (7) and the availability of the ForexClear Loss Distribution Process in accordance with the terms of Rule F9, it is clear that the Clearing House does not have sufficient resources to meet its obligations and liabilities arising in respect of those ForexClear Contracts to which it is party with Non-Defaulting FXCCMs, the Clearing House will by notice in writing (a "**ForexClear Voluntary Payment Notice**"): (i) inform all Non-Defaulting FXCCMs that it has insufficient resources and that it is likely to invoke Rule F11; and (ii) invite each Non-Defaulting FXCCM to make a payment of funds (a "**ForexClear Voluntary Payment**"), in accordance with Rule 16(7), to make up for the relevant shortfall.

ForexClear Voluntary Payments will be made on the following terms:

(a) no FXCCM shall be obliged to make a ForexClear Voluntary Payment;

(b) any ForexClear Voluntary Payment will be made by an FXCCM by the close of business on the business day after receipt of the relevant ForexClear Voluntary Payment Notice;

Where such data is not available to the Clearing House, the closing price shall be the last price used by the Clearing House to calculate the variation margin requirement for the position to be closed out.

(b) On the basis of the close out values established for each outstanding ForexClear Contract, an account shall be taken (as at the time of close out) of what is due in respect of each FXCCM, from that FXCCM to the Clearing House and from the Clearing House to that FXCCM, as well as all other amounts owing under or in respect of ForexClear Contracts and any other amounts that may be due in respect of the ForexClear Service (including for these purposes, a proportionate share of any amounts owed generally to or from the Clearing House), and the sums due from the FXCCM shall be set off against the sums due from the Clearing House and only the balance of the account shall be payable. For the avoidance of doubt,

amounts in respect of ForexClear Contracts shall include, but not be limited to, returns of variation margin associated therewith and the repayment of any Net Cash Gainer Payment Currency Adjustment to Cash Payments made in the ForexClear Default Period to which the Insufficient Resources Determination relates (and in respect of which F9(e) shall be specifically disappplied), but shall exclude the repayment of any cash initial margin or any outstanding ForexClear Contributions.

 To the extent that the aggregate of all of the amounts owed to the Clearing House by FXCCMs plus all of those other resources applicable to the ForexClear Clearing Service under Rule 16(1) to (7) that have not been applied towards a ForexClear Excess Loss is less than the aggregate of the amounts owed to FXCCMs by the Clearing House, each amount owed to FXCCMs by the Clearing House shall be reduced pro rata the shortfall.

- (c) The Clearing House shall determine any amounts due to each FXCCM in respect of the repayment of any cash initial margin and outstanding ForexClear Contributions to be repaid. The claim of each such FXCCM in respect to the foregoing shall be reduced in proportion to an amount by which (i) the value of the assets available to the Clearing House to meet the return obligations referred to in (b) bears to (ii) the value of what would be due from the Clearing House to each Clearing Member in aggregate in respect of the return of initial margin received from each such Clearing Member in the form of cash and outstanding Contributions.

(d) For each FXCCM, the amount due to it or due from it as determined pursuant to (b) shall be aggregated with its claim determined pursuant to (c) above and only the net sum shall be payable. Where the result of such calculations is that an FXCCM owes an amount to the Clearing House, that FXCCM shall pay that amount to the Clearing House immediately. Where the result of such calculations is that an FXCCM is owed an amount by the Clearing House, the Clearing House shall pay that amount to the FXCCM immediately, subject to (f) below.

(e) The payment of such amount to an FXCCM, pursuant to (d) above subject to any re-calculations performed pursuant to (f) below, shall constitute the full and final payment in respect of the ForexClear Service and such FXCCM shall not be permitted to make any further claims to the Clearing House in respect of amounts relating to the ForexClear Service nor shall it be permitted to notify the Clearing House of a Termination Date pursuant to Regulation 39A for a failure to pay any amounts in relation to the ForexClear Service.

(f) The Clearing House may make the payments due under (d) above in one or more instalments to the FXCCMs in proportion to the value of their claims on the Clearing House under (b) above if some but not all of the amounts due under (d) or Rule 16(1) to 16(7) above have not yet been received. The Clearing House shall take reasonable steps to recover such amounts and may deduct therefrom reasonable administration costs for such recovery. To the extent that the Clearing House determines that any such amounts will not in fact be recoverable, it shall re-determine the amounts due to FXCCMs in accordance with this Rule F11.

(g) This Rule F11 shall not be applied in the event that a Termination Date has been specified in relation to the Clearing House in accordance with Regulation 39A.

(h) Nothing in the foregoing shall override the obligation of the Clearing House to return initial margin provided by way of security to a FXCCM pursuant to its Regulations and Procedures.

F12 **Ballot Arrangements**

(c) **Application of Cash Gainer Payment Currency Adjustment to Cash Payment**

The Clearing House shall apply all payments it receives in respect of Cash Gainer Payment Currency Adjustment to Cash Payments solely for the

purposes of meeting any loss incurred by the Clearing House following, and in relation to, each Default, as contemplated in accordance with Rule 16(1) to (7).

If, during a Loss Distribution Period, the Clearing House considers that the Cash Gainer Payment Currency Adjustment to Cash Payments applied to a particular Margin Account of an SCM are, or are about to be equal to or greater than the Loss Distribution Cap Amount, the Clearing House may propose an adjustment to such Loss Distribution Cap Amount. If agreed by all Non-Defaulting SCMs, the Loss Distribution Cap Amount as adjusted pursuant to this paragraph (d) shall be applicable for the remainder of the relevant Loss Distribution Period.

(f) **Application of any Recoveries**

If the SwapClear Loss Distribution Process has been invoked by the Clearing House in accordance with this Rule S9, the Clearing House shall reimburse the SCMs (irrespective of whether they remain SCMs at the time of the recovery) and the Clearing House on a *pro rata* basis by reference to the resources which have been applied pursuant to Rule 16(1) to (7) and including the net amount of any one or more paid by the relevant SCMs:

- i any amounts received from the Defaulting SCM as a result of the Clearing House being a creditor of the Defaulting SCM in respect of the SwapClear Business of such Defaulting SCM in the context of the occurrence of any of the events under Rule 5(i) to (p) in respect of the Defaulting SCM or otherwise, other than in respect of sums due to the Clearing House for its own account; or
- ii any other amounts howsoever obtained or recovered in the course of the Clearing House's operation of the SwapClear Default Management Process or which are otherwise referable to the Defaulting SCM,

in each case net of any related expenses incurred by the Clearing House or other sums owing to the Clearing House by the Defaulting SCM in connection with the SwapClear clearing service. For the avoidance of doubt, nothing in this paragraph (f) shall oblige the Clearing House to pursue any litigation or other action in order to recover the amounts contemplated above and if another default fund of the Clearing House has also been applied as a result of the SCM's Default, any amounts recovered shall be applied *pari passu* as between the relevant default funds.

S11. Where, after the Default of one or more SCMs, the Clearing House determines that, notwithstanding the availability of any resources remaining under Rule 16(1) to (7) and the availability of the SwapClear

Loss Distribution Process in accordance with the terms of Rule S9, it is clear that the Clearing House does not have sufficient resources to meet its obligations and liabilities arising in respect of those SwapClear Contracts to which it is party with Non-Defaulting SCMs, the Clearing House will by notice in writing (a “**SwapClear Voluntary Payment Notice**”): (i) inform all Non-Defaulting SCMs that it has insufficient resources and that it is likely to invoke Rule S11; and (ii) invite each Non-Defaulting SCM to make a payment of funds (a “**SwapClear Voluntary Payment**”), in accordance with Rule 16(7), to make up for the relevant shortfall.

- (a) SwapClear Voluntary Payments will be made on the following terms:
- (b) no SCM shall be obliged to make a SwapClear Voluntary Payment;
- (c) any SwapClear Voluntary Payment will be made by an SCM by the close of business on the business day after receipt of the relevant SwapClear Voluntary Payment Notice;
- (d) no SwapClear Voluntary Payment may be withdrawn once made; and
- (e) the Clearing House shall full discretion whether or not to accept a particular SwapClear Voluntary Payment.

Any failure by the Clearing House to deliver a SwapClear Voluntary Payment Notice pursuant to this Rule S10 will not invalidate any action taken by the Clearing House pursuant to Rule S11 nor give rise to any liability whatsoever on the part of the Clearing House.

Any SwapClear Voluntary Payments remaining unused at the time of the expiry of the relevant SwapClear Default Period will be accounted for ratably by the Clearing House as if they were amounts paid in respect of the SwapClear Contributions of those SCMs from whom SwapClear Voluntary Payments were accepted.

S12. Where, following the process for inviting SwapClear Voluntary Payments in accordance with Rule S10, the Clearing House makes a determination (an “**Insufficient Resources Determination**”) that it is clear that the Clearing House does not have sufficient resources to meet its obligations and liabilities arising in respect of those SwapClear Contracts to which it is party with Non-Defaulting SCMs, the following provisions shall have effect:

- (a) All outstanding SwapClear Contracts shall be closed out as of the clearing day following the date the Insufficient Resources Determination was made and any further obligations to make any payments under or in respect of such SwapClear Contracts shall cease. The closing prices used shall be mid prices calculated by the Clearing House in accordance with the methodology used by it to carry out end of day margin runs in respect of the outstanding SwapClear Contracts. Where such data is not available to the Clearing House, the closing price shall be the last price used by the Clearing House to calculate the variation margin requirement for the position to be closed out.

- (b) On the basis of the close out values established for each outstanding SwapClear Contract, an account shall be taken (as at the time of close out) of what is due in respect of each SCM, from that SCM to the Clearing House and from the Clearing House to that SCM, as well as all other amounts owing under or in respect of SwapClear Contracts and any other amounts that may be due in respect of the SwapClear Service (including for these purposes, a proportionate share of any amounts owed generally to or from the Clearing House), and the sums due from the SCM shall be set off against the sums due from the Clearing House and only the balance of the account shall be payable. For the avoidance of doubt, amounts in respect of SwapClear Contracts shall include, but not be limited to, returns of variation margin associated therewith and the repayment of any Net Cash Gainer Payment Currency Adjustment to Cash Payments made in the SwapClear Default Period to which the Insufficient Resources Determination relates (and in respect of which S9(e) shall be specifically disappplied), but shall exclude the repayment of any cash initial margin or any outstanding SwapClear Contributions.
- (c) The Clearing House shall determine any amounts due to each SCM in respect of the repayment of any cash initial margin and outstanding SwapClear Contributions to be repaid. The claim of each such SCM in respect to the foregoing shall be reduced in proportion to an amount by which (i) the value of the assets available to the Clearing House to meet the return obligations referred to in (ii) bears to (ii) the value of what would be due from the Clearing House to each Clearing Member in aggregate in respect of the return of initial margin received from each such Clearing Member in the form of cash and outstanding Contributions.
- (d) For each SCM, the amount due to it or due from it as determined pursuant to (b) shall be aggregated with its claim determined pursuant to (c) above and only the net sum shall be payable. Where the result of such calculations is that an SCM owes an amount to the Clearing House, that SCM shall pay that amount to the Clearing House immediately. Where the result of such calculations is that an SCM is owed an amount by the Clearing House, the Clearing House shall pay that amount to the SCM immediately, subject to (f) below.
- (e) The payment of such amount to an SCM, pursuant to (d) above subject to any re-calculations performed pursuant to (f) below, shall constitute the full and final payment in respect of the SwapClear Service and such SCM shall not be permitted to make any further claims to the Clearing House in respect of amounts relating to the SwapClear Service nor shall it be permitted to notify the Clearing House of a Termination Date pursuant to Regulation 39A for a failure to pay any amounts in relation to the SwapClear Service.
- (f) The Clearing House may make the payments due under (d) above in one or more instalments to the SCMs in proportion to the value of their claims on the Clearing House under (b) above if some but not all of the amounts due under (d) or Rule 16(1) to 16(7) above have not yet been received. The Clearing House shall take reasonable steps to recover such amounts and may deduct therefrom reasonable administration costs for such recovery. To the extent that

the Clearing House determines that any such amounts will not in fact be recoverable, it shall re-determine the amounts due to SCMs in accordance with this Rule S11.

- (g) This Rule S11 shall not be applied in the event that a Termination Date has been specified in relation to the Clearing House in accordance with Regulation 39A.
- (h) Nothing in the foregoing shall override the obligation of the Clearing House to return initial margin provided by way of security to a SCM pursuant to its Regulations and Procedures.

S13. **Ballot Arrangements**

- (a) Notwithstanding anything to the contrary in clauses 9.4 and 9.5 of the Clearing Membership Agreement, no proposal for any of the amendments set out in paragraphs (i), (ii) and (iii) below (each a "**SwapClear Amendment**") shall be capable of coming into effect unless first approved in a ballot of SCMs:

 - iii any amendment which, in the opinion of the Board of Directors of the Clearing House would represent a significant change in the commitments of the SCMs but not in the commitments of any other Clearing Members,
- (b) For the purposes of a ballot conducted pursuant to this Rule S12, the provisions of clauses 9.4, 9.6 and 9.7 of the Clearing Membership Agreement shall apply with the following amendments:
 - i the words "major amendment to the Default Fund Rules" in the first line of clause 9.4 of the Clearing Membership Agreement shall be replaced with the words "SwapClear Amendment";
 - ii all references to "Clearing Members" shall be replaced with references to "SCMs";
 - iii in paragraph (c) of clause 9.4 of the Clearing Membership Agreement, the reference to "Contributions" shall be replaced with a reference to "SwapClear Contributions" and the reference to "Quarter Day" shall be replaced with a reference to "SwapClear Determination Date";

 - vi the references to "Contribution" in clauses 9.6 and 9.7 of the Clearing Membership Agreement shall be replaced with references to "SwapClear Contribution".
- (c) For the purposes of a ballot conducted under clauses 9.4 and 9.5 of the Clearing Membership Agreement other than a ballot in relation to an amendment which, in the opinion of the Board of Directors of the Clearing House falls within paragraph (c) of clause 9.5 of the Clearing Membership Agreement but not within paragraph (a)(iii) of this Rule S12, references to "Clearing Members" shall not include SCMs who are not engaged in any business with the Clearing House other than SwapClear Business and SwapClear Contributions shall not count as "Contributions".

Regulation 104 Registration of ForexClear Contracts

- (a) In order to use the ForexClear Service, a ForexClear Participant must submit the particulars of a ForexClear Transaction for registration as a ForexClear Contract in accordance with these ForexClear Regulations and the Procedures.
- (b) Without prejudice to the Clearing House's rights under paragraph (f) of this Regulation, a ForexClear Clearing Member shall be bound by a ForexClear Contract registered in its name pursuant to the presentation of particulars of a ForexClear Transaction by it or by a ForexClear Dealer with whom the ForexClear Clearing Member is party to a FDC Agreement.
- (c) Without prejudice to the Clearing House's rights under paragraph (f) of this Regulation, a ForexClear Transaction, particulars of which are submitted for registration as a ForexClear Contract, must meet the ForexClear Eligibility Criteria at the time the particulars of the ForexClear Transaction are presented to the Clearing House and must continue to meet such ForexClear Eligibility Criteria at the Registration Time as defined in Regulation 104(d) below in order to be registered as a ForexClear Contract.
- (d) The Clearing House shall be deemed to register a ForexClear Contract, in accordance with Regulation 105, in the name of a ForexClear Clearing Member at the time prescribed in the Procedures ("Registration Time")
- (e) For the avoidance of doubt, any transaction of which details have been submitted by ForexClear Participants for registration as a ForexClear Contract which is not so registered will remain in effect between the persons party thereto in accordance with any terms agreed between them and the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no obligations or liability in relation thereto.
- (f) Subject to Regulation 104(h), if at any time falling after the registration of any ForexClear Contract the Clearing House determines that the corresponding transaction of which details were submitted for registration did not, at the Registration Time, meet the ForexClear Eligibility Criteria in existence at the Registration Time (an "**Ineligible Transaction**"), the Clearing House shall, as soon as practicable thereafter, set aside both ForexClear Contracts arising from such Ineligible Transaction in accordance with Regulation 104(g) below.
- (g) Upon a ForexClear Contract (an "**Ineligible ForexClear Contract**") being set aside under Regulation 104(f), the Clearing House will notify the FXCCM party to such Ineligible ForexClear Contract via the ForexClear Matcher that such Ineligible ForexClear Contract has been set aside. The following shall take effect immediately upon the delivery of such notice: (i) such Ineligible ForexClear Contract shall be deemed to be terminated at the time of the notification and shall thereafter have no force or effect; (ii) all variation margin (if any) paid by the Clearing House or by an FXCCM in respect of such Ineligible ForexClear Contract shall be retained by the receiving party upon termination; (iii) where there is a difference between the value of the Ineligible ForexClear Contract as at the last margin run and the value (as determined by the Clearing House) of that Ineligible ForexClear Contract at the time of the next official settlement rate for that currency pair, then a payment shall be made between the FXCCMs to the original Ineligible Transaction equal to such difference; and (iv) these payments shall be deemed to satisfy in full the relevant party's obligations under the Ineligible ForexClear Contract and shall be retained by the receiving party upon termination as a termination payment.

- (h) The Clearing House may not determine a transaction to be an Ineligible Transaction if after the Valuation Date (as defined in Part A of the Schedule to the ForexClear Regulations) in respect of the ForexClear Contracts arising from the registration of such a transaction has occurred.
- (i) Where an original party to an Ineligible Transaction is an FXD upon the setting aside of the Ineligible ForexClear Contract under Regulation 104(f), any Parallel Contract (as defined in the FDC Agreement) corresponding to the Ineligible Transaction and arising by operation of the FDC Agreement shall be terminated at the same value as the Ineligible ForexClear Contract to which it corresponds at the time of the notification under Regulation 104(g) and shall thereafter have no force or effect.
- (j) The Clearing House shall provide no less than 10 business days' prior notice (including by email) to ForexClear Clearing Members of an amendment to the ForexClear Eligibility Criteria.
- (k) Where a ForexClear Contract relates to an FCM ForexClear Transaction, it is a condition for registration as a ForexClear Contract that the FCM ForexClear Transaction to which the ForexClear Contract relates be presented for clearing: (i) by an Executing Party (in its capacity as an FCM Clearing Member or ForexClear Clearing Member or through its designated FCM Clearing Member or ForexClear Clearing Member) as a ForexClear Contract or FCM ForexClear Contract (as the case may be); and (ii) by an FCM Clearing Member on behalf of its FCM Client as an FCM ForexClear Contract. In the event that the Clearing House registers a ForexClear Contract and, for whatever reason, the corresponding FCM ForexClear Contract has not also been registered, the ForexClear Contract shall be deemed not to be registered as a ForexClear Contract until such time as such corresponding FCM ForexClear Contract has been registered.
- (l) In relation to an FCM ForexClear Transaction, if either the Executing Party (in its capacity as an FCM Clearing Member or ForexClear Clearing Member or through its designated FCM Clearing Member or ForexClear Clearing Member) or the FCM Clearing Member (as the case may be) does not present an FCM ForexClear Transaction for clearing, the Clearing House shall set aside any FCM ForexClear Contract or ForexClear Contract that has been registered (if any) and the particulars of the corresponding FCM ForexClear Transaction in question shall at the Clearing House's discretion be either: (i) deemed never to have been submitted to the Clearing House; or (ii) rejected until such time as the Executing Party (in its capacity as an FCM Clearing Member or ForexClear Clearing Member or through its designated FCM Clearing Member or ForexClear Clearing Member) or the FCM Clearing Member have presented the relevant contract to the Clearing House. In addition, any payment made under, or in respect of, any FCM ForexClear Contract set aside or deemed not cleared under this paragraph shall be repayable to the person who made the payment. Without prejudice to FCM Regulation 24 and its obligations under this Regulation 104 and FCM Regulation 40, the Clearing House (and each other member of the LCH.Clearnet Group and their respective officers, employees and agents) shall have no liability whatsoever to any person arising out of or in respect of the registration by it in error or otherwise of an FCM ForexClear Contract.

- (c) In subparagraphs (iii) and (iv) above, a reference to the “same” rights or obligations is a reference to rights or obligations, falling due for exercise or performance after the Registration Time, and which are the same in nature and character as the rights or obligations arising from the Economic Terms of the corresponding ForexClear Transaction (it being assumed, for this purpose, that such ForexClear Transaction was a legal, valid, binding and enforceable obligation of the parties thereto and that the Economic Terms thereof were as presented to the Clearing House for registration), notwithstanding the change in the person entitled to them or obliged to perform them, and subject to any change thereto as a result of the operation of the Standard Terms.

- (d) If a ForexClear Transaction, is revoked, avoided or otherwise declared invalid for any reason after particulars of it have been accepted by the Clearing House for registration that revocation, avoidance or invalidity shall not affect any ForexClear Contract arising under this Regulation, Regulation 3(b) or Regulation 11.
- (e) In the case of a ForexClear Contract registered by the Clearing House pursuant to rule 6(a) of the Default Rules, the Registration Time shall be deemed to be the time chosen by the Clearing House whereupon this Regulation 105 shall take effect.

- (g) The cancellation of a ForexClear Contract to which a ForexClear Clearing Member is a party (in this Regulation, the "First ForexClear Contract") is contingent upon *inter alia* the cancellation of the corresponding ForexClear Contract that arose from the same underlying ForexClear Transaction (in this Regulation, the "Second ForexClear Contract"), and vice versa.
- (h) The date and time of the cancellation of a ForexClear Contract shall be as reported by the Clearing House in accordance with the Procedures and shall be binding on ForexClear Clearing Members.
- (i) The Clearing House may decline to cancel a ForexClear Contract if:
 - (i) in the opinion of the Clearing House acting in its sole discretion, the cancellation of that ForexClear Contract is not consistent with the Regulations and Procedures of the Clearing House and any policies of the clearing house concerning risk management;
 - (ii) if there is insufficient margin standing to the credit of a ForexClear Clearing Member's account to accommodate the cancellation of the First ForexClear Contract and/or the Second ForexClear Contract.
- (j) With effect from the time of the cancellation of a ForexClear Contract in accordance with this Regulation 106, neither the ForexClear Clearing Member nor the Clearing House shall have any obligations under the terms of that ForexClear Contract and liability in respect thereof.

- 1.7. Any such notice may provide that despite the application of any such amendment to the ISDA Definitions to ForexClear Contracts going forward, these ForexClear Contracts shall

continue, for the purpose of margining, valuation, set-off or otherwise, to be regarded as fully fungible with ForexClear Contracts registered in a ForexClear Clearing Member's name prior to the time such amendment comes into effect.

4. General Standard Terms (“General Standard Terms”)

The following terms are designated as General Standard Terms of a registered ForexClear Contract:

Payments in respect of which such deduction or withholding is required to be made, by the ForexClear Clearing Member, shall be increased to the extent necessary to ensure that, after the making of the required deduction or withholding, the Clearing House receives and retains (free from any liability in respect of such deduction or withholding) a net sum equal

The ForexClear Clearing Member party hereto irrevocably submits to such jurisdiction and agrees to waive any objection it might otherwise have to such jurisdiction, save that this submission to the jurisdiction of the courts of England and Wales shall not (and shall not be construed so as to) limit the right of the Clearing House to take proceedings in any other court of competent jurisdiction, nor shall the taking of action in one or more jurisdictions preclude the Clearing House from taking action in any other jurisdiction, whether concurrently or not.

4.7. Third Party Rights

A person who is not a party to this ForexClear Contract shall have no rights under or in respect of it. Rights of third parties to enforce any terms of this ForexClear Contract pursuant to the Contracts (Rights of Third Parties) Act 1999 are expressly excluded.
